Knocking On Heavens Door A New Testament Theology Of Petitionary Prayer:

Knocking on Heaven's Door David Crump, 2006-09 Offers a cohesive New Testament theology of petitionary prayer

Biblical Theology of prayer in the New Testament Francois P. Viljoen, Albert J. Coetsee, 2023-08-31 This publication deals with a biblical theology of prayer based on the New Testament It forms the second of a two volume publication on a biblical theology of prayer dealing with the concept of prayer in the Old and New Testament respectively This New Testament volume begins with an introduction on prayer and worship in early Jewish tradition followed by eleven chapters dealing with New Testament corpora It concludes with a final chapter synthesising the findings of the respective investigations of the Old and New Testament corpora to provide a summative theological perspective of the development of the concept of prayer through scripture Prayer forms a major and continuous theme throughout the biblical text Prayer was an integral part of the religious existence of God's people in both the Old and New Testament It underwent its greatest developments during and as a result of the Exile and was deepened and transformed in the New Testament In both the Old and the New Testament God is the sole addressee of his people's prayer This conviction continued into the New Testament but was broadened with Trinitarian elements of worship adoration and intercession A biblical theological investigation is chosen as methodology Since all the biblical books form part of one canonical text the assumption is that the various theologies about prayer being displayed in these books can be synthesised into a developing meta theology about prayer As the Old and New Testament form part of the canonical text the results about prayer in the Old Testament can be brought into play with the results about prayer in the New Testament This eventually leads toward an overarching biblical theology of prayer

Biblical Theology of prayer in the Old Testament Albert J. Coetsee, Francois P. Viljoen, 2023-08-31 Prayer is a major topic within Christian theology The biblical text has various references to various recorded and reported prayers In fact references to prayer are found within the rich diversity of the various books corpora and genres of Scripture As can be expected much has been written about prayer in the biblical text However a comprehensive Biblical Theology dealing with the concept of prayer in Scripture has not been published before and this book intends to fill this gap assuming that such an approach can provide a valuable contribution to the theological discourse on prayer and related concepts This book aims to investigate prayer and its related elements including worship praise thanksgiving adoration petition intercession lament and confession in the Old Testament on a book by book or corpus by corpus basis The investigation follows a Biblical Theological approach reading the Old Testament on a book by book basis in its final form to uncover the Old Testament's overarching theology of prayer understanding the parts in relation to the whole By doing this the discrete nuances of the prayers of the different Old Testament books and corpora can be uncovered letting the books and corpora speak for themselves In addition the advantage of this approach is that it provides findings that can benefit the modern Christian community and contribute to the practice of Reformed theology in Africa This book is of significant value to

scholars It will inspire scholars to think about prayer and use the Bible as the major prayer handbook in their spiritual lives

T&T Clark Handbook of Christian Prayer, 2021-12-16 The essays collected in this volume provide a resource for thinking theologically about the practice of Christian prayer In the first of four parts the volume begins by reaching back to the biblical foundations of prayer Then each of the chapters in the second part investigates a classical Christian doctrine including God creation Christology pneumatology providence and eschatology from the perspective of prayer The chapters in the third part explore the writings of some of the great theorizers of prayer in the history of the Christian tradition The final part gathers a set of creative and critical conversations on prayer responding to a variety of contemporary issues Overall the T T Clark Handbook of Christian Prayer articulates a theologically expansive account of prayer one that is deeply biblical energetically doctrinal historically rooted and relevant to a whole host of critical questions and concerns facing the world today In Jesus' Name Scott Adams, 2022-10-25 This book focuses on a neglected area of New Testament studies the

function of prayer across the Johannine literature By building on the author's previous work *Prayer in John's Farewell Discourse* this book takes another step forward by exploring how prayer in the Farewell Discourse compares to prayer in 1 John 3 John and Revelation It also seeks to discern how prayer is linked to the ethical behaviors of Johannine disciples their missional success as they carry forth the mission of God in the world and the eschatological impulse of calling for Jesus to come again in order to complete his work in the world As a bonus the final chapter highlights key elements of Johannine prayer that are relevant to the contemporary reader who approaches the Scriptures not merely as ancient documents to be read and interpreted but as timeless truths that are to be applied and obeyed The Prayers of Jesus Participant's Guide

Matt Williams, 2009-09-03 Prayer was the backbone of Jesus' life and ministry From his baptism to his crucifixion the Gospels portray Jesus as a man of prayer who knew and deeply valued intimate communion with his heavenly Father What can we learn from the prayers he prayed In six engaging interactive small group sessions this Deep Connection DVD helps you explore the prayers of Jesus to gain new insights into prayer the character of God and how to deepen your relationship with him With maps and pictures outlines key Scripture verses discussion questions plenty of room for note taking and a personal five day Bible study for each session this participant's guide will help you get the most out of *The Prayers of Jesus* both in your group and in applying what you learn to your life *When God Says, "No"* Thomas R. Hauff, 2010-12-13 Does it feel like God has stopped listening to your prayers Do you approach prayer with confidence or with confusion Perhaps you have given up organized prayer entirely resorting to monotonous habitual shallow repetitions day after day after day This work will address these and other questions we all have about communicating with God In these pages you will find straight talk about substantial pitfalls along the road to authentic prayer Dr Tom Hauff provides an in depth investigation into the ways we pray the goals prayer should accomplish and how we respond to God's answers You will find that God has not stopped listening and that prayer does not have to be confusing It can be vibrant and life giving productive and encouraging but there is a key

to such a prayer life In this book in an easily accessible way Dr Hauff unfolds this foundational key We genuinely communicate in prayer only when we learn to listen honestly to God **Prayer, Middle Knowledge, and Divine-Human Interaction** Kyle D. DiRoberts, 2018-07-27 Christians generally believe that in prayer they are free in their act to petition God Christians also believe that they pray to a God that is sovereign and omniscient Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one's account of divine providence which determines how motivated the person is to offer petitionary prayer in the divine human relationship The theories of providence and their understanding of petitionary prayer discussed in this book include compatibilism hard determinism open theism and middle knowledge Each of the theories of divine providence discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing DiRoberts argues that middle knowledge is the preferred theory of providence as it relates to petitionary prayer because for middle knowledge God's sovereignty includes both his omniscience and libertarian human freedom

Progressive Creation and the Struggles of Humanity in the Bible Zoltan Dornyei, 2018-03-22 Why does the Christian walk often feel like an ongoing struggle and why does God's creation include imperfection let alone forces that are intent on thwarting God's creative work In seeking a response to these questions this book argues that the biblical accounts describe creation in terms of a progressive transformation process whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation The following discussion then outlines a comprehensive framework for the biblical theology of humanity's struggles centered on three key themes corporeal temptation deficient social structures and the much debated notion of spiritual warfare The book presents an overarching canonical narrative that threads together a series of diverse biblical topics from Job's temptation to the Atonement The final part surveys biblical teaching on how human conduct can be aligned with God's creative purpose and discusses three assignments from Jesus to believers to celebrate the Eucharist to pray the Lord's Prayer and to fulfill the Great Commission *Prayer and Vindication in Luke - Acts* Geir O. Holmas, 2011-03-17 This is a comprehensive study of the literary function of prayer in Luke Acts employing narrative critical methodology and focusing on the theme's relation to Luke's historiographical aims Holmas asserts that the distribution of strategically placed prayer notices and prayers throughout Luke Acts serves a twofold purpose First it is integral to Luke's project of authenticating the Jesus movement as accredited by Israel's God Holmas shows that Luke presents a consistent pattern of divine affirmation and redemption attending the tenacious prayers of the faithful ones throughout every major phase of his narrative in turn demonstrating continuity with the pious Israel of the past Secondly most importantly the ultimate purpose of Luke's emphasis on prayer is didactical In Luke's gospel Jesus summons his disciples and implicitly his readers to confident and persistent prayer before the Eschaton assuring them of God's readiness to answer their entreaties Luke's historical account as a whole provides narrative reinforcement of this affirmation Just as God has been consistent in

responding to the diligent prayers of his faithful ones in recent history satisfying and fulfilling Israel's hopes for redemption in the Jesus movement he will assuredly secure ultimate vindication at the end of time for those who persist in prayer It was formerly the Journal for the Study of the New Testament Supplement a book series that explores the many aspects of New Testament study including historical perspectives social scientific and literary theory and theological cultural and contextual approaches The Early Christianity in Context series a part of JSNTS examines the birth and development of early Christianity up to the end of the third century CE The series places Christianity in its social cultural political and economic context European Seminar on Christian Origins and Journal for the Study of the Historical Jesus Supplement are also part of JSNTS

Reading Romans as Lament Channing L. Crisler, 2016-04-12 Reading Romans as Lament examines how and why Paul uses such a high volume of Old Testament lament in his letter to the Romans Lament is not merely a poignant cry of distress but a distinct form of prayer scattered across the pages of the Old Testament It contains a distinct literary footprint and theology Although often overlooked Romans contains a great deal of this prayer form through its various lament citations and echoes When these citations and echoes are heard it impacts the interpretation of the letter's argumentation and sheds historical light on suffering in the early church Building on the work of both Old Testament scholarship and recent trends in Pauline Studies most notably Claus Westermann and Richard B Hays this book explores how Paul uses the language and theology of Old Testament lament to address the tension between what his gospel promises and the pain his listeners experience The echoes of lament in Romans indicate that suffering stems from various sources but they share a common concern with divine wrath The experience of pain including concern over God's wrath is a reality for the righteous in Rome Paul consistently answers their cries of distress with the gospel

Luke 6:40 and the Theme of Likeness Education in the New Testament Thomas W. Hudgins, 2014-01-07 What does Jesus mean when he says A disciple is not above his teacher but each disciple after being fully trained will be like his teacher Luke 6:40 This verse has been quoted cited and referenced in vast amounts of Christian education and discipleship literature Nevertheless the verse is nearly untouched in exegetical discussions with the exception of source critical analyses From this verse arises an undeveloped theme in the Gospel of Luke and the New Testament the theme of likeness education Using content analysis methodology Luke 6:40 one of the keystone passages in Christian education literature serves as the starting point for mining out the theme of likeness education in the New Testament This study consists of three concentric areas of investigation 1 Luke 6:40 and its immediate context 2 Luke Acts and 3 the New Testament corpus

Rejoicing in Lament J. Todd Billings, 2015-02-10 At the age of thirty nine Christian theologian Todd Billings was diagnosed with a rare form of incurable cancer In the wake of that diagnosis he began grappling with the hard theological questions we face in the midst of crisis Why me Why now Where is God in all of this This eloquently written book shares Billings's journey struggle and reflections on providence lament and life in Christ in light of his illness moving beyond pat answers toward hope in God's promises Theologically robust yet eminently practical it engages

the open questions areas of mystery and times of disorientation in the Christian life Billings offers concrete examples through autobiography cultural commentary and stories from others showing how our human stories of joy and grief can be incorporated into the larger biblical story of God's saving work in Christ

Calling on the Name of the Lord Gary Millar, 2016-04-04 Defining prayer simply as calling on the name of the Lord Millar follows the contours of the Bible's teaching on prayer In this *New Studies in Biblical Theology* volume he shows how prayer is intimately linked with the gospel and how it is primarily to be understood as asking God to deliver on his promises

The Disciples' Prayer Jeffrey B. Gibson, 2015-06-01 What are Christians praying when they pray the Lord's Prayer and what relationship does it have with Jesus' own context Jeffrey B Gibson disputes the view that Jesus' prayer was derived from Jewish synagogal prayers Understanding its intent requires understanding Jesus' purpose in calling disciples as witnesses against this generation In context the prayer was not eschatological and was not aimed at calling down into the present the realities of the age to come Rather it was meant to protect disciples from the temptations of their age

Subversive Meals Streett R Alan, 2016-11-24 In *Subversive Meals* Alan Streett follows on from James C Scott's idea of a hidden transcript to argue that the Lord's Supper was a subversive non-violent act against the Roman Empire Primarily through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first-century Roman domination In his widely researched argument Streett illuminates for the reader why understanding the Lord's Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE *Subversive Meals* analyses how the structure of the Lord's Supper followed that of a Roman banquet by having a deipnon and a symposium the latter being the time when anti-resistance discussions would take place Streett examines several aspects of the history context and theological significance of the Lord's Supper He discusses such topics as the identification of Passover as an anti-imperial meal against the Pharaoh's rule the Roman domination system the meal practices of Jesus the eschatological meaning of the Last Supper the practice of this anti-imperial work ethic in the early church and the gift of prophecy as a symposium activity By seeing the Lord's Supper as a political act readers will be able to study Scriptural passages more closely and precisely
