Quiazon,2021-05-16 The question was never asked Only the brave dares to beckon for answers that will confront people to the very core of their beliefs But the question needs to be asked The answers must be explored At no other time in history when this one question becomes an all important inquiry What does it mean to be a Christian This book will attempt to give answers straight from the heart of someone who have witnessed the stark contrast of lives being lived up to its name and that of being lived oblivious to it It is the author s intent to bridge the gap in understanding what one has truly become the moment they are called a Christian Knowing Who You Are Malcolm J. Gill,2015-06-10 Throughout the history of the

church many excellent books have been written addressing the theological significance of Christian identity Such works have delineated important doctrines such as adoption justification and sanctification While these studies of being in Christ have been fruitful and numerous they have often neglected one of the most useful tools in understanding Christian identity namely the use of metaphor A search of Scripture reveals that Jesus and his apostles frequently utilized images from everyday life to illustrate spiritual truths about our identity In this fresh work **Knowing Who You Are** invites the reader to explore eight lesser known images of Christian identity found in the New Testament Among others the author investigates how being a Christian

is like being a boxer in ancient Corinth a citizen in Philippi a farmer in Galilee and a sheep in a flock This engaging assessment of first century images will draw the reader in and leave them challenged encouraged and often surprised as they discover afresh what it means to be Christian **Who Am I - Knowing Your Identity in Christ** Stephanie

Gonzalez,2021-06-23 Finding one s identity is not always an easy journey and many times it leads to heartbreak and confusion This world will always attempt to label and place a person into an identity box that limits a person s ability to live free Finding our identity in Christ and in everything He has done for us liberates us to fulfill the calling He has placed on each and every one of us When we find our identity in the One who never changes we find stability in life and a freedom to fulfill everything in life that we are called to do When we do not find our identity in Him we will be shaken and lost as life changes Finding our true identity should be one of our biggest goals in life Knowing who we are in Christ establishes a foundation for everything in our life to grow on 2 **Identity in Christ** Rev.
