Hal Lindsey And The Restoration Of The Jews:

Hal Lindsey & the Restoration of the Jews Steven Schlissel,1990 A Christian believer of Jewish heritage challenges the assumption of prophecy observer Hal Lindsey that the teaching of reconstructionist dominion theology proponents could unwittingly lead to another holocaust and disaster for Israel The Case for Zionism Thomas Ice,2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day **A Jewish Trinity** Alan Brill,2025 In A Jewish Trinity Alan Brill offers a Jewish understanding of six topics often discussed in contemporary Christian theology Trinity original sin incarnation salvation messianism and covenant Brill shows that contemporary Christian theology allows for greater commonality while remaining aware of differences "Not Afraid to Tell the Truth" Ken M. Schmidt,2011-07-22 This book was originally intended to be a 3 Volume set or Trilogy but has been shortened to a single volume and edited for publication as a single title Not afraid To Tell The Truth which could be subtitled Exposing the conspiracy of silence in the Last Days it is not a book about discipleship necessarily nor is it a book you could use as a guideline for counseling rather it is a book written with the intention of shedding light upon 13 contrasting themes running through the whole of Gods Word which the author believes have become confused by Western Christian wrong thinking preaching and practice in the last days of the Church age False teachers and heretical teachings have crept into the Church unawares bringing with it a form of captivity similar to the captivity of the nation Israel but with far graver consequences *Our Hands are Stained with Blood* Michael L. Brown, PhD,2019-09-17 Every Christian must read this shocking account of the Church s history The pages of church history are marked by countless horrors committed against the Jewish people From the first persecutions of the Jews in the fourth century to the horrors of the Holocaust from Israel bashing in today s press to anti Semitism spouted from the

When Bad Things Happen to Good Prophecies A. Bernhard Kuiper,2005-08 Is christ excited to return to earth for a 1000 years Does God still love Jacob Jews and still hate Esau Arabs This book deals with this subject and much more Jews and the Christian Imagination S. Haynes,1995-03-22 Reluctant Witnesses Jews and the Christian Imagination is an analysis of the ancient Christian myth that casts Jews as a witness people and this myth s presence in contemporary religious discourse

It treats diverse products of the Christian imagination including systematic theology works of fiction and popular writings on biblical prophecy The book demonstrates that the witness people myth which was first articulated by Augustine and which determined official attitudes towards Jews in medieval Christendom remains a powerful force in the Christian imagination

His Name Is Yeshua Leo Vanderploeg, 2025-03-31 In the West most of us Christians have grown up using names like Jesus Old Testament New Testament and the Law without realizing the real history behind these titles Did you know that the name Jesus is less than four hundred years old and has no meaning In what climate did this non Jewish name appear in church history Did you know that the Old New Testament division was created by a church heretic who hated the Old Testament We have also likely been raised with a subtle antisemitism beginning with Bible schools and seminaries that brush off the importance of the Hebrew language of studying the language for the layperson and the importance of names in the Bible Often there is a prejudice against rabbinic thinking and commentary of God's Word So if we have a library of books about the Scriptures we may have a disproportionate number of commentaries written by non Jews I've met enough pastors who only had one Jewish commentary if any As we are fed by very what I call Greekish thinking I've even met people who were upset to find out Jesus was a Jew and his real name was Yeshua Have you discovered that the New Testament though written in Greek is grounded in Hebrew thought Did we forget which people group gave us the Scriptures Many leaders of the church do not even know the place or role of the Jews in the end times as they believe they have no importance at all anymore Did this lack of knowledge have anything to do with the holocaust This book may be instrumental for today's church that it wakes up to some fundamental truths that we never knew or forgot May this book be a blessing to you Shalom Leo

Evangelical Millennialism in the Trans-Atlantic World, 1500-2000 C. Gribben, 2015-12-04 This book offers the first complete overview of the intellectual history of one of the most significant contemporary cultural trends the apocalyptic expectations of European and American evangelicals in an account that guides readers into the origins its evolution and its revolutionary potential in the modern world

Writing the Rapture Crawford Gribben, 2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting

some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature *End Time Delusions* Steve Wohlberg,2005-01-28 Will Christians vanish in a rapture Will seven years of apocalyptic terror overtake those left behind Will one future Mr Diabolical the antichrist rise to control the world Will he enter a rebuilt Jewish temple claiming to be God Will Earth s nations attack Israel at Armageddon Best selling books like Left Behind and popular apocalyptic movies predict such things Are they correct No area of Christianity has been subject to more misguided interpretation than end time prophecy Millions of Christians sense we are nearing Jesus Christ s return Yet when it comes to what the majority thinks will happen during Earth s last days and what the Bible actually says will occur the difference is seismic With clarity and biblical accuracy End Time Delusions exposes massive errors now flooding through media and in much of today s sensational prophecy writing This book closely examines tightly meshed yet speculative theories about the rapture seven year tribulation antichrist and the modern Jewish state This book is no novelty Buttressed with solid teachings from many of Christianity s most illustrious scholars it lets the Bible speak for itself about the past present and future **Christians and the Middle East Conflict** Paul Rowe,John Dyck,Jens Zimmermann,2014-06-20 Christians and the Middle East Conflict deals with the relationship of Christians and Christian theology to the various conflicts in the Middle East a topic that is often sensationalized but still insufficiently understood Political developments over the last two decades however have prompted observers to rediscover and examine the central role religious motivations play in shaping public discourses This book proceeds on the assumption that neither a focus on the eschatological nor a narrow understanding of the plight of Christians in the Middle East is sufficient Instead it is necessary to understand Christians in context and to explore the ways that Christian theology applies through the actions of Christians who have lived and continue to live through conflict in the region either as native inhabitants or interested foreign observers This volume addresses issues of concern to Christians from a theological perspective from the perspective of Christian responses to conflict throughout history and in reflection on the contemporary realities of Christians in the Middle East The essays in this volume combine contextual political and theological reflections written by both scholars and Christian activists and will be of interest to students and scholars of Politics Religion and Middle East Studies *The Puritan Millennium* Crawford Gribben,2008-07-01 Puritanism was an intensely eschatological movement From the beginnings of the movement Puritan writers developed eschatological interests in distinct contexts and often for conflicting purposes Their reformist agenda emphasized their eschatological hopes In a series of readings of texts by John Foxe James Usser George Gillespie John Rogers John Milton and John Bunyan this book provides an interdisciplinary exploration of Puritan thinking about the last things *The Bible, Jesus, and the Jews* Gabriel Monheim,2022-12-06 This concise and accessible theological study

examines what the Bible really says about the relationship between Jesus and the Jews In this fascinating analysis Bible scholar and Christian individualist Gabriel Monheim brings his learned and objective approach to his subject shedding light on both the word of God and its various interpretations Monheim puts biblical text in conversation with accepted religious doctrine and traditional teachings In clear textual argumentation he reveals that many denominations contain unbiblical and even antisemitic teachings in their theology concerning the people of Israel Zionism and the State of Israel The Rev Dr Michael Prior Cm, Michael Prior, 2005-08-12 Zionism and the State of Israel provides a topical and controversial analysis of the development of Zionism and the recent history and politics of Israel This thought provoking study examines the ways in which the Bible has been used to legitimize the implementation of the ideological and political programme of Zionism and the consequences this has had **Rushing Ahead to Armageddon** Christopher M. Jones, 2010 The world seems to be on the brink as tensions in the Middle East are escalating daily Russia is strengthening its ties with China North Korea Syria and Iran arming them with sophisticated military weaponry Russia is building up its armed forces returning to Cold War military tactics including reopening ports used by the former Soviet Union Tensions between Israel and Iran have never been higher with each nation poised to strike against the other in a moment s notice Iran s nuclear ambition is well documented and is becoming a menace on the International stage With Israel s very existence at stake a preemptive strike against Iran s Russian built nuclear facilities is not out of the realm of possibility A preemptive strike by Israel could provoke a retaliatory response by Russia and her allies It seems that in a moment s notice the events described in Ezekiel 38 39 could break out right before our eyes or is it For many years contemporary prophecy writers have been telling us that we are living in the last days and the Gog and Magog alliance is one sure sign that the Rapture and the Second Coming of Christ are near However there is strong biblical evidence that the candidate often identified as Gog Russia may not in fact be the candidate that Ezekiel was referring too Using the Bible as a guide we can figure out who this obscure person is instead of using today s newspapers With a long history of well documented failed predictions by contemporary prophecy writers maybe it s time that we begin to reevaluate today s popular interpretation of Ezekiel 38 39 in light of the Bible Author s Bio Christopher Jones is the church administrator for Faith Community Worship Center located in the San Francisco Bay Area where he also preaches part time

The Greening of Hebrews? Jeffrey S. Lamp, 2012-07-11 Applying an ecological hermeneutic developed in the Consultation on Ecological Hermeneutics of the Society of Biblical Literature and in conjunction with intertextual and theological hermeneutics Jeffrey Lamp creatively reads the Letter to the Hebrews from the perspective of Earth The author of Hebrews engages in an extended argument that reinterprets features of the old covenant in terms of the Son in order to demonstrate that the new covenant instituted by the Son is superior to the old In such an argument the voice of Earth is understandably absent The author of the letter is frequently understood as denigrating the temporal order of which the old covenant is a part while praising the eternal order of which the new covenant is a part An ecological reading of Hebrews demonstrates that

despite the rhetorical concerns of the author embedded in the argument are textual clues derived primarily from the christological affirmations of the argumentation connecting Hebrews with the larger biblical concern for the integrity and care of the created order The Second Coming John MacArthur,2006-01-09 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14 3 ESV Jesus Christ was very clear One day He will return and none of us knows when Vocal fanatics claim to know the details of the Second Coming causing many Christians to all but ignore the good news that Jesus is coming again Yet God s own Word commands us to know the signs of the times to remain watchful and to be ready whenever Christ comes This book is a straightforward in depth exploration of the key biblical texts regarding the Second Coming most notably Christ s longest and most important eschatological message the Olivet Discourse As you study what the Word of God says about these matters it will stir in your heart an earnest longing for Christ s return as well as a certainty about how to live expectantly until He comes again On the Other Side of Oddville Dwight Allan Moody,2006 With a compelling mixture of humor and insight Moody offers his reflection on religion and American life Standing at the intersection of the public and the private and speaking with authentic faith unfettered by fear Moody offers words of clarity and compassion about some of the more troublesome issues of our time Many readers will find this collection of newspaper columns most refreshing This book of short essays transports the reader into the realm of life s rhythms and every day surprises writes Bob Mong president and publisher of the Dallas Morning News in the preface Moody s stories are not soggy and sentimental There is fire and pathos intermingling naturally with passages of love forgiveness and tenderness Moving easily from the personal to the public Moody offers a word that needs to be heard at times powerful and prophetic but also pastoral often poignant and always with a view toward the common good Moody speaks to a broad range of topics books family church friends culture with titles like Did Jesus Know about Jabez One Hell of a Prayer Survival Guide for Orthodox Churches I m in the Jailhouse Now Autism and Easter and Howard Finster Man of Visions Moody describes candidly the joys and sorrows that have come his way and how the simple gifts of faith hope and love have served as sources of both endurance and delight Do not be surprised if these stories do not warm your soul even as they inform the mind
