

MIKE GUARDIA

# HAL MOORE

**A Soldier Once . . . And Always**

"An outstanding biography. . . Moore, one of America's most distinguished soldiers, granted Guardia numerous interviews and allowed him unrestricted access to his collected letters, documents, and never before published photographs to produce this first ever fully illustrated biography." —Armchair General

## **Hal Moore A Soldier Once And Always:**

*Hal Moore* Mike Guardia, 2013-11-05 The definitive biography of Harold G Moore hero of the Vietnam War and author of the bestselling memoir of the battle at Ia Drang Hal Moore one of the most admired American combat leaders of the last fifty years has until now been best known to the public for being portrayed by Mel Gibson in the movie *We Were Soldiers* In this first ever fully illustrated biography we finally learn the full story of one of America's true military heroes A 1945 graduate of West Point Moore's first combats occurred during the Korean War where he fought in the battles of Old Baldy T Bone and Pork Chop Hill At the beginning of the Vietnam War Moore commanded the 1st Battalion of the 7th Cavalry in the first full fledged battle between US and North Vietnamese regulars Drastically outnumbered and nearly overrun Moore led from the front and though losing seventy nine soldiers accounted for 1 200 of the enemy before the Communists withdrew This Battle of Ia Drang pioneered the use of air mobile infantry delivering troops into battle via helicopter which became the staple of US operations for the remainder of the war He later wrote of his experiences in the bestselling book *We Were Soldiers Once and Young* Following his tour in Vietnam he assumed command of the 7th Infantry Division forward stationed in South Korea and in 1971 he took command of the Army Training Center at Fort Ord California In this capacity he oversaw the US Army's transition from a conscript based to an all volunteer force He retired as a lieutenant general in 1977 Hal Moore graciously allowed the author interviews and granted full access to his files and collection of letters documents and never before published photographs

**The American Heroes Collection** Mike Guardia, 2018-09-25 Three stirring military portraits including a biography of the Vietnam War hero who wrote the New York Times bestseller *We Were Soldiers Once and Young* Hal Moore A heroic commander in the Vietnam War Harold G Moore cowrote the New York Times bestselling memoir of the battle at Ia Drang and was portrayed by Mel Gibson in the film *We Were Soldiers* This outstanding and definitive biography expands on the account of that pivotal battle to encompass Moore's distinguished military career from the Korean War through his courageous and invaluable service in Vietnam Armchair General Shadow Commander In World War II US Army legend Donald Blackburn escaped from Bataan along with Russell W Volckmann and organized the guerrilla fighters known as Blackburn's Headhunters against the Japanese He would go on to play a key role in the Vietnam War revitalizing Army Special Forces operations in Southeast Asia spearheading Operation White Star in Laos and eventually taking command of the highly classified Studies and Observations Group SOG Blackburn was also the architect of the infamous Son Tay Prison Raid officially termed Operation Ivory Coast the largest prisoner of war rescue mission of the Vietnam War A follow up to a fine bio of Russell Volckmann this tale of guerrilla warfare spans from Bataan to Vietnam World War II Magazine American Guerrilla Here is Russell Volckmann's own story from his refusal to surrender at Bataan to raising a Filipino army of more than twenty two thousand men and leading a guerrilla war against the Japanese for the next three years When General Yamashita finally surrendered he made his initial overtures not to General Douglas MacArthur but to Volckmann The

progenitor of modern counterinsurgency doctrine Volkmann wrote the field manuals that became the US Army's first handbooks outlining the precepts for both special warfare and counter guerrilla operations making him the true father of Army Special Forces Volckmann's private army waged arguably the most successful guerrilla campaign of the entire war Mr Guardia argues convincingly that Volckmann deserves the title of father of Special Forces The Washington Times US Air Cavalry Trooper vs North Vietnamese Soldier Chris McNab,2020-09-17 The tactics and technologies of modern air assault vertical deployment of troops by helicopter or similar means emerged properly during the 1950s in Korea and Algeria Yet it was during the Vietnam War that helicopter air assault truly came of age and by 1965 the United States had established fully airmobile battalions brigades and divisions including the 1st Cavalry Division Airmobile This division brought to Vietnam a revolutionary new speed and dexterity in battlefield tactics using massed helicopters to liberate its soldiers from traditional overland methods of combat manoeuvre However the communist troops adjusted their own thinking to handle airmobile assaults Specializing in ambush harassment infiltration attacks and small scale attrition the North Vietnamese operated with light logistics and a deep familiarity with the terrain They optimized their defensive tactics to make landing zones as hostile as possible for assaulting US troops and from 1966 worked to draw them into Hill Traps extensive kill zones specially prepared for defence in depth By the time the 1st Cavalry Division Airmobile withdrew from Vietnam in 1972 it had suffered more casualties than any other US Army division Featuring specially commissioned artwork archive photographs and full colour battle maps this study charts the evolution of US airmobile tactics pitted against North Vietnamese countermeasures The two sides are analysed in detail including training logistics weaponry and organization **The M3 "Grease Gun"** Leroy Thompson,2016-05-19 Influenced by the German MP 40 and the British Sten the 45 caliber M3 Grease Gun served as the primary US submachine gun for almost a half century Designed to replace the expensive Thompson SMG the M3 was issued to airborne troops and others during World War II thanks to its compact design with sliding wire stock An improved variant the M3A1 was favored by armored crews right up to the beginning of the 1990s seeing service in 1991's Operation Desert Storm In Korea and Vietnam reconnaissance troops and special operations forces were at times armed with the M3A1 also available in a suppressed version and it was the first SMG issued to the US counterterrorist unit Delta Force Featuring full color artwork first hand accounts and archive and close up photographs this is the engaging story of the M3 submachine gun

*Crusader* Mike Guardia,2018-07-31 The biography of US Army general Donn Starry creator of the AirLand Battle doctrine that led to victory in Operation Desert Storm Donn Starry one of the most influential commanders of the Vietnam War went on to become one of the intellectual giants who reshaped the US Army and throughout his career worked to improve training leadership and conditions for the men who served under him Starry was a leading advocate for tank warfare in Vietnam His recommendations helped shape the American armor position in Southeast Asia and paved the way for his success as commander of the 11th Armored Cavalry during the invasion of Cambodia As commander of Fort Knox and the US Army

Armor School in the 1970s Starry brought new advances to armor tactics training and strategy Most notably he created the new AirLand Battle doctrine which paved the way for a decisive US victory in the Gulf War Like most Vietnam era commanders Starry s legacy has been overshadowed by the controversy surrounding the war itself but few have had as much of an impact on modern maneuver warfare In this new biography of Gen Donn Starry armor officer Mike Guardia examines the life and work of this pioneering officer using extracts from interviews with veterans and family as well as from Starry s personal papers

**Shadow Commander** Mike Guardia,2015-11-24 The true story of the US Army legend who organized Blackburn s Headhunters against Japan in WWII and went on to initiate Special Forces operations in Vietnam The fires on Bataan burned on the evening of April 9 1942 illuminating the white flags of surrender against the dark sky Outnumbered and outgunned remnants of the American Philippine army surrendered to the forces of the Rising Sun Yet US Army Captain Donald D Blackburn refused to lay down his arms With future Special Forces legend Russell Volckmann Blackburn escaped to the jungles of North Luzon where they raised a private army of 22 000 men against the Japanese His organization of native tribes into guerrilla fighters would lead to the destruction of the enemy s naval base at Aparri But Blackburn s amazing accomplishments would not end with the victory in the Pacific He would go on to play a key role in initiating Army Special Forces operations in Southeast Asia spearheading Operation White Star in Laos as commander of the 77th Special Forces Group and eventually taking command of the highly classified Studies and Observations Group SOG charged with performing secret missions now that main force Communist incursions were on the rise In the wake of the CIA s disastrous Leaping Lena program in 1964 Blackburn revitalized the Special Operations campaign in South Vietnam Sending reconnaissance teams into Cambodia and North Vietnam he discovered the clandestine networks and supply nodes of the Ho Chi Minh Trail Taking the information directly to General Westmoreland Blackburn was authorized to conduct full scale operations against the NVA and Viet Cong in Laos and Cambodia In combats large and small the Communists realized they had met a master of insurgent tactics and he was on the US side Following his return to the US Blackburn was the architect of the infamous Son Tay Prison Raid officially termed Operation Ivory Coast the largest prisoner of war rescue mission and indeed the largest Army Special Forces operation of the Vietnam War During a period when US troops in Southeast Asia faced guerrilla armies on every side America had a superb covert commander of its own This book follows Blackburn through both his youthful days of desperate combat and his time as a commander imparting his lessons to the new ranks of Army Special Forces

*Soldiers Once and Still* Alex Vernon,2007-08-15 As the world enters a new century as it embarks on new wars and sees new developments in the waging of war reconsiderations of the last century s legacy of warfare are necessary to our understanding of the current world order In *Soldiers Once and Still* Alex Vernon looks back through the twentieth century in order to confront issues of self and community in veterans literature exploring how war and the military have shaped the identities of Ernest Hemingway James Salter and Tim O Brien three of the twentieth century s most respected authors Vernon specifically

explores the various ways war and the military through both cultural and personal experience have affected social and gender identities and dynamics in each author's work Hemingway Salter and O'Brien form the core of *Soldiers Once and Still* because each represents a different warring generation of twentieth century America World War I with Hemingway World War II and Korea with Salter and Vietnam with O'Brien Each author also represents a different literary voice of the twentieth century from modern to mid century to postmodern and each presents a different battlefield experience Hemingway as noncombatant Salter as air force fighter pilot and O'Brien as army grunt War's pervasive influence on the individual means that for veterans turned writers like Hemingway Salter and O'Brien the war experience infiltrates their entire body of writing their works can be seen not only as war literature but also as veterans literature As such their entire postwar oeuvre regardless of whether an individual work explicitly addresses the war or the military is open to Vernon's exploration of war society gender and literary history Vernon's own experiences as a soldier a veteran a writer and a critic inform this enlightening critique of American literature offering students and scholars of American literature and war studies an invaluable tool for understanding war's effects on the veteran writer and his society **Nam: The Lost Conflict Film**

**Guide** Terry Rowan, 2012-01-23 The most divisive war in modern US history escalated without ever even being declared In August of 1964 Congress ceded its authority to declare war by passing the Gulf of Tonkin Resolution A comprehensive Film Guide to Motion Pictures and Television that pertain to the War in Vietnam Through the eyes of Hollywood some insight facts and stories about this lost conflict Many of the feature films include information that makes this guide different from others A to Z Film Guide **Proceedings of the ... Annual Convention of the Veterans of Foreign Wars of the United States**

**(summary of Minutes).** Veterans of Foreign Wars of the United States. Annual Convention, 2006 *A Companion to American Military History* James C. Bradford, 2009-11-03 With more than 60 essays *A Companion to American Military History* presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present Covers the entire spectrum of US history from the Indian and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music military ethics care of the dead and sports Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and identifies areas where conflicting interpretations are in need of further study **The American War in Viet Nam** Susan Lyn

Eastman, 2024-01-12 We have been waiting for a book on war and memory about the American War in Vietnam both about the Americans and the Vietnamese in the new century of the Desert Wars of Afghanistan and Iraq Susan Lyn Eastman has fulfilled that expectation and she has done so with a study impressive in its range of topical issues texts and commentary Philip D Beidler Margaret and William Going Professor of English University of Alabama After more than four decades the Viet Nam War continues to haunt our national memory culture politics and military actions In this probing interdisciplinary

study Susan Lyn Eastman examines a range of cultural productions from memorials and poetry to cinematic and fictional narratives that have tried to grapple with the psychic afterlife of traumatic violence resulting from the ill fated conflict in Southeast Asia Underpinning the book is the notion of prosthetic memory which involves memories acquired by those with no direct experience of the war such as readers and filmgoers Prosthetic memories Eastman argues refuse to relegate the war to the forgotten past and challenge the authenticity of experience thus ensuring its continued relevance to debates over America's self conception specifically her coinage of the New Vietnam Syndrome and the country's role in world affairs when it comes to contemporary military interventions With the notable exception of the Veterans Memorial in Washington Eastman's focus is on works produced from the Persian Gulf War 1990-91 through the post 9/11 War on Terror She looks not only at American representations of the war from movies like Randall Wallace's *We Were Soldiers* to poems by W.D. Ehrhart Yusef Komunyakaa and others but also at novels by Vietnamese authors Bao Ninh and Huong Thu Duong The experiences of women figure prominently in the book Eastman devotes a chapter to the Vietnam Women's Memorial and another to Sandie Frazier's novel *I Married Vietnam* and Oliver Stone's film *Heaven and Earth* based on memoirs by Le Ly Hayslip And by examining Jessica Hagedorn's *Dream Jungle* a novel inspired by the filming of *Apocalypse Now* she considers how the war's repercussions were felt in other countries in this case the Philippines Her investigation of Vietnamese American authors Lan Cao Andrew Lam and GB Tran adds a transnational dimension to the study SUSAN LYN EASTMAN teaches in the Department of English at the University of Tennessee at Chattanooga

**Where the Domino Fell** James S. Olson, Randy W. Roberts, 2013-09-25 This updated expanded edition of *Where the Domino Fell* recounts the history of American involvement in Vietnam from the end of World War II clarifying the political aims military strategy and social and economic factors that contributed to the participants' actions Revised and updated to include an examination of Vietnam through the point of view of the soldiers themselves and brings the story up to the present day through a look at how the war has been memorialized A final chapter examines Vietnam through the lens of Oliver Stone's films and opens up a discussion of the War in popular culture Written with brevity and clarity this concise narrative history of the Vietnam conflict is an ideal student text A chronology glossary and a bibliography all serve as helpful reference points for students An important contribution not only to the study of the Vietnam War but to an understanding of the larger workings of American foreign policy

**Hymns for the Fallen** Todd Decker, 2017-02-28 This book describes in detail how music and sound function as a constituent part of the prestige combat film's larger work of memorialization in the cultural realm of commercial cinema As Rikke Schubart and Anne Gjelsvik note historians must deal with the complexity of history war heroism patriotism memory and the process of their representation *Hymns for the Fallen* traces an expressive sonic continuity in this process of representation for serious war films The three elements of the soundtrack dialogue sound effects music are treated in detail in the chapters which follow although music proves to be of particular interest Site de l'auteur

**Gunny's Rules** R. Lee Ermey, 2013-10-28 Put

down your sissy drink with its umbrella get off your backside and square yourself away Get fit get a job and get yourself some self respect America s favorite most in your face sarge is going to show you how to get squared away like a Marine R Lee Gunny Erney of The History Channel s Mail Call takes time out from telling viewers all about military technology to tell readers all about life Men today are facing a crisis of emasculation Gunny is here to tell you how to fight back and save your dignity by taking control of your own damn life First he teaches you how to get fit stay fit and defend yourself Then he teaches you how to conduct yourself the way real men do with assertiveness but also with wisdom and courtesy Finally Gunny motivates you to use your new fitness and new attitude to live life like a man of honor to work hard reach for high goals and set an example with your life Gunny s Rules is the ultimate guide for anyone who wants to live life like one of the toughest of the tough like a Marine **The American Legion** ,2002 **Congressional Record** United States.

Congress,1959 The American Legion Magazine ,2002 The East Tennessee Veterans Memorial John Romeiser,Jack H. McCall,2024-01-12 At the northern edge of the World s Fair Park in Knoxville Tennessee a striking set of thirty two granite pylons stands as a monument to the tradition of military service in East Tennessee The East Tennessee Veterans Memorial explores the creation and significance of this commemorative monument providing a window into the lives and courageous actions of the more than 6 200 men and women whose names are inscribed on the sobering markers In this book author John Romeiser with the assistance of Jack McCall showcases the stories of over 300 service members and their families documented with public records obituaries and family recollections In these pages readers will find the accounts of each of East Tennessee s 14 Medal of Honor recipients along with tales of a variety of other veterans from World War I to the present people whose lives and deaths together form a microcosm of the armed forces Richly illustrated with historical photographs this ambitious undertaking delivers not only a compelling history of individual lives but also a broader sense of military history in the region and a contribution to the scholarship on the value of monuments as a means to honor the past
