Half Empty Full Abderrahmane Dakir:

Half Empty Or Half Full Abderrahmane Dakir, 2015-12-02 I have tasted the roots of this strange feeling and I have gotten rid of the emptiness That was an emotion which used to guide me through my life as I attempted to fill myself with happiness but no more The truth of my happiness that I had been looking for I have realized is something created within me whether through sharing or giving something to someone or not In the end I haven't found emptiness in my soul and I'm sure that it neither exists in space nor in my soul as well Now my heart is filled with a great joy based on helping others and my soul is ecstatically elated when all my thoughts body and mind are giving deliberately to fill other hearts and souls
