Halfway Up The Mountain Mariana Caplan, 2014-03-04 Caplan TO TOUCH IS TO LIVE asserts that the reality of the present condition of contemporary spirituality in the West is one of grave distortion confusion fraud and a fundamental lack of education She claims that as positive as the tremendous rise in spirituality is there is not any context for determining whether any particular teaching or teacher is truly enlightening Caplan compiles interviews with such noted spiritual masters as Joan Halifax Llewellyn Vaughan Lee and Rabbi Zalman Schachter Shalomi on the nature of enlightenment In the first section Caplan examines the motivations people have for seeking enlightenment and contends that very often they seek this state as a means of gratifying the ego This presumption of enlightenment she says often afflicts teachers masquerading as spiritual leaders These teachers sometimes look down on their students and gloat over how far they have come and how far the students have to go A second section focuses on The Dangers of Mystical Experience in which Caplan claims that many seekers mistake the mystical experience itself for enlightenment she and the teachers she interviews all assert that enlightenment always involves gaining some knowledge about self and others The third section Corruption and Consequence focuses on the nature of power and corruption the fourth section Navigating the Mine Field Preventing Dangers on the Path provides a survey of the ways in which practitioners can avoid the pitfalls of false enlightenment A final section Disillusionment Humility and the Beginning of Spiritual Life concludes that the Real spiritual life is the life of total annihilation and the return to just what is Caplan s illuminating book calls into question the motives of the spiritual snake handlers of the modern age and urges seekers to pay the price of traveling the hard road to true enlightenment Halfway Up the Mountain Martha Smock, 1971-01-01 **The Four Magical Powers** Salyka Sally Phanthip, 2013-03-20 When my nieces and nephews were younger they used to ask me to read them a bed time story and when the book had ended they still wanted more so I would make up some stories of my own and they would be in the stories of course When they heard their names in the stories their little faces lit up like Christmas trees and when I saw their little faces smiling I knew that someday I would be writing my own book So if it were not for my nieces and nephews I probably never would have written this book and also I wanted to leave behind a special gift for all my nieces and nephews Since I do not have any children of my own I am truly blessed to have all of them in my life They are my inspiration and my muses So if you like to read fantasy or action and adventure stories or watch sci fi movies with heroes heroines monsters and mystical creatures you will love The Four Magical Powers In this book you will encounter a treacherous three horned creature a jealous King an evil wizard and a battle between families You will meet four gifted girls a courageous family and some friendly elves You will travel into an unknown forest filled with unique creatures and not so unique climb the dangerous mountain overcome many obstacles and along the way you will also make many loyal friends and some not so loyal And we will see a great struggle between the powers of Light and the powers of Darkness So are you ready to enter into the journey of enchantment Meet some

Uncle Bob's Farm Steve

Ayersman, 2024-03-02 Hank Sharp lived a simple life in West Virginia. That was until one day in January of 2018, Hank got a letter that would change his life forever. His Uncle Bob, whom he hardly knew, had died and left him a ranch and cattle business in the West Virginia Mountains. This was great news, so Hank thought. He soon found out his uncle was studying the supernatural. Uncle Bob believed he had discovered another world next to ours. This is called Mirror World. Uncle Bob thought this world held the secrets to Bigfoot, Mothman, aliens, UFOs, and other things. Besides investigating his uncle's suicide, Hank and his friend Francisco will pick up his uncle's supernatural studies. There is one problem: Aliens are trying to stop him. They are doing everything in their power to stop Hank from entering Mirror World. Follow Hank and Francisco while they journey around the world in a quest to enter Mirror World. *The Star at the End of the River* Paul Vincent, 2011-04-20 From an early age, author Paul Vincent has looked forward with joyful anticipation to sunsets and oncoming darkness, an attitude that appears to be counter to the scriptural counsels of his own faith community. In *The Star at the End of the River*, Vincent shares his important life experiences in order to describe a transformative spirituality of the night. Bringing to bear his forty years' experience as an amateur astronomer, the author shows how sustained night sky observation enhances the human receptivity to transcendent departure. Of the many treasures of the heavens, Vincent finds particular solace in a star he has never seen, which for that very reason he regards as the most apt symbol of the human hope for eternal joy. *The Star at the End of the River* proposes a new kind of spiritual journey, an ascent not of a mountain as in the traditional imagery, but of an inclined plane. Vincent invites his readers to become contemplatives of the ordinary and to discover the mystical power of such commonplace objects and occurrences as road signs, supermarket aisles, interior stairways, gooseflesh, and penmanship.
