**The Fast Track to Your General Class Ham Radio License** Michael Burnette, 2019-05-08 This is the edition to purchase if you plan to take your General Exam after July 1 2019 If your plan is to take it before then please see the earlier edition of this program under the same title Everything you need to prepare for your General Class ham license Covers every question on the General exam Memorizing 400 random answers is hard and boring Learning is easy If you ve made the decision to open up your ham radio world by going for the General Class License great General is certainly more challenging than Technician but The Fast Track to Your General Class Ham Radio License explains the reasoning and technology behind each correct answer on the General Class exam so you ll understand and remember the subject matter Created by an experienced ham and adult educator it s like having your own patient experienced good humored mentor for the exam To get your General Class license you must pass a multiple choice test The General license test consists of 35 questions drawn from a pool of 462 Memorizing the answers to 462 disconnected questions is difficult but The Fast Track makes getting your upgrade easier by explaining the logic behind each correct answer It s simple When you understand the material and you have a context for the material you remember the answers and pass the test Best of all once you ve passed your exam you ll have a solid grounding in ham radio basics Includes every possible question and every answer Correct answers clearly marked in bold Precise instructions for how to locate a testing session how to prepare and even what to bring and what not to bring to the test All technical topics explained in clear plain language often with illustrations Step by step instructions to solve all the math problems Test taking strategies Hints to easily solve many questions and avoid the traps in the test Written in learning order not just the confusing order of the official question bank Covers questions that will be used until June 30 2019 Over 300 pages packed with information Rave reviews for The Fast Track To Your Technician Class Ham Radio License This is a great book So many of the study guides are just question dumps and it s a horrible way to learn at least for me I need an explanation and something to keep my interest and Mr Burnette s book fit the bill perfectly I echo all the sentiments

of the other reviewers the author is a top notch communicator Michael Burnette's ham radio exam prep book is the most useful and comprehensive book that I have found on this subject and makes getting ready for this exam not only easy but fun I have learned so much since studying this guide and feel ready to take this exam at a moment's notice The guide has a wealth of information not only on the questions and answers but on the exam itself that is sure to put any test taker's mind at ease The Audible copy was GREAT because Michael Burnette is an exciting and entertaining and memorable guide Thank you Thank you a thousand times over I bought your book in order to study for my tech license Kindle version and the audiobook and I loved them I originally bought s CD s and they confused me I bought yours and it made learning simple and enjoyable I did this to surprise my husband of 30 years who has had a license since the early parts of our marriage He has asked me off and on to consider getting a license and I kept saying no Well with the help of your book and audiobook I was able to blow his doors off and pass my technician exam first try Now if you only had volumes for general and expert the world would be perfect Seriously thanks again

**A Complete Study Guide for Technician, General, Extra Class Ham Radio Exams, and the Volunteer Examiner's Test** Joseph Lumpkin, 2012 Technician Class pool valid until June 30 2018 General Class pool valid until June 30 2015 Extra Class pool valid until June 30 2016 Don't think of a black cat Don't think of a black cat Do not think of a black cat The brain does not process negatives very well It takes in information first and then later attempts to filter out false data To expose someone to incorrect answers on a test is to place fraudulent information in memory and then say to the brain Don't remember these answers It is for this reason the only answers you will encounter in this book are the correct ones For those who wish to memorize only the answers there are no formulas needed no math no electronics or theories to learn This manual contains the answers to all possible questions in all tests from Technician Class General Class and Extra Class license tests In addition the manual also provides the answers to the Volunteer Examiner's test However many people want to know why and many need a framework on which to relate the answers That is why this book is arranged so that theories formulas rules and regulations are explained in separate chapters General theories and concepts of electronics and antenna design along with FCC regulations are presented to the reader Formulas explanations and diagrams from various sources give the reader all the information needed to pass the licensing tests all in one book This is a two pronged approach You chose the path that is best for you
