Griffin,1995-11-01 A Philadelphia narcotics cop is shot dead in his home A bar owner s wife and partner are gunned down during an attempted robbery And in a beautiful mansion a young woman dies of a heroin overdose At first the crimes seem unconnected But these four deaths are about to trigger a massive convergence of corruption cops and the mob that could tear the Philadelphia Police Department apart from the inside out All the way to the top **The Last Heroes** W.E.B. Griffin,1998-09-01 June 1941 Determined that the United States will be prepared for war Franklin D Roosevelt and Wild Bill Donovan orchestrate the most complex espionage organization in history the Office of Strategic Services Young and daring the OSS assemble under a thin camouflage of diplomacy and then disperse throughout the world to conduct their operations And no operation is more critical than the one being conducted by hotshot pilot Richard Canidy and his half German friend Eric Fulmar to secure the rare ore that will power a top secret weapon coveted on both sides of the Atlantic the atomic bomb

Griffin,1986-10-15 It was more than an incident It was a deadly assault across the 38th parallel It was the Korean War In the fear and frenzy of battle those who had served with heroism before were called again by America to man the trenches and sandbag bunkers From Pusan to the Yalu they drove forward with commands too new and tanks too old brothers in war bonded together in battle as they had never been in peace **Soldier Spies** W.E.B. Soviet Union are on the brink of nuclear war At a top secret research facility at Kavaznya Sibera the Soviets have developed a ground based laser weapon capable of shooting down American satellites and they are betting that the American president doesn't have the guts to risk starting a nuclear exchange But at a top secret flight test site in the Nevada desert called Dreamland a team of test pilots and engineers have created the Megafortress a venerable B 52 Stratofortress strategic bombers modified with stealth technology computers digital avionics state of the art weaponry and performance enhancing features that makes it unlike any B 52 bomber or any other warplane ever flown Now it's time to flight test the Megafortress and the Air Force assembles the best pilots bombardiers and navigators to see what this creation can do One of them is Captain Patrick McLanahan considered the best B 52 bombardier in the Air Force The others on the crew are hard charging pilots and world class engineers and McLanahan is nothing like them But the team leader and aircraft commander Lt General Brad Elliott can see that McLanahan is a quiet professional and a natural born leader Soviet spies soon discover the Megafortress and they recognize that a fleet of these advanced planes can practically neutralize all of the Soviet Union's air defenses Back channel negotiations begin and the U S is willing to mothball the Megafortress if the Soviets mothball the Kavaznya laser That is completely unacceptable to the Soviet leader and he hatches a daring plan to deal with the Megafortress while keeping his devastating laser weapon Just prior to a live fire flight test a team of Russian commandos invade Dreamland with the goal of stealing the Megafortress or destroying it The crew just barely manages to escape The American president orders the top secret aircraft back to Dreamland but Brad Elliott and the vice president hatch a daring plan of their own use the Megafortress to penetrate the Soviet Union's stiff air defenses and destroy the Kavaznya laser Thus begins the aerial cat and mouse game across ten thousand miles and wave after wave of the Soviet Union's most advanced air defenses and fighter interceptors which are all on full alert Most of the Megafortress's crew have no military training They have supplies for only a few hours and are outfitted for the deserts of southern Nevada not the frigid steppes of Siberia They have flown the Megafortress only a few times and only in carefully scripted test flights With Brad Elliott at the controls Patrick McLanahan realizes that it's up to him to organize and get the rest of the crew ready for the fight of their lives
