

Handbook of Rural Development

Edited by Gary Paul Green

Handbook Of Rural Development Elgar Original Reference

Jessica J Manson

Handbook Of Rural Development Elgar Original Reference:

Handbook of Rural Development Gary P. Green, 2014 This comprehensive book deals with key issues of rural development the authors address emergent issues of policy structure and agency in complex and contrasting settings Many of the chapters are written by scholars who are well known in their areas of expertise and younger scholars contribute in new areas of rural development concerns the research and analysis presented makes clear that rural is more than agriculture although in some regions it is still a driver By looking at the twin issues of conservation and development in the context of complex social relations this Handbook is a must for both scholars and practitioners of development By including key articles that address emerging rural development issues in Latin America Africa and Asia the volume integrates global structures and local responses in a coherent and engaging manner Cornelia Flora Iowa State University US *Handbook of Research on Urban Governance and Management in the Developing World* Mugambwa, Joshua, Katusiimeh, Mesharch W., 2018-05-09 With the emphasis on market led development initiatives sustainable urbanization is a challenge especially in growing nations Regional administrative efforts are crucial for cities to meet the planned city operations and specific targets and objectives The Handbook of Research on Urban Governance and Management in the Developing World is a research publication that explores contemporary issues in regional political and administrative practices and key challenges in implementing these strategies in growing nations Featuring coverage on a wide range of topics such as urban and regional economics supply chain management and environmental concerns this book is geared toward city development planners policy makers researchers academics and students seeking current and relevant research on the regional bureaucracy and its practices and how they affect growing nations The Routledge Companion to Rural Planning Mark Scott, Nick Gallent, Menelaos Gkartzios, 2019-01-15 The Routledge Companion to Rural Planning provides a critical account and state of the art review of rural planning in the early years of the twenty first century Looking across different international experiences from Europe North America and Australasia to the transition and emerging economies including BRIC and former communist states it aims to develop new conceptual propositions and theoretical insights supported by detailed case studies and reviews of available data The Companion gives coverage to emerging topics in the field and seeks to position rural planning in the broader context of global challenges climate change the loss of biodiversity food and energy security and low carbon futures It also looks at old established questions in new ways at social and spatial justice place shaping economic development and environmental and landscape management Planning in the twenty first century must grapple not only with the challenges presented by cities and urban concentration but also grasp the opportunities and understand the risks arising from rural change and restructuring Rural areas are diverse and dynamic This Companion attempts to capture and analyse at least some of this diversity fostering a dialogue on likely and possible rural futures between a global community of rural planning researchers Primarily intended for scholars and graduate students across a range of disciplines such as planning rural

geography rural sociology agricultural studies development studies environmental studies and countryside management this book will prove to be an invaluable and up to date resource

Regional Development in Rural Areas André Torre,Frédéric Wallet,2016-05-14 This book intends to provide analytical and policy tools for investigating the question of the development of rural and peri urban areas The aim is to shed some light on this topic and in particular to contribute to a better understanding of the link between issues of regional or territorial development and issues of rural development The text addresses the question of the disputed notions and definitions of rural development in rural and regional studies examines the literature of regional and territorial development and the policies of regional development and planning It also presents scenarios for the future of rural areas with a focus on European territories

Religion and Development in the Asia-Pacific Matthew Clarke,Anna Halafoff,2016-08-25 Community development is most effective and efficient when it is situated and led at the local level and considers the social behaviours needs and worldviews of local communities With more than eight out of ten people globally self reporting religious belief Religion and Development in the Asia Pacific Sacred places as development spaces argues that the role and impact of religions on community development needs to be better understood It also calls for greater attention to be given to the role of sacred places as sites for development activities and for a deeper appreciation of the way in which sacred stories and teachings inspire people to work for the benefit of others in particular locations The book considers theories of place as a component of successful development interventions and expands this analysis to consider the specific role that sacred places buildings and social networks have in planning implementing and promoting sustainable development A series of case studies examine various sacred places as sites for development activities These case studies include Christian churches and disaster relief in Vanuatu Muslim shrines and welfare provision in Pakistan a women s Buddhist monastery in Thailand advancing gender equity a Jewish aid organisation providing language training to Muslim Women in Australia and Hawaiian sacred sites located within a holistic retreat centre committed to ecological sustainability Religion and Development in the Asia Pacific demonstrates the important role that sacred spaces can play in development interventions covering diverse major world religions interfaith and spiritual contexts and as such will be of considerable interest for postgraduate students and researchers in development studies religious studies sociology of religion and geography

Rural development Kristof Van Assche,Anna-Katharina Hornidge,2023-09-04 This book offers a unique perspective on rural development by discussing the most influential perspectives and rendering their risks and benefits visible The authors do not present a silver bullet Rather they give students researchers community leaders politicians concerned citizens and development organizations the conceptual tools to understand how things are organized now which development path has already been taken and how things could possibly move in a different direction Van Assche and Hornidge pay special attention to the different roles of knowledge in rural development both expert knowledge in various guises and local knowledge Crafting development strategies requires understanding how new knowledge can fit in and work

out in governance Drawing on experiences in five continents the authors develop a theoretical framework which elucidates how modes of governance and rural development are inextricably tied A community is much better placed to choose direction when it understands these ties The Rural Enterprise Economy Birgit Leick,Susanne Gretzinger,Teemu

Makkonen,2021-10-27 Enterprises located in rural regions face various challenges in the globalised and digitised world This book offers comprehensive answers to the question of what makes up the rural enterprise economy in the contemporary business world It addresses the competitiveness and viability strategic management and strategic change and marketing issues for both incumbent and start up companies in rural regions The book presents new concepts that shed light on the rural enterprise economy with its entrepreneurs With a broad range of cases from European regions the book provides theoretical insights for scholars practical case based evidence for lecturers and teachers and practical knowledge for business practitioners and planning specialists Academic experts from European universities and research institutes provide compelling answers to this under researched topic in business studies and economics **The Routledge Handbook of**

Second Home Tourism and Mobilities C. Michael Hall,Dieter Müller,2018-04-17 Second homes have become an increasingly important component of both tourism and housing studies They can directly and indirectly contribute a significant number of domestic and international visitors to destinations and may be part of longer term retirement lifestyle and amenity migration that can have significant economic and social effects on communities and destination development This volume offers an overview of different disciplinary and methodological approaches to second homes while simultaneously providing a broad geographical reach Divided into four parts exploring governance development community and mobile second homes the book provides a contemporary account of the major issues in an area of growing international interest This timely handbook covers a wide range of dimensions from planning to the role of second homes in development and the management of their impact The international and cross disciplinary nature of the contributions will be of interest to numerous academic fields in the social sciences as well as urban and regional planners *Routledge Handbook of*

Indigenous Wellbeing Christopher Fleming,Matthew Manning,2019-04-18 The Routledge Handbook of Indigenous Wellbeing consists of five themes namely physical social and emotional economic cultural and spiritual and subjective wellbeing It fills a substantial gap in the current literature on the wellbeing of Indigenous people and communities around the world This handbook sheds new light on understanding Indigenous wellbeing and its determinants and aids in the development and implementation of more appropriate policies as better evidence informed policymaking will lead to better outcomes for Indigenous populations This book provides a reliable and convenient source of information for policymakers academics and students and allows readers to make informed decisions regarding the wellbeing of Indigenous populations It is also a useful resource for non government organizations to gain insight into relevant global factors for the development of stronger and more effective international policies to improve the lives of Indigenous communities **The Handbook of Research on**

Entrepreneurship in Agriculture and Rural Development Gry Agnete Alsos, S. Carter, E. Ljunggren, 2011-01-01 The agriculture sector around the world has experienced profound changes in recent years This unique and path breaking Handbook draws together the best current research in the area of entrepreneurship in agriculture food production and rural development Agriculture policy reforms have impacted farm incomes while demand side changes have required the development of sophisticated market driven strategies Farmers have demonstrated uneven abilities to adapt and adjust to these ongoing changes The ability and propensity of farmers to engage in entrepreneurial behaviors is a key explanation of the different patterns of responses within the sector This book examines these issues through three main themes The first theme focuses on the firm and the individual entrepreneurs exploring entrepreneurship within the farm sector The second takes a sector and industry perspective exploring new developments in food production and distribution systems The third theme explores the inter relationship between agricultural entrepreneurship and its spatial context Contributions are drawn from international research settings Scandinavia Europe Asia North America Australasia and offer an interdisciplinary approach to the subject This astute Handbook which will challenge and enrich the current literature will appeal to academics in entrepreneurship small business studies agriculture rural studies rural sociology and agricultural economics as well as food industry economists policymakers and all those interested in supporting agricultural and rural businesses Innovative behavior in entrepreneurship: Analyzing new perspectives and challenges Jose Ramon Saura, Daniel Palacios-Marqués, Marisol B. Correia, Belem Barbosa, 2023-06-21 The Law of Development Cooperation Philipp Dann, 2013-11-07 This comparative study of rules governing development assistance asks how accountability human rights and sovereignty are preserved while combating poverty **Genetically Modified Crops and Agricultural Development** Martin Qaim, 2016-04-29 This book analyzes the impacts of current and possible future GM crop applications and shows that these technologies can contribute substantially to sustainable agricultural development and food security Handbook on Development Policy and Management Colin H. Kirkpatrick, Ron Clarke, Charles Polidano, 2002-01-01 this is a book one would expect to find in all libraries and on all development studies reading lists John Hailey Journal of International Development the Handbook is a unique reference tool on international development policy and management Its format both comprehensive in coverage and concise in content will make it essential reading for the growing number of postgraduates studying development policy and management as well as for public administration foreign consultants and aid workers in low and middle income countries Andrew Nickson Public Administration This Handbook will surely prove to be an essential to the students practitioners and others concerned with improvement of human condition in developing countries Pundarik Mukhopadhyaya The Singapore Economic Review this Handbook offers a significant remedy to the scarcity of material in this important area It is certainly very near the top of this reviewer s list of recommended reading for students researchers and practitioners concerned with development policy Michael Tribe Development Policy Review the Handbook offers an excellent

one volume survey of modern development policy and practice in poor countries Tony Jackson The Journal of the Institution of Economic Development This comprehensive collection contains an excellent introduction to all the major issues of development policy Frances Stewart Queen Elizabeth House University of Oxford UK This important Handbook on international development policy and management covers a broad spectrum of contemporary topics across all the major areas of interest With over 40 chapters the book comprehensively explores the many themes and issues of significance for both policy and implementation and provides easily accessible reference material on current practice and research The 42 contributors come from a diverse range of backgrounds and enjoy international reputations in their chosen fields The Handbook is organised in two parts one dealing with policy issues and the other with implementation and management issues The first part on policy covers a wide range of economic social and environmental topics The second part explores the political context of implementation and development practice and goes on to cover a range of issues relating to management in the public and non state sectors and the management of development projects Each individual chapter provides background information on theory and practice describes the current state of play examines prospects for the future and includes an annotated guide to further reading This extensive handbook will become an essential reference on international development policy and management Although primarily designed for postgraduate students and scholars of development studies it will also be welcomed by development practitioners NGOs and aid agencies At Risk of Deprivation Jonas Bergmann, 2023-10-19 This open access book examines how and why various forms of climate im mobilities can impact people s objective and subjective well being Worsening climate impacts are forcing subsistence farmers worldwide to decide between staying or leaving their homes This mixed methods study analyzes cases of climate related migration displacement relocation and immobility in Peru s coastal highland and rainforest regions The results reveal that numerous farmers experienced profound and often negative well being impacts regardless of whether they stayed or migrated The higher the structural constraints such as weak governance and the more damaging the climate impacts were the higher the risk of well being declines Additionally the affected individuals often had limited agency and ability to mitigate losses These findings challenge the notion of migration as adaptation and emphasize the importance of safeguarding the human rights and security of those affected while addressing loss and damage Without significant investments in such efforts climate impacts could sharply diminish the well being of numerous subsistence farmers worldwide irrespective of whether they stay or migrate

Global Partnerships and Neocolonialism Aram Ziai, Praveen Jha, Jule Lümme, 2025-06-20 This open access book points at some of the problematic aspects of international partnerships that continue to be shaped by colonialism A global partnership for sustainable development is the 17th of the Sustainable Development Goals SDGs However research points to shortcomings and problematic aspects of international partnerships that have been shaped by colonialism and continue to reflect unequal power relations between the global North and South Hence the chapters of this edited volume explore how

global partnerships can be established in a neocolonial environment in the fields of development cooperation the global economy and knowledge production The contributions were written by members of the Global Partnership Network GPN one of the Centres of Excellence for Exchange and Development funded by the German Ministry for Development Cooperation which has been working intensively and critically on the topic of partnerships and North South relations over the past four years

Poland in the Single Market Anna Visvizi, Anna Matysek-Jędrych, Katarzyna Mroczek-Dąbrowska, 2020-10-21 By all accounts the case of Poland and its segue to market economy and democracy is a success story 30 years of uninterrupted growth and development infrastructure expansion and modernization of the economy and society Epochal changes have unfolded in a timespan of merely three decades Change has taken place so fast that children born in late 1980s and onwards cannot remember what life in Poland under communism was like and cannot relate to it Also many elderly people easy victims of romanticizing their own youth tend to forget As a result the uniqueness of Polish transition and transformation the boldness and efficiency of reforms and the success that Polish society mastered together tend to be undermined today both domestically and internationally Poland has now been a member of the EU for more than 15 years During that time Poland's image on the EU scene evolved from newcomer through model child champion of growth to in some respects a maverick This volume's objective is to remind society old and young researchers scholars and practitioners that Poland's success is an outcome of well thought out and bold structural reforms implemented in a swift and timely manner of society's support for these reforms and of third actors benign assistance Looking back on the 30 years since the collapse of communism and at the over 15 years of EU membership this book offers an interdisciplinary comprehensive and critical insight into factors and processes that have led to today's Poland

Changing Perspectives on the Social Sciences in Ghana Samuel Agyei-Mensah, Joseph Atsu Ayee, Abena D. Oduro, 2014-05-08 This book is the first compilation of its kind that brings together discussions of the evolution of scholarship in different branches of the Social Sciences It presents a comprehensive multidisciplinary text exploring the changing dynamics of the Social Sciences in Ghana offering a broader perspective from which to view the evolution theory methods substance and relevance of each of the Social Science disciplines and their multiple interfaces The introduction and the conclusion are devoted to the theoretical comparative and empirical debate over the Social Sciences from historical and analytical perspectives Written by acknowledged experts the 15 chapters span the following disciplines Archaeology and Heritage Studies History Geography Psychology Sociology and Anthropology Social Work Economics Political Science International Affairs Information Studies Communication Studies African Studies Development Studies Women's and Gender Studies and Adult and Continuing Education Changing Perspectives on the Social Sciences in Ghana offers sophisticated perspectives for comparing and appreciating the synergies differences trends and nuances among and between the Social Science disciplines in Ghana in a holistic and scholarly manner

Knowledge Partnering for Community Development Robyn Eversole, 2014-10-17 Effective community development means that many

different stakeholders have to work together governments development organizations and NGOs and most importantly the people they serve Knowledge Partnering for Community Development teaches community development professionals how to mediate community needs and development agendas to make community based solutions for development challenges Based on the newest research in community and global development Eversole shows readers a strong research and theoretically based framework for understanding local development processes and gives them the skills to turn this into cutting edge practice Each chapter features global case studies of innovative community state partnerships and practical application exercises and strategies for professionals looking to bring new approaches to their research Knowledge Partnering for Community Development is essential for community workers and students of community development looking to bridge the gap between research insight and best practice between community actors American Book Publishing Record ,2006
