### **Kiripi Katembo Africalia Editions:**

*Teddy Mazina*, 2015 From the disbelief and outrage that the 2004 massacres in his beloved homeland Burundi had been ignored by the international media simply because of the lack of an image archive Teddy Mazina decided to become a photographer a visual activist documenting his country After a period of political asylum in Belgium he returned to Burundi in 2007 where he set up the multimedia studio STUDIO CLAN DESTIN In the all important Burundese election year 2010 he founded PIGA PICHA 2010 an independent image bank as well as a training center for young photographers Mazina's visual memory shows the unvarnished reality the political and social upheavals the catastrophes the despair but also the passion and hope of the Burundians The raw and confrontational images are not necessarily meant to shock and disturb but hope to create a new awareness in a country where death discrimination and violence have become nothing more than banal faits divers This book is a testimony to Mazina's artistic social struggle against the indifference and the collective amnesia in his country Text in English French and Dutch Also available in the Africalia series Grassroots Upgraded ISBN 9789058563910 Sammy Baloji ISBN 9789058563965 Calvin Dondo ISBN 9789058564214 Julius Mwelu ISBN 9789058564030 Kiripi Katembo ISBN 9789058565174 **South Africa at Liberty**, 2016 A celebration of the work of South African photographer Yasser Booley A new title in the Africalia series Yasser Mierkat Booley started producing photographs in 1993 on the eve of the new South Africa Raised within the tension of a conservative Cape Malay home in politically fraught South Africa he soon became an observant apprentice set on mastering the essence of the electric rainbow nation This book is a celebration an indulgent vision Booley's South Africa shows ordinary people caught at a crossroads entangled in a dishevelled unity He brings to light the beauty of humanity through all religious and cultural differences through class and gender diversity His character and style reveal an unbridled optimism sprinkled with an accidental whiff of irony *Calvin Dondo* Calvin Dondo, Doreen Sibanda, Christine Scherer, 2014 Photography offers a thousand possible ways of looking at the society we live in Foremost among the talents that have brought Calvin Dondo international recognition is the ability to put into his work all the respect he has for the individual identities of those he captures on film This artist who reveals the nature of Zimbabwe today freely tells us of his country and the history concealed within it This book presents a new world in which images are an essential component This first monograph to be devoted to a contemporary Zimbabwean photographer will encourage others for the excellent reason that it is time to look at Africa through the clear-sighted viewfinder of those working on its development Text in English French Dutch and German
