not every guy who sweet talks you in private has the guts to admit liking the fat chick in class in front of their stupid friends Right after I witnessed my best friend finally making a move on the one guy I actually had a thing for even though I did grow up with him In short it was all a disaster Or was it My Stepbrother Surprise When Jenny s best friend Sally convinced her to join her at a beach party to celebrate their High School Graduation she didn t expect things to get as crazy as they did She never thought she d muster the courage to enter the infamous Kissing Shack where random strangers make out in the dark especially since she d never been kissed before By the time she left the shack she definitely didn t expect to come face to face with the one person in the world she shouldn t have been kissing passionately inside that room the boy she grew up with Darren Feeling humiliated and confused there was only one thing left to do run But Darren had other ideas leading to yet another first experience for Jenny hard and without protection These stories are intended for an adult audience only

Taken by My Bad Boy Stepbrother Cindy Wilder,2017 I had just started my senior year and was counting down the days until I turned eighteen Graduation would follow shortly after I couldn t wait to get away from my mom and her sleazy ways She couldn t stay with a man for more than a few months We moved from place to place and it drove me crazy The only thing she taught me was how to furnish an apartment for almost nothing I only asked one thing of her Don t date anyone associated with my school I usually kept to myself in school There was no reason to make friends I liked to spend my time in my room on my computer or at the park taking pictures Pity wasn t something I wanted from the people around me I didn t have what most kids in school had It was easier to move when you only had a few boxes to pack There was a message on my computer when I got home from school one day It was from a guy who had seen me on a photography post We were both seniors but knew nothing about each other or where we lived I agreed to let him call me if we were still talking on my birthday There was no way that was going to happen There was a guy in one of my classes that was a total jerk He didn t care what anyone thought about him His name was Ethan He was definitely nice to look at with his whole bad boy attitude but the bad outweighed the good I couldn t believe he was in my advanced class Not everyone was as they seemed though Everything was quiet until I opened my big mouth and pissed him off It was definitely the biggest mistake I had made in a long time

home I had loved so much I couldn't wait to see Rosie. She was the housekeeper and the one who raised me until the divorce. It seemed as if she was the only one who ever cared. When the door swung open I couldn't believe my eyes. In front of me stood the cutest boy I had ever seen in my life. He had dark brown hair, blue eyes, muscles, and was so tall I was speechless. My body wasn't moving. I wasn't sure what to do or say. You must be Princess Carrie, the amazingly hot guy said. And you would be who I asked nervously. I'm your stepbrother Kyle, he said. That was the beginning of the summer I would never forget. It all started when I found out he had taken over my room. I knew he was going to be a pain in my side. With each day that passed, things began to change. As the day for him to leave for the military approached, I found myself wondering what I was going to do without him. Kiss that Cowboy!
