Knights Of The Living Dead Volume One:

Knights of the Living Dead Volume One Ron Wolfe, 2012-07 Written by Ron Wolfe and illustrated by Pinocchio Vampire Slayers Dustin Higgins *Knights of the Living Dead* transcends the brain munching of most zombie fiction and examines the nature of one's soul and the essence of being The mournful king Arthur has sentenced Queen Guinevere to burn for her infidelity but he none too secretly expects her lover Sir Lancelot to save her And here comes rescuer Lancelot the greatest knight on the greatest stallion With a horde of the shambling dead behind him As the greatest knight of all fights through the courtyard to reach the queen Guinevere before she burns at the stake she sees he is not the hero she expected **Knight of the Living Dead** Kathleen Lundeen, 2000-11 In *Knight of the Living Dead* Kathleen Lundeen investigates Blake's work in the context of his spiritualistic practices and shows how he attempts to create a discourse that circumvents the binary of natural and arbitrary signs Her examination of his word image art demonstrates that in Blake's view what we recognize as word or image depends upon our epistemological orientation just as what we term matter or spirit is determined by our state of perception It further shows how Blake critiques textual theory in both his songs and prophecies by stabilizing the two sets of parameters that are used to define and classify signs the general and particular and the literal and figurative Moreover she argues Blake provides an epistemological alternative to empiricism and rationalism in his poetry and art Through verbal and visual experiments he defies the logic that is rooted in sense perception and reason and he attempts through those experiments to return textuality to a divinely literal condition By treating spiritualism as an aesthetic practice and art as an otherworldly communication he undermines the institutionalized boundaries in art and life and presents a formidable challenge to the whole matter spirit dualism upon which Western culture is based **BOOK JACKET Title Summary field** provided by Blackwell North America Inc All Rights Reserved **Nightmare Movies** Kim Newman, 2011-04-18 Now over twenty years old the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism In this new edition Kim Newman brings his seminal work completely up to date both reassessing his earlier evaluations and adding a second part that analyses the last two decades of horror films with all the wit intelligence and insight for which he is known Since the publication of the first edition horror has been on a gradual upswing and has gained a new and stronger hold over the film industry Newman negotiates his way through a vast back catalogue of horror and charts the on screen progress of our collective fears and bogeymen from the low budget slasher movies of the 1960s through to the slick releases of the 2000s *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film but also acts as a truly entertaining guide with which to explore the less well trodden paths of horror and rediscover the classics with a newly instructed eye *Beyond the Living Dead* Bruce Peabody, Gloria Pastorino, 2021-09-13 In 1968 George Romero's film *Night of the Living Dead* premiered launching a growing preoccupation with zombies within mass and literary fiction film television and video games Romero's creativity and enduring influence make him a worthy object of inquiry in his own

right and his long career helps us take stock of the shifting interest in zombies since the 1960s Examining his work promotes a better understanding of the current state of the zombie and where it is going amidst the political and social turmoil of the twenty first century These new essays document interpret and explain the meaning of the still budding Romero legacy drawing cross disciplinary perspectives from such fields as literature political science philosophy and comparative film studies Essays consider some of the sources of Romero s inspiration including comics science fiction and Westerns chart his influence as a storyteller and a social critic and consider the legacy he leaves for viewers artists and those studying the living dead

Knight's & Magic: Volume 1 (Light Novel) Hisago Amazake-no,2023-10-09 Kurata Tsubasa is not your average citizen Sure he s a genius programmer and software engineer but as far as he s concerned his most important trait is that he s a hardcore mecha nerd So what happens when you take that nerd and reincarnate him into a fantastic world of swords and sorcery Well you d think he d be disappointed but this world has magical giant robots Obviously Tsubasa reborn as Ernesti Echevalier now wants to devote his life entirely to these wondrous pieces of technology But how exactly can young Ernie achieve his ultimate goal of getting his very own mech He ll have to rely on his imagination uninhibited by the common sense of this new world as well as his extreme dedication and focus He also might just find help in the form of a rather interesting quirk

Living with the Living Dead Greg Garrett,2017-05-01 In Living with the Living Dead Greg Garrett shows that the zombie apocalypse has become an archetypal narrative for the contemporary world in part because zombies can represent a variety of global threats from terrorism to Ebola from economic uncertainty to mental illness But paradoxically this narrative also offers human beings a chance to find emotional and spiritual comfort these apocalyptic stories about individuals facing the imminent prospect of grisly death also offer us wisdom about living in community present us with real world ethical problems and invite us into a conversation about what it means to survive

The Holy Knight's Dark Road: Volume 1 Yusaku Sakaishi,2019-12-28 The young Sain Forth has it made As the famed Holy Knight he enjoys the love of his people the respect of his ruler and the blessings of a literal goddess Or at least he should enjoy them but Sain s aspirations lie elsewhere His assistant Melia by his side he sets sail for the academy of a foreign kingdom only to be treated as a deviant by his peers It s his own fault mind you his stubborn insistence on wearing a custom all black uniform makes him stick out like a sore thumb But he isn t the only outcast at the academy His classmate Alicia born into the Clan of Light yet unable to use anything but fire magic faces a similar struggle and so the two quickly become allies However when she proposes they go searching for a holy sword hidden deep within the academy s dungeon he hesitates dungeons are dangerous monster ridden places after all Eventually he reconsiders but on one condition I want a doom sword Not a holy sword okay A doom sword And so his friends in tow Sain ventures forth into the perilous unknown driven by his one true wish To become the coolest edgiest and most awesome existence imaginable the Dark Knight There s just one problem He can t use dark magic Like at all

Night of the Living Dead Ben Hervey,2020-10-01 George A Romero s Night of the Living Dead is a cult classic that has resonated with

audiences and independent filmmakers ever since its release in 1968 It redefined horror cinema and launched the modern zombie genre that continues with films and series like 28 Days Later Shaun of the Dead and The Walking Dead Ben Hervey's illuminating study of the movie traces Night's influences from Powell and Pressburger to fifties horror comics and provides the first history of its reception Hervey argues that the film broke cultural barriers first at New York's Museum of Modern Art while it was still packing 42nd Street grindhouses Scene by scene analysis meshes with detailed historical contexts showing why Night was a new kind of horror film the expression of a generation who didn't want their world to return to normal

The Living Dead James B. Twitchell, 1981 In his Preface to *The Living Dead A Study of the Vampire in Romantic Literature* James Twitchell writes that he is not interested in the current generation of vampires which he finds rude boring and hopelessly adolescent However they have not always been this way In fact a century ago they were often quite sophisticated used by artists varied as Blake Poe Coleridge the Brontes Shelley and Keats to explain aspects of interpersonal relations However vulgar the vampire has since become it is important to remember that along with the Frankenstein monster the vampire is one of the major mythic figures bequeathed to us by the English Romantics Simply in terms of cultural influence and currency the vampire is far more important than any other nineteenth century archetypes in fact he is probably the most enduring and prolific mythic figure we have This book traces the vampire out of folklore into serious art until he stabilizes early in this century into the character we all too easily recognize

Old Knight, New Post: From Retiree to Her Majesty's Blade Volume 1 Hisago Amazake-no, 2025-10-09 Once a peerless Mechsteel pilot in his youth Watt Sears is now nearing forty and working as a humble station employee As a self proclaimed old man Watt has taken a liking to showing new pilots the ropes choosing to support them however he can rather than stand in the spotlight himself Despite the repeated pleas of his boss and the lord of the land to become a Steelrider one of the elite monster hunting mech pilots who keep the city safe Watt is perfectly content with his quiet life But all of that changes when his storied past catches up to him Anna his long lost daughter from a bygone romance appears before Watt one day to ask for his help Resolving to keep her safe Watt takes Anna under his wing only to immediately find himself caught up in a not so bloodless battle for the throne With the kingdom in turmoil can this old knight survive his new post

Bloodragon Chronicles: Volume One: Living Steel Paris Alexander Holmes, 2017-04-25 A young hero sets off on a journey of revenge to avenge the only family he has ever known an adopted group of patriarchal militant giants Revenge is thrust aside when the hero's quest turns into a journey of self discovery unlocking his mysterious mental powers and leading him into a strange life of adventure with even stranger adventuring partners A mysterious priestess who can heal others but spends the mornings helpless in the sun absorbing light like a plant a muscular Amazo

Not of the Living Dead Noah Simon Jampol, Cain Miller, Leah Richards, 2023-03-03 A killer monkey Suburban witchcraft Motorcycle jousting A cockroach invasion Despite this enticing list of other subjects George A Romero is best known for the genre defining 1968 film Night of the Living Dead and subsequent zombie films The

non zombie films in his decades long career have gotten varied degrees of critical examination but they remain underexamined compared to the Dead flicks This book focuses on Romero's other work highlighting lesser known films such as *There's Always Vanilla* 1971 and *Bruiser* 2000 as well as more popular films such as *Martin* 1977 and *The Crazies* 1973 It examines how his body of work participates in social critique by delving into issues such as capitalism's pitfalls and excesses domestic and racial power imbalances and our patriarchal culture's expectations of masculinity femininity and sexuality
