of the case studies selected shows how these are used to create affect in readers enhancing their engagement in the story The work is framed within the context of the history of textile production and the use of textiles in fiction internationally but concentrates on Australian authors who have used textiles in their writing The decision to focus on Australian authors was taken in light of the quality and depth of the writing of textile fiction produced in Australia between 1980 and 2005 in the three categories of hand crafted textiles quilt making knitting and embroidery The texts chosen for intensive study are Kate Grenville s *The Idea of Perfection* 1999 quilting Marele Day s *Lambs of God* 1997 knitting and Anne Bartlett s *Knitting* 2005 knitting Jessica Anderson s *Tirra Lirra by the River* 1978 embroidery and Marion Halligan s *Spider Cup* 1990 embroidery
