Little, Marie Little, 2003-01-01 Grow spiritually through a better understanding of the fundamental doctrines of Christianity An excellent resource for new believers students even longtime Christians      **You Are What You Believe** Lois B. Mayette, 2011-10-26 Culturally we lack the training of an early age to be free thinkers We have become instead repeaters cookie cutter persons Thinking out of the box is so needed This is what prompted me to write this book Ive been there done that so know it well Children today say they are free thinkers yet there they stand before us all wanting and dressing alike It may help the economy but it certainly is not free thinking It likely is different than what Mom and Dad ascribe but its still about others thinking How did we get to where we are We are all responsible for it So lets together not recreate the past and go forward with creativity and process out of the box ideas and thinking Develop questioning what was and liberate ourselves      *See What You Believe* Ronald Kieser, 2010-02-26 Enter the nonsense mind of this abstract artist as you look through his work Gaze upon some of the most intriguing pieces of his mind of seemingly purposeless pieces of artwork to reflect upon your own mind As you go through this book you will see images that perhaps no one but yourself can see and perhaps even different things each time you read through 50 separate pieces of art and many one liners describing his thoughts on each piece are included in this collection each one sure to open up a new portion of your creative thinking Take life with a new view and it will always be interesting      **Anunnaki Religions, and Why You Believe What You Believe.** Dr. James Krieger D.D., 2017-02-03 The word anunnaki means princely offspring John 14 30 whom we call the devil or Satan whose real name is Yaldabaoth Dark or fallen angels or spirits really Eph 6 12 come to us in many ways shapes and forms Hebrews 13 2 The book of the Babylonia called Igigu explains Rev 13 1 The three ungodly spirits are Yaldabaoth Sakla Sammuël and their seven authorities created this lower world and all of humanity out of his kingdom of the second heaven called outer darkness Truth can only come from God The fullness is called Jesus the Word of God the Comforter John 14 15 16 17 When you are born again in Gods way this is Gods anointing 1 John 2 27 Let no man teach you because all every man is a liar ignorant of Gods Word Romans 3 4 as Jesus said in John 10 1 These books of all religions are called heresy because your religions and denominations want to keep you in darkness bonds and slavery by servitude through tithes This is what Jesus said in Matt 11 2530 He Jesus will break these bonds and make you free of man Religion theology and church doctrine John 10 1 John 14 6 John 17 17 and Eph 5 26 will make you John 8 2836 This book and the six other teaching guide books that I have written are only knowledge data call statements of menno truth My seven books are taken from the same books that the bishops of Rome used to put the Bible together Daniel 12 4 means the latter rain or the age of information Question is what do Acts 17 11 and

2 Timothy 2 15 written in AD 60 mean to you It does not mean the Bible *Does It Matter What You Believe?* Elvin C. Myers,2021-06-02 The road the way the belief system that leads a human soul home and into the presence of God is not crowded There are few who find it So it s important to ask yourself Are you on the right road Elvin C Myers a former missionary and pastor to churches in Colorado Virginia and Florida wrote this book to steer people away from errors that might damn their souls The author draws on his more than sixty years of being a pastor to explore the differences between Protestant Evangelical beliefs and those of Catholicism In doing so he answers questions such as Why is it incumbent on people who know the truth of the Lord to speak up Does living a good life ensure someone will go to heaven What are the consequences of being disobedient to the Lord Can someone who is deeply religious still perish in hell It is the author s sincere hope that this book will lead you away from the judgment of hell and the lake of fire that is mentioned in Revelation 20 14 15 a place where the soul never dies You Are What You Believe Hyrum W. Smith,2016-08-01 Change Your Beliefs Change Your Life We all have times in our lives when the results of our behavior don t seem to be meeting our needs In this new book Hyrum Smith does two things that are invaluable to people who wish to make their lives less painful First he reveals through a clear and simple model how we get to the point where our behaviors cause these kinds of problems Then with a simplicity that is impressive in itself he describes the steps we must take to identify and rectify the beliefs leading to our painful behavior The result is a powerful process for transforming your habits and relationships and achieving lasting personal and career success Do You Really Believe What You Say You Believe? Rodney Hobson,2019-02-21 A Christian s growth is dependent on what they say they know regarding Christ and what they say they believe about Christ and the application of those beliefs in their circumstances The Bible is filled with examples of men and women who believed in God and Christ yet struggled to believe what they heard read and said they believed Abraham and Sarah Zechariah Jesus disciples Paul and others had issues of believing what they heard or what was written in scripture What does it mean when a person says I believe in God How does unbelief affect what a Christian believes Does what a person believes limit their ability to produce the truths of Christ and its results in their lives This book is written to explore the challenges of believing the Word of God and learning how to produce the results of those beliefs in their lives **Do What You Believe** Steve Deace,2021-12-20 This time the soul of America really is at stake Sure for many years we ve heard this language dramatically and cynically utilized during political campaigns but this time it s actually true American Exceptionalism faces more systemic threats and existential peril than ever before A culture that can t agree on what a border citizen criminal law constitution life or even the truth is probably doesn t have long to last But as Jesus warned in Matthew 9 37 The harvest is plenty but the workers are few Either we will stand boldly now for what we believe or our way of life will be lost to the ash heap of history Pilgrims having undertaken the glory of God and Great Awakenings are what gave birth to liberty on this continent in the first place And without a revival of those first things in our time that liberty will be lost for good This will be the generation

that determines the fate of the West This is a blueprint and battleplan for such a time as this Teach What You Believe Deacon Michael E. Bulson,2007 More homilies by a deacon for deacons and anyone else who preaches These homilies which reflect the author s firm commitment to social justice are followed by discussion questions The Truth Is What You Believe Warren Brewin,2018-09-30 In 550 BC or thereabouts Buddha stated I am the sum total of everything I thought This was divine wisdom that is inspiration for the book s title The Truth is what YOU Believe Everything you think is based on a process of thought reaching a conclusion that becomes exactly what you are as you traverse the complexities and opportunities of your life The Truth of Religion reviews the position of the major Religions and influences they have in societies globally today and how technological social giants like Google Facebook and YouTube threaten the loyalty to religion and the values that came with those belief systems The Truth of Sport examines whether money and greed have overtaken human integrity Does the end justify the means today The original endeavour of competitive sport started with the purest of ideologies in the Olympics rebirth in Greece in 1896 and is in stark contrast to the drug ridden corrupt fiasco that is prevalent in many professional sports today Discover what makes top athletes really tick If there are no rules there is no discernible truth The section on the Truth of Business looks at how creating credibility in every moment of a company s existence is the key ingredient to success and importantly how the leader and structure play a part Commitment to strong ideals is paramount Weak people tend to accept and are happy to exist in a world of lies as it is often easier and cheaper to delude yourself than confront reality head on How people from all walks of life deal with the adversity of relationship failure and how absolutely critical the truth is in all your relationships is uncovered in its barest form in the Truth of Relationships After the first betrayal you have nothing Living a true life means you will always have your integrity a value beyond compare

**Why Do You Believe What You Believe About the Holy Spirit?** Graham McFarlane,2009-04-01 Why do you believe what you believe about the Holy Sprit Are your beliefs based on current trends of thought in the church or the world around you or do they fit in with what the Bible and Christian tradition teaches Does it matter What are the consequences of your beliefs In this thought provoking survey Graham McFarlane draws on the insight of ancient and modern thinkers to work out the implications of the biblical witness to the Spirit for the individual believer and for the church as a reconciling community Combining clear teaching with practical applications this book encourages readers to think through their faith **You Can'T Walk in What You Believe Until You Change the Way You Think** Michael Truss,2015-09-02 Satan has placed highly trained and skilled taskmasters over you to afflict many with pain low self esteem and a poverty mentality A taskmaster is something or someone designed just for you to keep you in bondage and an impoverished state of mind The enemy wants to keep you immobile You know what you want to do and what you need to do but you cant function because the enemy has left you paralyzed Even though you want to move and even though you have the strength to move a voice inside your head keeps talking to you It keeps saying the same thing over and over again That voice is designed to keep the cycle of

bad thoughts in your head If we refuse to terminate the cycle and allow it to be passed down from generation to generation you will keep producing stagnated non prospering offspring who will never progress in their spiritual walk Thats why it is so important to renew our minds with right thinking
