**The Vinyl Frontier** Jonathan Scott, 2019-03-21 Bursts with gloriously geeky detail The Telegraph Have you ever made someone you love a mix tape Forty years ago a group of scientists artists and writers gathered in a house in Ithaca New York to work on the most important compilation ever conceived It wasn't from one person to another it was from Earth to the Cosmos In 1977 NASA sent Voyager 1 and 2 on a Grand Tour of the outer planets During the design phase of the Voyager mission it was realised that this pair of plucky probes would eventually leave our solar system to drift forever in the unimaginable void of interstellar space With this gloomy sounding outcome in mind NASA decided to do something optimistic They commissioned astronomer Carl Sagan to create a message to be fixed to the side of Voyager 1 and 2 a plaque a calling card a handshake to any passing alien that might one day chance upon them The result was the Voyager Golden Record a genre hopping multi media metal LP A 90 minute playlist of music from across the globe a sound essay of life on Earth spoken greetings in multiple languages and more than 100 photographs and diagrams all painstakingly chosen by Sagan and his team to create an aliens guide to Earthlings The record included music by J S Bach and Chuck Berry a message of peace from US president Jimmy Carter facts figures and dimensions all encased in a golden box The Vinyl Frontier tells the story of NASA's interstellar mix tape from first phone call to final launch when Voyager 1 and 2 left our planet bearing their hopeful message from the Summer of 77 to a distant future

this Yet Killer Mike a Black man from Atlanta Georgia and El P a white man from Brooklyn New York have transformed what should have been the twilight of their careers as rappers into their biggest spotlight yet Known as the hip hop duo Run The Jewels they have headlined festivals worldwide become action figures and Marvel comic book characters spearheaded a worldwide countercultural movement and played a significant role in the last two presidential elections This is the buddy movie like story of how they got there It is a tale that parallels the incredible changes the music industry has gone through over the past twenty five years charting a course from the highs around the turn of the century to the collapse of the CD format and the eventual rise of streaming media while also mapping the evolution of both pop culture and its sociopolitical climate From the surging popularity of afrofuturism and the fall of the Twin Towers to the rise of the Black Lives Matter movement and the kneeling of Colin Kaepernick such events all tie into how their budding bromance transformed Killer Mike and El P from solo artists in underground hip hop to pop cultural icons recognized all over the globe **Diary of an Escape**

Antonio Negri, 2014-01-15 n Many people across the world know Antonio Negri as an internationally renowned political thinker whose book *Empire* co authored with Michael Hardt is an international bestseller Much less well known is the fact that up until 1979 Negri was a university professor teaching in Paris and Padova On April 7th 1979 he was arrested charged with the murder of Italian politician Aldo Moro accused of 17 other murders of being the head of the Red Brigades and of fomenting insurrection against the state He has since been absolved of all these accusations but thanks to the emergency laws in Italy at the time he was sentenced to 30 years in prison Then in July 1983 he was elected as a member of parliament which meant that he was released from prison after four and a half years of preventive detention After months of debate the Lower House decided to strip him of his parliamentary immunity by 300 votes in favour and 293 against At that point he left Italy for exile in France where he remained until 1997 and continued to maintain his innocence of all the crimes of which he was accused This book is Negri s diary in which he tells of his imprisonment trial the elections and his escape to and exile in France Both personal and political it recounts a little known aspect of Negri s life and will be of great interest to anyone concerned with the work of this enormously influential political thinker
