**Journey** David Yellin, 2017-05-12 This wonderful resource from two authors with an infectious enthusiasm for children's literature will help readers select and share quality books for and with young children. Specifically focused on infants through the third grade, *Sharing the Journey* contains descriptive book annotations, instructive commentary, and creative teaching activities tailored for those important years. Extensive book lists throughout will help readers build a library of quality children's literature. Books representing other cultures are included to help celebrate diversity as well as cultural connection. Genre chapters include poetry, fantasy, and realistic and historical fiction. A chapter on informational books demonstrates how young children can be introduced to and learn to enjoy nonfiction.

**Tell Your Story** Pam Allyn, Ernest Morrell, 2022-11-01 Learn how to increase students' skills as writers and storytellers with an innovative, inclusive, and empowering framework for teaching writing that centers student voice. *Tell Your Story: Teaching Students to Become World-Changing Thinkers and Writers* explores how to help students see themselves as writers and storytellers who are developing the skills and techniques to communicate in ways that resonate with various audiences. When students make that shift and see themselves as active and valued participants in their own communities, cultures, and literary journeys, they become powerful writers eager to explore and share ideas. With the strategies in this book, you can create an environment of belonging that fosters creativity and confidence. Demonstrate the value of oral and visual storytelling. Teach story structure, both old and new, and in a variety of genres. Offer a variety of role models and exemplars through mentor texts. Assess and confer with student writers to help them improve their skills. Value students' voices as future agents of change. When you help students unlock the stories they want to tell, you'll see writing anxieties and resistance fade as students come alive to the multitude of ways in which they can make their voices heard. Storytelling can be a wellness practice, a tool for empowerment, and a method for self-understanding and self-expression. For all students, storytelling is a path to lifelong learning and to realizing the full power of their voice and their potential to change the world.

**Already Ready** Katie Wood Ray, Matt Glover, 2008 From the very first chapter of this informative and inspiring book, a clear picture emerges of how even three- and four-year-olds' capacities for serious authorship can and should be supported. Lillian G. Katz, Coauthor of *Young Investigators: The Project Approach in the Early Years*. By the time they reach preschool or kindergarten, young children are already writers. They don't have much experience, but they're filled with stories to tell and ideas to express; they want to show the world what they know and see. All they need is a nurturing teacher like you.

to recognize the writer at work within them All you need to help them is Already Ready Taking an exciting new approach to working with our youngest students Already Ready shows you how by respecting children as writers engaged in bookmaking you can gently nudge them toward a lifetime of joyful writing Katie Wood Ray and Matt Glover guide you through fundamental concepts of early writing Providing numerous helpful examples of early writing complete with transcriptions they demonstrate how to make sense of children s writing and interpret how they represent sounds ideas and images see important developmental signs in writers that you can use to help them grow further recognize the thinking young children engage in and discover that it s the same thinking more experienced writers use to craft purposeful thoughtful pieces Then Ray and Glover show you how little ones can develop powerful understandings about texts and their characteristics the writing process what it means to be a writer You ll learn how to support your writers quest to make meaning as they grow their abilities and refine their thinking about writing through teaching strategies such as reading aloud working side by side with writers sharing children s writing Writing is just one part of a busy early childhood classroom but even in little doses a nurturing approach can work wonders and help children connect the natural writer inside them to a life of expressing themselves on paper Find that approach share it with your students and you ll discover that you don t have to get students ready to write they re Already Ready

**Novels by Aliens** Kate Marshall, 2023-10-10 A wide ranging account of the twenty first century s fascination with the weird Twenty first century fiction and theory have taken a decidedly weird turn They both show a marked interest in the nonhuman and in the preternatural moods that the nonhuman often evokes Writers of fiction and criticism are avidly experimenting with strange even alien perspectives and protagonists Kate Marshall s Novels by Aliens explores this development broadly while focusing on problems of genre fiction She identifies three key generic hybrids that harness a longing for the nonhuman the old weird an alternative tradition within naturalism and modernism for the twenty first century s cowboys and aliens cosmic realism the reach for words legible only from space in otherwise terrestrial narratives and pseudoscience fiction which imagines speculative futures beyond human life on earth Offering sharp and surprising insights about a breathtaking range of authors from Edgar Rice Burroughs to Kazuo Ishiguro Willa Cather to Maggie Nelson Novels by Aliens tells the story of how genre became mood in the twenty first century
