

The Cold War Heats Up

1. As you read the passage, fill in the information you discover about the Soviet-American agreement below.

	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build space programs and rockets?	That U.S. support them economically (training, fuel, etc.)	Not really.
2. Would anyone benefit from the rockets and space-related technology?	They would certainly gain access to rockets that were better. They had a billion-dollar industry in the U.S. to build rockets, delivery the sat-	They were worried about what it said about American science. What if U.S. technology was sold to Soviet Russia? American weapons, planned weapons, the content of American Strategic Plans?
3. Would anyone challenge authority?	Not really.	They would be worried about how independent and able Americans
4. Would the U.S. achieve what it wanted under American authority?	Yes, the government could be persuaded. There was no communist country.	Yes, American people were independent and would not take a leadership like Russia.

2. Suppose the agreement simply set up the program, without

these other requirements. Would it make

any sense to build rockets and space technology?

Should America? What government has technology gone without

the Soviet? What technology was that put through and Russia?
