James J. Mattingly

Gut Check Confronting Love Work And Manhood In Your Twenties:

Gut Check Tarek William Saab, 2008-12 Only a few years into a career marked by dazzling early success Tarek Saab's life took a dramatic turn with his selection for Donald Trump's reality show *The Apprentice*. Viewers soon noticed something unusual about Tarek. Throughout the chaos and pressure, including several boardroom showdowns with Trump, Tarek displayed unusual moral character. In a new book he shares his hard won insights into love, work and manhood and their source in a faith that is ever old, ever new.

The Out of Room Experience James J. Mattingly, 2012-04-18 A Journey of Introspection. *The Out of Room Experience* gives an autobiographical account of one man's internal struggles. In his new autobiography *The Out of Room Experience*, based on *The Forgotten Notes*, James J. Mattingly shares the story of how he rose from the depths of despair, reconciled with his inner demons and became the man he wanted the world to see, both inside and out. Culled from Mattingly's deeply personal journal entries, *The Out of Room Experience* fearlessly reveals the depression and negative thinking that kept Mattingly trapped in what he refers to as an immaterial room, one that existed only within his own mind. Persistent self-doubt and feelings of alienation made him a captive in this imaginary room, despite his efforts to convince family and friends that everything was alright. Mattingly knows he's not alone in his experience. Insecurity, fear and confusion have always been human characteristics and they don't disappear overnight. Rather than attempt to rid himself completely of these natural personality traits, Mattingly instead focuses on managing them to find balance in his life. I've always appeared to be a normal, down-to-earth person living the everyday life, the author states. But there's always been, and in part still is, this nagging thought process that seems to live on my shoulder, tempting me to despair and tempting me to separate from reality in a way which damages my intellectual, emotional and relational life. *The Out of Room Experience* shares valuable coping techniques that readers from all walks of life can relate to and apply to their own circumstances.

Wisdom Sharon Senna, 2010-01-15 A collection of life lessons for teenagers, young adults and everyone who is twenty-two at heart. Publisher's description.

Best Life, 2006-06 *Best Life* magazine empowers men to continually improve their physical, emotional and financial well-being to better enjoy the most rewarding years of their life.
