Lifenotes Randall Glenn,2021-11-21 My book Lifenotes Book Three is a bit like a life long diary As I ve journeyed through  
life I always made it a point to stop and write down life s experiences These I have compiled in this book There are also some  
writings that never really fit into my other books so I also put them here The poetry and many of the articles were written as  
a young man during some of the most difficult days of my life Writing got me through grief divorce and depression but  
ultimately brought me peace Grounds for Greatness was inspired by drinking coffee It begins Some are born great some  
achieve greatness and some have greatness thrust upon em William Shakespeare And then there are the once removed the  
unsung word of mouth heroes Pining away in the shadows of obscurity their magic finally dazzles the right life inspires a  
singer rouses a writer fascinates a financier When that happens history s elusive legends become the classic heroes of hand  
me down Most consist of a few scattered details that age like fine wine until one day they are embellished in the crystal  
chalice of a connoisseur The poem Awakening was written after I was baptized with the Holy Ghost It begins The sun  
embracing hills of clay Doth kiss away the farspent day But ere it slips neath quilted night Its glory doth your probe invite For  
wisdom whispered on the wind As you your daily web did spin And day hath not been void of sound From mountains all so  
noble gowned      **The Southeastern Reporter** ,1897      West's Federal Supplement ,1997      **Monthly Catalogue,**
