

A full-page photograph of a young, muscular man with short brown hair, shirtless and wearing red athletic shorts. He is holding a silver dumbbell in his right hand, performing a bicep curl. His skin is glistening with sweat, and his muscles are well-defined. He is looking down at the dumbbell with a focused expression. The background is dark and out of focus. A yellow horizontal bar is at the top of the image.

changed sporting culture for those involved in sports ministry sport has changed evangelicalism The Burning Pen Muncy Christian, 2001 In this groundbreaking work contemporary writers of erotica reflect on how their work originates how their sexuality shapes their words and more importantly how their words have affected their sexuality More than a dozen authors including Laura Antoniou Patrick Califia Rice Pat Califia Felice Picano Leslea Newman Jack Fritscher and Shar Rednour deliver an eye opening thought provoking examination of the craft of writing about sex And what's more each writer includes his or her favourite erotic story
