Spirited Things Paul Christopher Johnson,2014-05-07 The word possession is anything but transparent especially as it developed in the context of the African Americas There it referred variously to spirits material goods and people It served as a watershed term marking both transactions in which people were

made into things via slavery and ritual events by which the thingification of people was revised In *Spirited Things* Paul Christopher Johnson gathers together essays by leading anthropologists in the Americas that reopen the concept of possession on these two fronts in order to examine the relationship between African religions in the Atlantic and the economies that have historically shaped and continue to shape the cultures that practice them Exploring the way spirit possessions were framed both by material things including plantations the Catholic church the sea and the phonograph as well as by the legacy of slavery they offer a powerful new way of understanding the Atlantic world [Los Angeles Magazine](#), 1996-02 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian [Los Angeles Magazine](#), 1996-04 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **American Folk Art** Kristin G. Congdon, Kara Kelley Hallmark, 2012-03-19 Folk art is as varied as it is indicative of person and place informed by innovation and grounded in cultural context The variety and versatility of 300 American folk artists is captured in this collection of informative and thoroughly engaging essays *American Folk Art A Regional Reference* offers a collection of fascinating essays on the life and work of 300 individual artists Some of the men and women profiled in these two volumes are well known while others are important practitioners who have yet to receive the notice they merit Because many of the artists in both categories have a clear identity with their land and culture the work is organized by geographical region and includes an essay on each region to help make connections visible There is also an introductory essay on U S folk art as a whole Those writing about folk art to date tend to view each artist as either traditional or innovative One of the major contributions of this work is that it demonstrates that folk artists more often exhibit both traits they are grounded in their cultural context and creative in the way they make work their own Such insights expand the study of folk art even as they readjust readers understanding of who folk artists are
