The Crown or the Clown Linda A. Drumgoole,2023-12-28 Initially *The Crown or The Clown* was written to inspire single females yearning for a husband Unknowingly my egoistically arranged path to their desire was for them to wait on that god ordained relationship that was intended specifically for them However in writing *The Crown or The Clown* I was reminded of my personal journeys my hills and valleys my unsuccessful paths and subsequent consequences while I was seeking what I perceived as that perfect attainable relationship I was humbled contrite and yielded to the direction of the Holy Spirit as I moved forward in writing *The Crown or The Clown* You see I then understood and accepted God s Will God s Way My prayer is that as the reader goes through each page absorbs each experience of my journeys and faithfully participates in each activity from the beginning to the end they will attain a soul rendering illumination of the gospel My hope is for each reader to have their own individual experiences of 1 A sincere release and self forgiveness from the bondages of the past 2 A complete wholeness of who they truly are and who they belong to spiritually and 3 The authentic acceptance that the desires of their heart comes when they have a genuine relationship with Jesus Christ Only then can they be open and obedient to the biblically based desires for a purposed destined and ordained relationship intended for them through Jesus Christ

Oxford Studies in Metaphysics ,2025-04-04 Much of the most interesting work in philosophy today is metaphysical in character *Oxford Studies in Metaphysics* is a forum for the best new work in this flourishing field OSM offers a broad view of the subject featuring not only the traditionally central topics such as existence identity modality time and causation but also the rich clusters of metaphysical questions in neighbouring fields such as philosophy of mind and philosophy of science Besides independent essays volumes will often

contain a critical essay on a recent book or a symposium that allows participants to respond to one another's criticisms and questions Anyone who wants to know what's happening in metaphysics can start here Subject Guide to Children's Books In Print, 1996 R R Bowker Publishing, 1996 **Morning Cries** Juliana M. Pelc, 2005-11 Morning Cries was inspired out of an all God experience in Africa It's an exciting and sometimes gripping journey into the intimacy of God's anointing and the explosion of the supernatural power of the Holy Spirit Birthed out of a childhood dream and nurtured by God He directs the path of an incredible thirty five day journey in Africa **God's Clowns** C. Welton Gaddy, 1990 **Lift Every Voice and Swing** Vaughn A. Booker, 2020-07-21 Winner of the 2022 Gustave O Arlt Award in the Humanities award by the Council of Graduate Schools Explores the role of jazz celebrities like Ella Fitzgerald Cab Calloway Duke Ellington and Mary Lou Williams as representatives of African American religion in the twentieth century Beginning in the 1920s the Jazz Age propelled Black swing artists into national celebrity Many took on the role of race representatives and were able to leverage their popularity toward achieving social progress for other African Americans In Lift Every Voice and Swing Vaughn A Booker argues that with the emergence of these popular jazz figures who came from a culture shaped by Black Protestantism religious authority for African Americans found a place and spokespeople outside of traditional Afro Protestant institutions and religious life Popular Black jazz professionals such as Ella Fitzgerald Cab Calloway Duke Ellington and Mary Lou Williams inherited religious authority though they were not official religious leaders Some of these artists put forward a religious culture in the mid twentieth century by releasing religious recordings and putting on religious concerts and their work came to be seen as integral to the Black religious ethos Booker documents this transformative era in religious expression in which jazz musicians embodied religious beliefs and practices that echoed and diverged from the predominant African American religious culture He draws on the heretofore unexamined private religious writings of Duke Ellington and Mary Lou Williams and showcases the careers of female jazz artists alongside those of men expanding our understanding of African American religious expression and decentering the Black church as the sole concept for understanding Black Protestant religiosity Featuring gorgeous prose and insightful research Lift Every Voice and Swing will change the way we understand the connections between jazz music and faith The Favourite Village , 1810
