Hallelujah For The Day An African Prayer :

Hallelujah for the Day Anthony J. Gittins, 2002 *This Little Light of Mine* Terry Lee Dick Dykstra, 2011-08-25 All of it happened It was hard for author Terry Dykstra to believe Yet if she could not believe it she had her memoir to prove it to herself She dreamed of becoming a missionary in Africa and the dream came true Orphaned and vulnerable children were fed and educated Grace rose up and walked A university soared on the wings of eagles Abused women fought back with political clout A teenaged girl jumped over puddles of blood escaping ethnic violence HIV AIDS stalked the land Eager bright and beautiful Kenyan students became skilled and loving Christian pastors Violence and crime and corruption were commonplace Missionary friends were gunned down and killed Yet the persistent light of the Christian faith remains a beacon of hope in Kenya The American and Scottish missionaries who arrived in Kikuyu one hundred years ago would be proud of the Kenyan Christians who continue to carry the torch They clothe the naked feed the hungry bind up the wounds and preach the good news to the poor Down through the ages the work of Christians goes on from generation to generation from continent to continent The light shines in the darkness and the darkness cannot overcome it Terry witnessed the Church in action in Kenya and she was humbled and blessed

Called to Be Sent Anthony J. Gittins CSSp, 2018-02-13 The gospel tells us to look into other people's eyes as we search for an image of God to help us work for healing justice amid the rubble and the memories that litter our lives to rebuild a human world on the debris of broken dreams and to commit ourselves as God does to restoring communities so that there will be no more estrangement no more strangers and no more aliens It is only a little less than impossible and the only way we can do it is to learn to love the world as God already does It's simply not possible to love in theory we must go further than that We must love in practice We must practice in love That is the disciple's call Called to Be Sent develops and completes the theology of discipleship introduced in the author's previous books This new volume focuses on sending forth the phase that follows our radical encounter with humanity Here we find the hope and strength to move from an understanding of mission to actually being commissioned by Jesus In short as Christians we are gathered for scattering and called to be sent and this book provides much direction
