Charlotte Galloway,2022-12-05 The Sri Ksetra Museum Inventory provides public access to this significant collection for the first time The Inventory records the majority of the Museum collection up until 2015 Nearly all of the artefacts date to Myanmar s Pyu period of the first millennium Many of the objects have been documented for the first time having been kept in storage in some cases unseen for nearly one hundred years As only a limited amount of collection material can be publicly displayed in the Museum the Inventory provides immediate access to resource materials that would otherwise be out of reach From intact votive tablets in diverse styles to fragments of terracotta plaques and stone sculptures this is the most comprehensive collection of Pyu material culture in Myanmar With the rise of interest in Pyu scholarship since the UNESCO listing of The Pyu Ancient Cities in 2014 this inventory which also includes more recent finds from the important Pyu site of

Khin Ba will broaden scholars appreciation of Pyu culture and open avenues for future research across many disciplines

Time Travel for Love and Profit Sarah Lariviere, 2021-01-26 When Nephele has a terrible freshman year she does the only logical thing for a math prodigy like herself she invents a time travel app so she can go back and do it again and again and again in this funny love story Groundhog Day for the iPhone generation Fourteen year old Nephele used to have friends Well she had a friend That friend made the adjustment to high school easily leaving Nephele behind in the process And as Nephele looks ahead all she can see is three very lonely years Nephele is also a whip smart lover of math and science so she makes a plan Step one invent time travel Step two go back in time have a do over of 9th grade crack the code on making friends and become beloved and popular Does it work Sort of Nephele does travel through time but not the way she planned she s created a time loop and she s the only one looping And she keeps looping for ten years always alone Now facing ninth grade for the tenth time Nephele knows what to expect Or so she thinks She didn t anticipate that her new teacher would be a boy from her long ago ninth grade class now a grown man that she would finally make a new friend after ten years And she couldn t have pictured someone like Jazz with his deep violet eyes goofy magic tricks and the quietly intense way he sees her After ten freshman years she still has a lot more to learn But now that she s finally figured out how to go back has she found something worth staying for

[Azure](#), 2004 *Saul Steinberg* Deirdre Bair, 2012-11-20 From National Book Award winner Deirdre Bair the definitive biography of Saul Steinberg one of *The New Yorker's* most iconic artists The issue date was March 29 1976 *The New Yorker* cost 75 cents And on the cover unfolded Saul Steinberg's vision of the world New York City the Hudson River and then well it's really just a bunch of stuff you needn't concern yourself with Steinberg's brilliant depiction of the world according to self-satisfied New Yorkers placed him squarely in the pantheon of the magazine's and the era's most celebrated artists But if you look beyond the searing wit and stunning artistry you'll find one of the most fascinating lives of the twentieth century Born in Romania Steinberg was educated in Milan and was already famous for his satirical drawings when World War II forced him to immigrate to the United States On a single day Steinberg became a US citizen a commissioned officer in the US Navy and a member of the OSS assigned to spy in China North Africa and Italy After the war ended he returned to America and to his art He quickly gained entree into influential circles that included Saul Bellow Vladimir Nabokov Willem de Kooning and Le Corbusier His wife was the artist Hedda Sterne from whom he separated in 1960 but never divorced and with whom he remained in daily contact for the rest of his life This conveniently freed him up to amass a coterie of young mistresses and lovers But his truly great love was the United States where he traveled extensively by bus train and car drawing observing and writing His body of work is staggering and influential in ways we may not yet even be able to fully grasp quite possibly because there has not been a full scale biography of him until now Deirdre Bair had access to 177 boxes of documents and more than 400 drawings In addition she conducted several hundred personal interviews Steinberg's curious talent for creating myths about himself

did not make her job an easy one but the result is a stunning achievement to admire and enjoy The electronic version of this title does not contain the 35 Saul Steinberg illustrations that are available in the print edition *D.A.R.C. Ana Andjelic,2024-12-13 Modern brands are hitmakers Knowing how to influence consumers through collaborations merch entertainment brand codes icons and other cultural products and not through advertising is a matter of strategy In this book world renowned brand expert Ana Andjelic shows how modern brand strategy needs to be redefined as the strategy of cultural influence how brands today influence culture how brands should address audiences and how the new approach to cultural hitmaking works organizationally and operationally A cultural hit is an idea content or entertainment that a large number of consumers pay attention to share and talk about Once cultural hits become market hits by lifting brand popularity or driving product sales they have a strong financial return for a company Brands are motivated to start producing as many cultural hits as possible and these new formats replace traditional brand marketing strategies In the book Ana Andjelic clearly articulates the complexity of this modern brand building and provides a set of practical examples and tools that can be used by brand strategists to produce a cultural hit **Stores of the Year** ,1993 A pictorial report on store interiors

Students of Myself Rhys Hughes,2021-06-11 There are few students in my class When one considers what the subject is this isn t surprising I teach myself In other words I impart to my students facts and fancies based on my life and ideas It s the least popular class in the university and I doubt it will be funded for another term But none of that is my fault I wanted to teach a proper discipline such as ecology but the authorities wouldn t let me They insisted that I teach myself and as a result I do so The students are given an assignment They each have to write a short piece about how I spend my free time But this is information I ve always kept secret I can t imagine how they re expected to know anything about my private life certainly not in detail Clearly I m being spied on Unless it s guesswork I read the essays anxiously Yes only some of them have got it
