Hebrew Word Study Chaim

Bentorah, 2014-06-25 Many Christians long to study the Word of God in the original Hebrew They will take Hebrew classes at a college a synagogue or online and often become discouraged because these classes either teach them to speak Hebrew or spend considerable time teaching complex rules of grammar when all these Christians want to do is find God's heart and message in His Word As a result these Christians usually give up and just go to the back of their Strong's Concordance a lexicon or a Bible dictionary to look up a word This book is written for the Christian who does not want to learn to speak Hebrew or spend long hours trying to understand complex rules of grammar All they want is to know if there is a deeper meaning to certain Hebrew words Even after looking up a word in their lexicon they are still left with a nagging feeling that there must be more In most cases there is more and this book will give some guidelines in how to drill down into the very heart soul and core of a Hebrew word it will take you to a world beyond your lexicon and you do not need a PhD to do it The only thing you will need is to love the Word of God and if you love it enough it will reveal its secrets Hebrew is a language of the heart and if you love God enough He will reveal His heart to you through the ancient Hebrew language
