

HAMLET

C Analysing Claudius's Speech: Part 2 — Pathos, Ethos, and Logos

There are as many different kinds of speeches as there are audiences. Nevertheless, there are some traits that all speeches have in common, despite their different audiences. Before we look at these defining characteristics, it is important to note that there are three over-arching principles that govern speech writing in general, as developed by Ancient Greek philosopher, thinker, and orator, Aristotle: ethos, pathos and logos.

1. **Ethos** — "What gives you the authority to speak before me today?"
2. **Pathos** — "Why should I care, emotionally, about what you are saying?"
3. **Logos** — "How does your speech makes sense, logically? Give me persuasive arguments to take action."

Look back at Claudius's speech (1.2.1-38) again, and find evidence of the following defining characteristics of good speeches. Be sure to also explain the purpose and effect of each example you cite.

Defining characteristic	Examples	Purpose & Effect
Allusion Allusion is when one refers to the words of someone else. Including allusion in a speech gives it more ethos.		
Attention Grabber You can grab the audience's attention in several ways, with a quote, a joke, or a big, bold statement.		
Bond Gaining a rapport with your audience is easier when you say inclusive phrases like "we", "us", or "us". Bond is very much a part of ethos.
