Handbook Of Organizational Politics Author Eran Vigoda Gadot May 2008

Evan M. Berman

Handbook Of Organizational Politics Author Eran Vigoda Gadot May 2008:

Handbook of Organizational Politics Eran Vigoda-Gadot, Amos Drory, 2016-03-25 The Handbook of Organizational Politics offers a broad perspective on the intriguing phenomena of power influence and politics in the modern workplace their meaning for individuals groups and other organizational stakeholders and their effect on organizational outcomes and performances Comprising entirely of new chapters and insights this second edition revisits the theory on organizational politics OP and examines its progress and changes in emphasis in recent years This timely and informative book provides a comprehensive set of state of the art studies on workplace politics based on experiences from around the world The contributors highlight topics such as political skills political will politics and leadership compensations politics and performance and politics and the learning climate Students and scholars will benefit from the up to date collection of studies in the field of OP This Handbook will also be of interest to practitioners and managers from public and private sectors looking for better explanations of internal processes in business

Handbook of Organizational Politics Eran Vigoda-Gadot, Amos Drory, 2006 This exciting Handbook offers a broad perspective on the intriguing phenomena of power influence and politics in the modern workplace their meaning for individuals groups and other organizational stakeholders and their effect on organizational outcomes and performances The contributors illustrate the fact that organizational politics has many facets and definitions all relating to the use of personal or aggregate power in influencing others and better achieving goals in the workplace However politics in organizations is difficult to study as neither employees nor management are keen to divulge the political secrets and dynamics that help them to promote their own ideas and goals and to advance in the workplace In the face of this challenge the Handbook presents a comprehensive collection of original studies and theoretical discussions from across the globe Providing a starting point for new research in the area issues dealt with include politics personality and leadership ethics fairness and prospects of trust in workplace politics organizational politics and employees well being strategy change and decision making as a political process human resource management and consulting in a political sphere Offering a fresh and up to date take on the topic this highly original Handbook will be a fascinating read for academics students and researchers in the fields of management and organizational behavior The wide range of perspectives presented in this book written by some of the leading scholars and researchers in the field will also be invaluable to practitioners in management and to individuals in organizations who require a better understanding of the meaning of power and influence in the modern workplace

Public Administration and Public Affairs Nicholas Henry, 2015-07-14 Updated in its 12th edition Public Administration and Public Affairs shows readers how to govern efficiently effectively and responsibly in an age of political corruption and crises in public finance With a continuing and corroding crisis occurring as well as greater governance by nonprofit organizations and private contractors it is vital that readers are given the skills and tools to lead in such an environment Using easy to understand metaphors and an accessible writing style Public Administration and Public

Affairs shows its readers how to govern better preparing them for a career in public administration **Encyclopedia of Public Administration and Public Policy: Equal-Organizational** Evan M. Berman, 2008 *A Handbook on Organizational Politics* Sowmya K. R., Panchantham N., 2012-03 The edited book on A handbook on organizational politics is a rich contribution towards the literary review of organizational politics and the factors influencing organizational politics The prime aim of this book is to comprehend recent concepts practices theoretical background and results of empirical studies related to organizational politics The book will be ideal for researchers in organizational behaviour since it will contain concepts theories practice about politics in workplace It will also be useful for the academicians and corporate managers Further postgraduate students of business studies in general and Human Resource Management in particular could use it as a reference book My special thanks are due to the prompt contributors towards the successful publication of this edited volume I express my sincere thanks to Lap Lambert Academic Publishing House for their encouragement and great efforts taken to publish this book on time **Organizational Power Politics** Gilbert W. Fairholm, 1993-01-26 Organizational Power Politics is about how individuals can achieve their objectives in organizational work groups Office politics or organizational politics is a significant part of the life of everyone who works with others in formal or informal groups These relationships are power tinged and success can be attained only as we use power effectively Understanding what power is and how it can be used to gain personal or group objectives is the focus of the book It provides readers with specific recommendations about the situations in which power use can be effective and it identifies those tactics most effective in leading subordinates and superiors toward the achievement of our goals This work will be of interest to scholars and practicing managers seeking information on how better to use organizational politics to attain personal and organizational goals It provides insight into power theory as well as a practical model for power use strategic orientation and operational tactics
