*Handbook of Religion* Terry C. Muck, Harold A. Netland, Gerald Robert McDermott, 2014 *Handbook of Religion* Terry C. Muck, Harold A. Netland, Gerald R. McDermott, 2014-11-04 This comprehensive handbook provides a Christian perspective on religion and its many manifestations around the world Written by top religion scholars from a broad spectrum of Christianity it introduces world religions indigenous religious traditions and new religious movements Articles explore the relationship of other religions to Christianity providing historical perspective on past encounters and highlighting current issues The book also contains articles by adherents of non Christian religions offering readers an insider s perspective on various religions and their encounters with Christianity Maps timelines and sidebars are included **Pro Ecclesia Vol 23-N4** Pro Ecclesia, 2014-12-05 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology **Pro Ecclesia Vol 24-N1** Joseph Mangina, Associate Professor of Theology & Director of Advanced Degree Studies, Wycliffe College, Toronto, Pro Ecclesia, 2015-03-09 Pro Ecclesia is a quarterly journal of theology published by the Center for Catholic and Evangelical Theology *Asian Christian Theology* Timoteo D. Gener, Stephen T. Pardue, 2019-07-31 Asian Christian Theology provides a survey of contextually reflective robustly evangelical theology for students to engage with the core doctrines of Christianity and their outworking in different cultures across Asia The contributors of the chapters come from all corners of Asia to systematically examine traditional doctrinal themes and contemporary concerns for the Asian church Ideal for use as a companion textbook in Asian seminaries and institutions this book will also provide excellent further reading for those outside of Asia seeking global theological perspectives and for those in contexts of significant Asian diaspora Many excellent books surveying theology exist but this book is a major step forward for students and scholars seeking to understand the dynamic environment of evangelical theology in Asia T&T Clark Handbook of Neo-Calvinism Nathaniel Gray Sutanto, Cory Brock, 2024-01-25 Neo Calvinism critically advances Reformed orthodoxy for the sake of modern life Birthed in the Netherlands at the turn to the twentieth century initiated by Abraham Kuyper 1837 1920 and Herman Bavinck 1854 1921 it argued that a life before God entailed the leavening of faith over all human existence While the movement originated in the Netherlands the tradition now has a global reach with practitioners and thinkers applying its insights in diverse ways and in their own contexts This handbook is a genealogical introduction to this lively and modern branch of the Reformed tradition with contributors that reflect its global reach Its four sections chart the theological roots important original figures historical contours and the contemporary influence of neo Calvinism across a diversity of fields *Routledge Handbook on the Governance of Religious Diversity* Anna Triandafyllidou, Tina Magazzini, 2020-12-30 This book critically reviews state religion models and the ways in which different countries manage religious diversity illuminating different responses to the challenges encountered in accommodating both majorities and minorities The country cases encompass eight world regions and 23 countries offering a wealth of research material suitable

to support comparative research Each case is analysed in depth looking at historical trends current practices policies legal norms and institutions By looking into state religion relations and governance of religious diversity in regions beyond Europe we gain insights into predominantly Muslim countries Egypt Morocco Tunisia Turkey Indonesia Malaysia countries with pronounced historical religious diversity India and Lebanon and into a predominantly migrant pluralist nation Australia These insights can provide a basis for re thinking European models and learning from experiences of governing religious diversity in other socio economic and geopolitical contexts Key analytical and comparative reflections inform the introduction and concluding chapters This volume offers a research and study companion to better understand the connection between state religion relations and the governance of religious diversity in order to inform both policy and research efforts in accommodating religious diversity Given its accessible language and further readings provided in each chapter the volume is ideally suited for undergraduate and graduate students It will also be a valuable resource for researchers working in the wider field of ethnic migration religion and citizenship studies

**Multilateral Theology** Timothy T.N Lim, 2021-04-19 This book introduces a new multilateral methodology for the contemporary study of theology It bases this methodology on the idea that there are too many materials contributing as sources for theologizing to sustain the one method fits all approach found in many systematic theologies within Christianity What is needed instead is something that reflects the various and varied natures purposes and tasks of theologians theologizing for their respective contexts Engaging materials from a range of Christian traditions including Evangelicalism the Catholic Magisterium and a limited range of pan Orthodox resources the book analyzes and assesses major factors that have shaped different streams of theology Addressing doctrinal development scripture and revelation historical tradition and creeds philosophy and truth sciences and interdisciplinarity experience religious pluralism and culture it demonstrates how these various streams can form a multilateral whole The book concludes by examining the centers and peripherals of methodologies in theologization for a spectrum of theological traditions streams both across and beyond Christianity By offering an approach that keeps in step with the increasingly interconnected and pluralistic world in which we live this book provides a vital resource for any scholar of Christian theology constructive theology contextual theologies and systematic theology as well as religious studies

**A Charitable Orthopathy** John W. Morehead, Brandon C. Benziger, 2020-04-07 Evangelicals and other conservative Christians of the twenty first century face enormous challenges in the pluralistic public square not least with Muslims and atheists Contrary to biblical injunctions to keep in step with the Spirit Gal 5 25b and to love our neighbors as ourselves e g Matt 22 37 40 Luke 10 25 37 both of which involve not only behavioral but also important affective elements we often harbor deep seated antipathies toward atheists and adherents of other religions While such feelings are at times justified and help us cope with conflict related tragedies they are also often baseless misconstrued and counterproductive priming us to avoid religious others support discriminatory policies against them and even confront them in verbal or physical ways The purpose of this volume is to offer an

academically informed yet practically oriented collection of essays that challenges and encourages Christians to engage their religious neighbors in a much more loving compassionate hopeful and courageous indeed orthopathic manner whether in the realm of politics in debate and conference venues on the mission field or in their own homes schools churches and neighborhoods As such a set of reflection and discussion questions is included to facilitate individual and or group study

**Maria's Keepers** Sam Human,2024-02-01 Maria is a young woman raised as a Jehovah s Witness in South Africa and this book documents her experiences of gender victimisation sexual abuse and cover ups within the church as well as her eventual escape from its doctrines and control Maria s freedom came at a price however she can never see her mother and sister again Entering the church is easy but leaving it can be a matter of life or death as Maria and countless others discovered

'Hurrying Truth' in the Poetry of Anne Sexton Anissa Sboui,2023-08-16 This book investigates the key terms truth and misinformation in the light of Anne Sexton s Complete Poems The author argues that what characterizes her poems is their heightened level of transparency poem after poem she establishes a close relationship with the reader through recording a detailed account of her private stories In this sense the aim of this study hinges on demonstrating the inscription of truth in Sexton s poems

Deconstructing Evangelicalism Jamin Andreas Hübner, 2020-01-01 This book is electric Hübner goes about Deconstructing Evangelicalism with the skills available only to someone formerly embedded in the apologetics oriented take no prisoners Calvinist Piperian Brownian conservative evangelical subculture Brilliant Learned Passionate Creative Angry Hopeful Maybe You must read it for yourself and find out I will be studying this book for a long time to come DAVID GUSHEE Past President American Academy of Religion and Distinguished University Professor of Ethics Mercer University This book is special at once incendiary and charming you are invited into the world of Christian fundamentalism in all of its glory and complexities and traumatic realities This world is a crazy place filled with all of the political zealotry casual sexism and apocalyptic young

earth creationism one could desire H bner s story is a dynamic sobering testament to that reality From the depths of his days as an Internet apologist to his interdisciplinary career as a professor we see the impact of religious fundamentalism on heart mind and body For those who have walked through the valley of the shadow of fear may you be filled with curiosity and joy at the sight of another theologian on the journey From one sojourner to another I am happy to commend to you the work of my colleague and dear friend NICHOLAS RUDOLPH QUIENT Associate Pastor The First Baptist Church of Redlands Co Host of the Sinnergists Podcast and Author of The Perfection of Our Faithful Wills Many of Jamin s experiences mirror my own and I am grateful we were friends while surviving as faculty at evangelical liberal arts colleges Reading this book has once again encouraged me and given me a hopeful way forward as he always has as a friend His theological nuance and understanding highlights why evangelicalism is in many ways so superficial and it will encourage anyone that their own deconstruction can lead to a stronger more robust and more inclusive faith in God I will be passing along his book to my friends who come to me for help as they struggle with asking questions of who God really is KRISTY WHALEY PhD Theology Candidate University of Glasgow Former Theology Faculty Colorado Christian University      *Costly Love* John H. Armstrong, 2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on which Christ built his church when we do so In *Costly Love* Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God      Why Study Religion? Terry C. Muck, 2016-06-21 Why Studying Religion Matters in a Pluralistic Context This brief primer explains why Christian students should study religion how they should go about it and why it is important in our contemporary pluralistic context Senior religion scholar Terry Muck introduces the discipline and explains how it can be approached by Christian students He explores the contemporary significance of studying religion in a complex multicultural world and concludes by addressing the skills students must bring to the study of religion in the twenty first century Written in accessible prose suitable for undergraduates this introduction can be used to supplement any standard religion textbook      **Rebels with Insufficient Cause** J. M. Sparrow, 2018-09-19 Why are Americans of African descent as a group not flourishing like other racial groups in America Dr J M Sparrow in *Rebels with Insufficient Cause* proposes that value formation through the biblical model of the family is lacking The secular world is redefining and reinterpreting the social structures that God created in order for humans to enjoy maximum human flourishing Every person or social group that chooses to ignore God s designs for humanity will experience chaos but every person and social group that submits to God s designs for humanity will experience order Americans of African descent are experiencing that chaos in greater measure than any other racial group Since this book holds to a biblical worldview that teaches that all humans are created equal Americans of African descent are not inherently more debased than other races However since the out of

wedlock birth rate is astronomically higher in black communities than in others they are experiencing a greater share of the chaos Yet all is not lost When Americans of African descent begin to hold up the truths of the Bible as normative and encourage future generations to practice the same things will begin to turn around Americans of African descent must choose to reject the victim mentality see themselves as part of the larger American culture rather than as outsiders and inculcate biblical values on their children in the midst of loving supportive and God honoring family units Religiosity and Gospel Transmission Tony Chuang, 2024-08-31 Taiwan is a nation with religious freedom and a long history of missionary activity Yet the Christian population has steadily remained as a minority religious affiliation In this important missiological work Dr Chuang seeks to find out why this is the case and what lessons can be learnt for mission and evangelism in Taiwan From his in depth interviews Dr Chuang explores the interplay of folk religions and Christianity in Taiwanese attitudes and lived reality regarding religiosity Focusing on theoretical and theological issues this work is unique in providing clarity around the nuances of how the people of Taipei conceptualize religion and the unseen realm Dr Chuang skilfully demonstrates that to better contextualize the gospel among Han Chinese in Taipei Christians need to ask the questions that the people are asking to other deities in daily life and frame an exclusive Jesus in an inclusive way Missiologists practitioners and pastors will all benefit from this practical contextualized approach to gospel transmission in Taipei
