Challenging Contextuality, 2024-07-31 Challenging Contextuality Bibles and Biblical Scholarship in Context provides a new and innovative contribution to the study of biblical texts by bringing together current approaches to biblical interpretation The volume sets the agenda for the future of the field and provides a synthesis of approaches to date In doing so it aligns itself with the broadly shared hermeneutical conviction that contextuality is a catalyst for interpretation This applies in equal measure to approaches and methods that are often framed as traditional or mainstream e.g. the methodological canon of the historical critical approach as the offspring of the European Enlightenment and those that are often dubbed contextual e.g. forms of feminist or indigenous interpretation The volume grounds contextual biblical interpretation within the broader landscape of biblical studies and the chapters are all

interested in the contexts in which bibles are read Rather than a series of examples of contextual biblical interpretation this book is concerned with what it means to do contextual biblical interpretation how contextual biblical interpretation challenges biblical scholarship and what chances there are for this mode of inquiry What contexts are engaged and elucidated when it comes to bible use What contexts are made visible and invisible How can different contexts be theorized and understood The volume argues that it is not context that matters rather contemporary contexts should be a challenge and a chance for biblical scholarship its present and its future Gender in the Rhetoric of Jesus Sara Parks,2019-10-04

Examining the hypothetical earliest layer of Jesus sayings known as Q Sara Parks argues that Jesus deliberately crafted parabolic teachings regarding the basileia of God to appeal to both male and female adherents For a century after Q vestiges of gender paired teachings popped up in multiple independent texts related to Jesus from Mark to Paul to the Synoptics and John making it more likely that this inclusion of women originated with Jesus himself In *Gender and the Rhetoric of Jesus* Parks engages the divided scholarship on the meaning of gendered pairs for an evaluation of the gender politics of Q arguing that even though Q's peculiar rhetoric of gender equality was an innovation it was also a product of its time as evidenced in other contemporaneous texts which struggled with ambiguous equalities from Philo to Musonius Rufus to Joseph and Aseneth In addition she shows that Jesus rhetoric of gender as remembered in Q constitutes some of the earliest evidence for the study of first century Jewish women and women in Christian origins Elements of Biblical Exegesis Michael J. Gorman,2020-11-03

World renowned scholar Michael Gorman presents a straightforward approach to the complex task of biblical exegesis This third edition of Gorman's widely used and trusted textbook over 60 000 copies sold has been thoroughly updated and revised to reflect developments in the academy and the classroom over the past decade The new edition explains recent developments in theological interpretation and explores missional and non Western readings of the biblical text Adaptable for students in various settings it includes clear explanations practical hints suggested exercises and sample papers *Changing the Goalpost of New Testament Textual Criticism* Abidan Paul Shah,2020-10-02

Before the 1960s the goal of New Testament Textual Criticism was singular to retrieve the original text of the New Testament Since then the goalpost has incrementally shifted away from the original text to retrieving any text or many texts of the NT Some scholars have even concluded that the original text is hopelessly lost and cannot be retrieved with any confidence or accuracy Other scholars have gone a step further to claim that the idea of an original text itself is a misconception that needs to be abandoned If this new approach in NTTC is correct then the authority of Scripture is weakened or no longer valid It will be shown in this book that such is not the case Furthermore emphasis will be placed on the need to return to the traditional goalpost of NTTC i e to retrieve the original text Without a generally definitive text the door will be left wide open to recreate any desired text of the NT An unsettled original text will result in an unsettled biblical theology due to a lack of any authoritative and standard text Consequently it will lead to an unsettled Christian faith and practice **SCM Studyguide:**

Biblical Hermeneutics David Holgate, Rachel Starr, 2019-09-30 The SCM Studyguide Biblical Hermeneutics offers entry level undergraduates a framework for interpreting the Bible The book goes beyond offering guidance on how to do exegesis and is intended as a practical tool to help readers develop good interpretative strategies for themselves As such it features pedagogical tools such as Try it Out boxes to assist students to develop a tested and thought through overall interpretative strategy of their own This fully updated 2nd edition takes into account the changing church and world context and the new challenges this context brings as students seek to read the Bible with attentiveness integrity and faithfulness Table of contents Acknowledgements Introduction 1 Where Do We Want to Go 2 Past Experience and Present Expectations 3 Tools for Exegesis 4 Our Reality 5 Committed Readings 6 Enabling Dialogue with the Text 7 Our Goal Life Affirming Interpretations Summary of the Interpretative Process References and Further Reading Index of Biblical References Index of Names Index of Subjects *World Christian Trends Ad30-ad2200 (hb)*, 2001 *BIBLICAL CRITICISM* Edward D.
