Guiding Rights Guiding Rights:

Human Rights and Economic Policy Reform Aoife Nolan, Juan Pablo Bohoslavsky, 2021-09-22 This book deals with the complex and challenging relationship between economic policy and human rights In the context of the COVID 19 pandemic crisis the need to address the conceptual and methodological disconnects between these two areas is more pressing than ever Inspired by the 2019 United Nations Guiding Principles on Human Rights Impact Assessments HRIA for Economic Reform Policies this book brings together experts working on human rights and economic policy from a range of disciplinary perspectives including economics law and development studies The contributions reflect a huge body of professional experience in the academic policy making advocacy and practitioner fields They cover issues including the politics of evidence in the context of HRIA economic inequality child rights impact assessment of economic reforms economic policy and women s human rights tax regimes for multinational corporations and human rights as well as the human rights impacts of the economic fallout of the COVID 19 pandemic The collection also includes the text of the Guiding Principles themselves It constitutes a crucial volume for scholars policymakers advocates and others working on the burning topic of human rights and economic policy reform The chapters in this book were originally published as a special issue of The International Journal of Human Rights

Realizing the Abidjan Principles on the Right to Education Frank Adamson, Sylvain Aubry, Mireille de Koning, Delphine Dorsi, 2021-05-28 This insightful book analyses the process of the first adoption of guiding human rights principles for education the Abidjan Principles It explains the development of the Abidjan Principles including their articulation of the right to education the state obligation to provide quality public education and the role of private actors in education

Enforcing Corporate Social Responsibility Codes Anna Beckers, 2015-10-22 Corporate social responsibility codes are guidelines that companies voluntarily develop and publish with the objective of showing the public their commitment to respect human rights to improve fundamental workplace standards worldwide and to protect the natural environment These corporate codes have become a crucial element in the regulatory architecture for globally operating companies By focusing on the characteristics of the codes their effects on society and their legal consequences this book seeks to provide a comprehensive analysis of corporate codes and the law Enforcing Corporate Social Responsibility Codes develops proposals on the relationship between global corporate self regulation and the national private law systems It uses methods of comparative law and sociological jurisprudence to argue that national private law can and in fact should enforce these codes as genuine legal obligations The author formulates legal policy recommendations for English and German private law that indicate how the proposed legal enforcement could be realised in practice The dissertation on which this book is based was awarded the second prize in the humanities category of the Deutscher Studienpreis German Thesis Award by the Koerber Foundation in November 2015

Women, Migration, and Conflict Susan Forbes Martin, John Tirman, 2009-09-18 An estimated 35 million people worldwide are displaced by conflict and most of them are women and children During their

time away from their homes and communities these women and their children are subjected to a horrifying array of misfortune including privations of every kind sexual assaults disease imprisonment unwanted pregnancies severe psychological trauma and upon return or resettlement social disapproval and isolation Written by the world's leading scholars and practitioners this unique collection brings these problems and potential solutions into sharp focus Based on extensive field research and a broad knowledge of other studies of the challenges facing women who are forced from their homes and homelands by conflict this book offers in depth understanding and problem solving ideas Derived from a project to advise U N agencies it speaks to a broad array of students scholars NGOs policymakers government officials and international organizations

[The Content Governance Dilemma](#) Edoardo Celeste,Nicola Palladino,Dennis Redeker,Kinfe Yilma,2023-07-30 This open access book is one of the first academic works to comprehensively analyse the dilemma concerning global content governance on social media To date no single human rights standard exists across all social media platforms allowing private companies to set their own rules values and parameters On the one hand this normative autonomy raises serious concerns primarily around whether companies should be permitted to establish the rules governing free speech online On the other hand if social media platforms simply adopted international law standards they would be compelled to operate a choice on which model to follow and put in place mechanisms to uphold these general standards This book examines this topic from a multidisciplinary perspective drawing from the expertise of the authors in law political science and communication studies It provides a carefully reconstructed theory of the content governance dilemma as well as pragmatic solutions for companies and policymakers In this way the book not only benefits academics by advancing the debate on content moderation issues but also informs new policies and regulatory strategies by offering an up to date overview of rules and tools for content moderation as well as an evaluation of their current level of compliance with standards emerged in international human rights law and digital constitutionalism initiatives

Inclusive Sustainability Ottavio Quirico,2022-05-04 In light of the third generation concept of inclusive sustainability the volume explores the architecture of global disability governance and its degree of harmonisation The book integrates socio cultural economic political and legal analyses from an international and comparative perspective The first part of the volume outlines a tripartite systematisation of disability rights for States and non state persons In light of essential economic considerations the second part explores the relationship between disability and specific fundamental rights and regimes particularly the rights to life health education work and participation The third part takes an institutional approach and focuses on the way in which the UN and regional organisations regulate disability rectius different ability

China's Influence on Non-Trade Concerns in International Economic Law Paolo Farah,Elena Cima,2016-10-14 This volume examines the range of Non Trade Concerns NTCs that may conflict with international economic rules and proposes ways to protect them within international law and international economic law Globalization without local concerns can endanger relevant issues such as

good governance human rights right to water right to food social economic cultural and environmental rights labor rights access to knowledge public health social welfare consumer interests and animal welfare climate change energy environmental protection and sustainable development product safety food safety and security Focusing on China the book shows the current trends of Chinese law and policy towards international standards The authors argue that China can play a leading role in this context not only has China adopted several reforms and new regulations to address NTCs but it has started to play a very relevant role in international negotiations on NTCs such as climate change energy and culture among others While China is still considered a developing country in particular from the NTCs point of view it promises to be a key actor in international law in general and more specifically in international economic law in this respect This volume assesses taking into consideration its special context China's behavior internally and externally to understand its role and influence in shaping NTCs in the context of international economic law

Corporate Accountability in the Context of Transitional Justice Sabine Michalowski, 2014-06-23 Corporate Accountability in the Context of Transitional Justice explores how corporations can be held accountable for their role in past human rights violations when a country is making a transition from conflict or repression to peace and

democracy It breaks new ground in theorizing the linkages between the areas of transitional justice and corporate accountability and analyzing problems frequently arising where the two fields meet in practice for example where the role of corporations in past human rights violations is examined by truth and reconciliation commissions or in the course of litigation The book provides an overview of the current trends in law and in legal and political discussion relating to both areas as well as in depth analysis of how tools of corporate accountability and transitional justice can complement each other in order to achieve the best outcomes for bringing justice to victims and lasting peace to societies The authors bring extensive experience from diverse professional backgrounds and jurisdictions to provide the first sustained attempt to address this link The book will be of interest to scholars practitioners policymakers and activists working in the areas of transitional justice corporate accountability and business and human rights

Corporate Citizen Oonagh E. Fitzgerald,2020-10-06

The contributors to *Corporate Citizen* explore the legal frameworks and standards of conduct for multinational corporations In a globalized world governed by domestic and international law these corporations can be everywhere and nowhere at once reaping financial benefits and enjoying the protections of investor state arbitration but rarely being held accountable for the economic environmental and human rights harms they may have caused Given the far reaching power and success of the transnational corporation and the many legal tools allowing these companies to avoid liability how can governments protect their citizens Broad ranging in perspective colourful and thought provoking the chapters in *Corporate Citizen* make the case that because the success of corporate global citizenship risks undermining national and international democratic governance the multinational corporation must be more closely scrutinized and controlled in the service of humanity and the protection of the natural environment

The Routledge Companion to Ethics, Politics and Organizations Alison Pullen,Carl

Rhodes,2015-06-05 The *Routledge Companion to Ethics Politics and Organizations* synthesizes and extends existing research on ethics in organizations by explicitly focusing on ethico politics where ethics informs political action It draws connections between ethics and politics in and around organizations and the workplace examines cutting edge areas and sets the scene for future research Through a wealth of international and multidisciplinary contributions this volume considers the broad range of ways in which ethics and politics can be conceived and understood The chapters look at various ethical traditions as well as the discursive deployment of ethical terminology in organizational settings and they also examine large scale political structures and processes and how they relate to different forms of politics which affect behaviour in organizations These many possibilities are united by a focus on how ethics can be used to inform and justify the exercise of power in organizations This collection will be a valuable reference source for students and researchers across the disciplines of organizational studies ethics and politics

Sustainable Fashion Sarah Margaretha Jastram,Anna-Maria

Schneider,2018-05-30 This edited volume comprises ideas visions strategies and dreams of entrepreneurs managers scientists and political experts who share their best practice experience relating to the joint goal of a more sustainable

humanistic and responsible fashion industry Readers will find a variety of approaches and strategies that in sum represent a rich pool of insights and cases for anyone interested in the study of new management perspectives and in the systematic advancement of sustainable fashion In 14 chapters international authors discuss topics such as Sustainable Business Models Cradle to Cradle Circular Economy Human Rights Ethical Supply Chain Management Sustainable Fashion Consumption Certification and Auditing Traceability Impact Measurement and Industry Transformation Business case studies include H M Filippa K Melawear Otto Tauko and Tchibo Further brands that are discussed in the book are Prada Burberry Herm s Hugo Boss and many more The book demonstrates that sustainable fashion can hardly be realized by just one actor or by using just one business tool or governance instrument The sustainable transformation of the textile sector requires concerted action of businesses governments NGOs and consumers to clearly demonstrate a coalition for change and a willingness and power to end inhumane and unsustainable business practices in the 21st century The sum of innovative approaches and solutions presented in this book shows that the momentum for change is strong and that mutual learning respect and collaboration can lead to interesting and effective new paths of co creation and shared responsibility in the fashion industry

Public Policy in International Economic Law Diane Desierto, 2015-02-19 States reject inequality when they choose to ratify the International Covenant on Economic Social and Cultural Rights ICESCR but to date the ICESCR has not yet figured prominently in the policy calculus behind States international economic decisions This book responds to the modern challenge of operationalizing the ICESCR particularly in the context of States decisions within international trade finance and investment Differentiating between public policy mechanisms and institutional functional mandates in the international trade finance and investment systems this book shows legal and policy gateways for States to feasibly translate their fundamental duties to respect protect and fulfil economic social and cultural rights into their trade finance and investment commitments agreements and contracts It approaches the problem of harmonizing social protection objectives under the ICESCR with a State s international economic treaty obligations from the designing and interpreting international treaty texts up to the institutional monitoring and empirical analysis of ICESCR compliance In examining public policy options the book takes into account around five decades of States implementation of social protection commitments under the ICESCR its normative evolution through the UN Committee on Economic Social and Cultural Rights and the Committee s expanded fact finding and adjudicative competences under the Optional Protocol to the ICESCR as well as the critical dialectical and deliberative roles of diverse functional interpretive communities within international trade finance and investment law Ultimately the book shoes how States ICESCR commitments operate as the normative foundation of their trade finance and investment decisions

Local Content and Sustainable Development in Global Energy Markets Damilola S. Olawuyi, 2021-03-04 Local Content and Sustainable Development in Global Energy Markets analyses the topical and contentious issue of the critical intersections between local content requirements LCRs and the implementation of sustainable development treaties in global

energy markets including Africa Asia Europe North America Latin America South America Australasia and the Middle East While LCRs generally aim to boost domestic value creation and economic growth inappropriately designed LCRs could produce negative social human rights and environmental outcomes and a misalignment of a country's fiscal policies and global sustainable development goals These unintended outcomes may ultimately serve as disincentive to foreign participation in a country's energy market This book outlines the guiding principles of a sustainable and rights based approach focusing on transparency accountability gender justice and other human rights issues to the design application and implementation of LCRs in global energy markets to avoid misalignments Due Diligence in the International Legal Order Heike Krieger, Anne Peters, Leonhard Kreuzer, 2020 This book provides a comprehensive analysis of the content scope and function of due diligence across various areas of international law Looking at current tendencies towards proceduralisation and more proactive risk management it reveals the promises and limits of due diligence as a concept for enhancing accountability and compliance Business and Human Rights Dorothée Baumann-Pauly, Justine Nolan, 2016-04-28 In a global economy multinational companies often operate in jurisdictions where governments are either unable or unwilling to uphold even the basic human rights of their citizens The expectation that companies respect human rights in their own operations and in their business relationships is now a business reality that corporations need to respond to Business and Human Rights From Principles to Practice is the first comprehensive and interdisciplinary textbook that addresses these issues It examines the regulatory framework that grounds the business and human rights debate and highlights the business and legal challenges faced by companies and stakeholders in improving respect for human rights exploring such topics as the regulatory framework that grounds the business and human rights debate challenges faced by companies and stakeholders in improving human rights industry specific human rights standards current mechanisms to hold corporations to account future challenges for business and human rights With supporting case studies throughout this text provides an overview of current themes in the field and guidance on practical implementation demonstrating that a thorough understanding of the human rights challenges faced by business is now vital in any business context Incorporating Rights Erika George, 2021-08-17 This book explores how capital and consumer markets could provide an additional or alternative form of enforcement to promote responsible business conduct By examining existing and emerging strategies to better align business policies and practices with respect for human rights it explains the power activists investors and consumers possess to impact corporate human rights communications and conduct Blurry Boundaries of Public and Private International Law Poomintra Sooksripaisarnkit, Dharmita Prasad, 2022-02-23 This book examines interactions and discusses intersectionality between public international law and private international law With contributions from scholars from USA Canada Australia India and EU this book brings out truly international perspectives on the topic The contributions are arranged in four themes Public international law and private international law historical and theoretical considerations of the boundary Harmonisation of

private international law by public international law instruments evaluation of process problems and effectiveness Case studies of intersectionality between public international law and private international law Future trends in the relationship between public international law and private international law The ultimate aim of this book is to analyse whether these two legal disciplines become convergent or they are still divergent as usual With wide coverage spanning across these four themes the book has takeaways for a wide readership For scholars and researchers in the fields of public international law and private international law this book sparks further thoughts and debates in both disciplines and highlight areas for continuing research For practitioners this book offers fresh insights and perspectives on contemporaneous issues of significance This book is also be a great resource for students at both undergraduate and postgraduate levels taking subjects such as public international law or private international law or some related disciplines such as international sale of goods international trade law or international investment law to advance their knowledge and understanding of the disciplines
