*Understanding Death* Angela Sumegi, 2024-08-21 What is death? How can we respond to death? Why must we die? Where do we go from here? Do we go anywhere? *Understanding Death* offers a thorough introduction to the views and practices of various religions regarding death and life after death. Drawing on examples from Christian, Jewish, Hindu, Buddhist, and Shamanic traditions, this student-oriented textbook explores how different conceptions of the self or soul inform the way humans interpret life and assign meaning to the phenomenon of death. Incorporating contributions from members of each faith, *Understanding Death* provides readers with a comparative overview of how death is expressed and constructed in religious texts and canonical interpretations. Accessible chapters discuss how major religions address the nature of death itself while illustrating how history, philosophy, and ritual reflect what is important in understanding the meaning of death in that religion. Now in its second edition, *Understanding Death* is revised and updated throughout, featuring three entirely new chapters on Sikhism, Jainism, as well as changing attitudes and new technologies related to death and dying in the twenty-first century. *Understanding Death: Ideas of Self and the Afterlife in Religions of the World, Second Edition* is an ideal textbook for undergraduate students and lecturers in Religious Studies programs and an excellent resource for non-specialist readers interested in the subject.

**The Guru Granth Sahib** Pashaura Singh, 2003-09-26 This book examines three closely related questions in the process of canon formation in the Sikh tradition: how the text of the *Adi Granth* came into being, the meaning of *gurbani*, and how the *Adi Granth* became the *Guru Granth Sahib*. The censure of scholarly research on the *Adi Granth* was closely related to the complex political situation of Punjab and brought the whole issue of academic freedom into sharper focus. This book addresses some of these issues from an academic perspective. The *Adi Granth*, the sacred scripture of the Sikhs, means 'first religious book' from the word *adi* which means 'first' and *granth* which means 'religious book'. Sikhs normally refer to the *Adi Granth* as the *Guru Granth Sahib* to indicate a confession of faith in the scripture as *Guru*. The contents of the *Adi Granth* are commonly known as *bani*, utterance or *gurbani*, the utterance of the *Guru*. The transcendental origin or ontological status of the hymns of the *Adi Granth* is termed *dhur ki bani*, utterance from the beginning. This particular understanding of revelation is based upon the doctrine of the *sabad* or

divine word defined by Guru Nanak and the succeeding Gurus This book also explores the revelation of the bani and its verbal expression devotional music in the Sikh tradition the role of the scripture in Sikh ceremonies and the hymns of Guru Nanak and Guru Arjan     *The Four Quarters of the Night* Tara Singh Bains,Hugh J. M.
