Habits Of The Mind Intellectual Life As A Christian Calling:

Habits of the mind : intellectual life as a Christian calling James W. Sire, 2000 *Habits of the Mind* James W. Sire, 2022-04-05 Can the intellectual life be a legitimate Christian calling James Sire brings wit and wisdom to this question in his deeply personal exploration of how to think well for the glory of God and the sake of his kingdom showing how to cultivate intellectual virtues habits of the mind that will strengthen you in pursuit of your calling **Discipleship of the Mind** James W. Sire, 1990-04-04 Discussing worldview thinking the foundations of knowledge and the relationship between knowing and doing James W Sire shows Christians how to honor God with their minds **What Are You Doing About It?** David W. Gill, 2022-09-23 In his memoir *What Are You Doing About It* ethicist and activist David W Gill takes readers on an exciting inside tour of the academic cultural religious and political landscape in which he has lived and worked for the past several decades From Berkeley to Bordeaux Chicago to Boston from the business trenches and the local church to the seminary and the graduate school of business from marching in the streets to the writer's study from entrepreneurial leadership to institutional challenge Gill never wavered in his mission to promote the ethical insights and values of Jesus and Scripture in the workplace as much as the churchplace This is a story to inspire a new generation of thoughtful activists

Cultivating a Thoughtful Faith Maxie D. Dunnam, Steve G. W. Moore, 2005 The assumption in much of the church is that theology is an obstacle to a vital growing faith not an aid to it Saying that theology is for everyday and every person this work talks about how a living thoughtful faith and learning to think about God can launch your faith and make it powerful and alive

The Contemporary Church and the Early Church Paul A. Hartog, 2010-02-01 As evangelicals face future challenges many are turning back to the ancient church for inspiration But these ancient future approaches remain diverse and sometimes even at odds with one another This volume demonstrates and analyzes the complexity of such contemporary church early church engagements Six scholars share diverse insights from the Patristic period including lessons on evangelism and discipleship community formation and maintenance use of the rule of faith the preaching of social ethics responses to cultural opposition and Christological development The volume closes with two critical responses from confessional Lutheran and Baptist perspectives These collected essays will remind contemporary readers of the importance of a reflective and responsible ressourcement of Patristic wisdom With contributions from Rex D Butler Francis X Gumerlock Bryan M Litfin Brian J Matz W Brian Shelton Edward Smither Glen L Thompson Lost and Found Michael A. Milton, 2024-03-13 No one doubts we have quickly moved to what Charles Taylor called a secular age How do Christian pastors professors seminary students and others respond to the myriad issues now facing the Body of Christ Following on a biblical and reformed understanding of public theology Milton along with trusted theologians John Frame George Grant Peter Lillback and a special contribution from noted Orthodox economist and theologian John Panagiotou not only provide biblical responses to the issues of our time but in doing so give the Church a method a way to conduct faithful Gospel ministry in an increasingly hostile post

Christian world A must for classes on ethics sociology of religion pastoral theology and serious minded Christians seeking insight that they might Understand of the times 1 Chr 12 32 **Deepest Differences** James W. Sire, Carl Peraino, 2009-09-20 If you re looking for clear cut answers to difficult questions about God or for your guy to score a quick knock out of a toughened sparring partner then this book is not for you But if you re open to an authentic no holds barred respectful dialogue about one of life s most important issues then take up and read There are no straw men here Sparked by a chance meeting between two book club acquaintances and their discussion of Kurt Vonnegut s obituary this dialogue between long time Christian Jim Sire and forthright atheist Carl Peraino developed through extended email exchanges exploring minds and brains science and morality faith and reason God and violence doubt and rhetoric You ll find much to ponder weigh and explore in this lively down to earth book A study guide is included if you wish to delve deeper into any of the issues raised Revolution of Character Dallas Willard, 2014-02-27 This book will help you reflect on the spiritual significance of each element of the human person heart mind body social life and soul so that God can transform you Includes discussion questions Apologetics Beyond Reason James W. Sire, 2014-07-14 In this accessible and engaging work veteran apologist Jim Sire gives us eyes to see the signs all around us that point to the specific truth of God in Christ Sire focuses on the power of good literature even from those who deny the existence of God to enable us to perceive and testify to God s reality in ways that rational argument alone cannot *I Just Need Time to Think!* Mark D. Eckel, 2013-12 Everyone needs more time to think Choosing how to spend our thought time is crucial Mark Eckel brings thirty years of Christian reflective study experience to bear on the topic I Just Need Time to Think spotlights encouragement on the goal of thoughtful learning for every follower of Christ 52 brief essays support us to Slow down in a fast paced culture Replace distractions with peaceful focus Adjust schedules for retreat Discipline our minds Commit to reading Promote the vocation of student Sidestep the obstacles of study Continue down the path of learning Establish a place to think Change the character the core of our being I Just Need Time to Think Reflective Study as Christian Practice is a call for Christians everywhere to spend their thought time well applying the psalmist s wisdom Great are the works of the Lord studied by all who delight in them Psalm 111 2 A Reasonable Response William Lane Craig, Joe Gorra, 2013-09-01 Followers of Jesus need not fear hard questions or objections against Christian belief In A Reasonable Response renowned Christian philosopher and apologist William Lane Craig offers dozens of examples of how some of the most common challenges to Christian thought can be addressed including Why does God allow evil How can I be sure God exists Why should I believe that the Bible is trustworthy How does modern science relate to the Christian worldview What evidence do we have that Jesus rose from the dead Utilizing real questions submitted to his popular website ReasonableFaith.org Dr Craig models well reasoned skillful and biblically informed interaction with his inquirers A Reasonable Response goes beyond merely talking about apologetics it shows it in action With cowriter Joseph E Gorra this book also offers advice about envisioning and practicing the ministry of answering people s questions through the

local church workplace and in online environments Whether you're struggling to respond to tough objections or looking for answers to your own intellectual questions A Reasonable Response will equip you with sound reasoning and biblical truth

Head, Heart and Hands Dennis P. Hollinger, 2010-09 As Christians we are to love God with all of our being heart mind soul and strength But many of us tend to overemphasize one aspect or another and as a result our faith becomes imbalanced Some of us have an intellectual faith but lack compassion or spiritual discipline Others of us have a vibrant heartfelt relationship with God but lack

Neo-Pentecostalism Nelson Kalombo Ngoy, 2019-05-23 For centuries Pentecostalism has played a significant role in oppressively shaping the life of formerly colonized people of Africa Moreover its theologies have perpetuated neocolonial policies developed through the lens of colonial legacies rooted in the mission civilizatrice mission to civilize However since the 1980s Neo Pentecostalism is increasingly reshaping the Congolese Christendom It sanctions the theologies of a prosperity gospel rooted in an uncritical reading of the Bible and self theologizing informed by a lack of literal contextual translation effects This book argues that the prosperity gospel bankrupts its adherents in this case the vulnerable impoverished sections of Sub Saharan Africa and particularly the Postcolonial Congo and instead offers a balanced theological reflection that broadens Neo Pentecostal studies with an African voice encouraging the rewriting and rereading of the story of redemptive mission The research engages a paradigm shift within global missions and world Christianity or the history of missions as the platform to negotiate literal prophetic and contextual translation and retransmission of the biblical gospel It is critical to reclaim and reestablish a hermeneutic of mixed methodologies and construct a contextual and critical interpretation of the Bible in the Congo To avoid the African assumption of cultural baggage which affects how the Congolese interpret the Bible the interpreter has to be neutral and experience the voice of Christ in the text instead of the voice of Congolese culture they must be a prophetic voice to reconstruct the authentic meaning of the salvific story

The Liberal Arts Gene C. Fant Jr., 2012-05-31 An excellent liberal arts education holds purpose giving and society shaping power But how do we tap into that power and make the most of liberal learning for the glory of God Professor Gene Fant teaches how to maximize a liberal arts education by outlining its history criticisms purposes and benefits Ultimately he shows that liberal learning equips us to become spiritually and intellectually empathetic people who are passionate about serving God the church and the world

Reordered Love, Reordered Lives David K. Naugle, 2008-11-03 If we have a particle of sense St Augustine said we realize that we all want to be happy What's more God actually designed human beings to crave and seek happiness Why then is there so much unhappiness in the world According to David Naugle it's because in our desperate quest we're looking in the wrong places *Reordered Love Reordered Lives* explores a distinctly Augustinian theme that is supremely relevant for the twenty first century Naugle explains that if we love properly that is if we love beginning with God and progressing to other humans ourselves and the world around us we will also live properly and in so doing will find our own true happiness Packed with select quotes and references to popular music literature and other media and including

provocative questions for discussion the book presents classic theological ideas in a conversational and edgy fashion Naugle's refreshing take is sure to appeal to anyone searching for happiness which in the end is all of us The Sociology of Religion George Lundskow, 2008-06-10 Most Sociology of Religion texts are decidedly staid and uninteresting covering contemporary developments which are only contemporary only from a disciplinary perspective They are not contemporary if viewed from the perspective of the religion's practitioners in religious and non religious settings The textbooks that attempt to be interesting to undergraduate students often fall short because they either try to cover too much in an encyclopedic format or sacrifice a sociological perspective for a personal one Many use real life examples only superficially to illustrate concepts Lundskow's approach is the opposite students will learn the facts of religion in its great diversity all the most interesting and compelling beliefs and practices and then learn relevant concepts that can be used to explain empirical observations The book thus follows the logic of actual research investigate and then analyze rather than approaching concepts with no real bearing on how religion is experienced in society This approach using provocative examples and with an eye toward the historical and theoretical not to mention global experience of religion will make this book a success in the classroom The author envisions a substantive approach that examines religion as it actually exists in all its forms including belief ritual daily living identity institutions social movements social control and social change Within these broad categories the book will devote particular chapters to important historical moments and movements leaders and various individual religions that have shaped the contemporary form and effect of religion in the world today **Mark Twain and the Spiritual Crisis of His Age** Harold K. Bush, 2007-01-07 Mark Twain is often pictured as a severe critic of religious piety shaking his fist at God and mocking the devout This book highlights Twain's attractions to and engagements with the variety of religious phenomena of America in his lifetime It offers a more complicated understanding of Twain and his literary output *Christianity and Rabbinic Judaism* Jonas E. Alexis, 2013 Our way must be never knowingly support lies Having understood where the lies begin step back from that gangrenous edge Let us not glue back the flaking scale of the Ideology not gather back its crumbling bones nor patch together its decomposing garb and we will be amazed how swiftly and helplessly the lies will fall away and that which is destined to be naked will be exposed as such to the world Alexander Solzhenitsyn Enlightenment writer Voltaire was amazed that twelve fishermen some of them unlettered from an obscure place in the world called Galilee challenged an empire through self denial and patience and eventually established Christianity He seriously thought that twelve philosophers or intellectuals himself included would do the opposite and crush Christianity Voltaire's self appointed cheerleaders such as Diderot Helvetius d Holbach D Alembert Lamettrie and Baron Cloots among others tried to do just that and wrote volumes of work trying to tear down the basis of Christianity and erect an edifice of their own Diderot in particular declared I would sacrifice myself perhaps if I could annihilate forever the notion of God Cloots wrote We shall see the heavenly royalty condemned by the revolutionary tribunal of victorious Reason Lamettrie produced *Man A Machine* and an

entire French encyclopedia was written between 1751 and 1772 by those philosophers because Christianity to a large degree had to go Voltaire would send letters to his disciples and friends saying crasez l inf me Rousseau of course was a disciple of Voltaire and declared that Voltaire s work inspired me The French Revolution failed Yet like all significant revolutions before and after that period the French Revolution indirectly had a theological root which was then a categorical and metaphysical rejection of Logos That theological substratum has jumped from one era to the next and had and still has historical political economic and spiritual ramifications This book is about the historical and theological struggle of that conflict which had its inception at the foot of the cross **Zionism Vs. the West** Jonas E. Alexis, 2018-04-03 A person can be brought into bondage in two different ways by force or by his own will Force is a crude way of bringing a person into submission but using the persons own free will can be done sophisticatedly and covertly Under the banner of democracy and freedom America has been under the bondage of what E Michael Jones has aptly called sexual liberation and political control for over fifty years In the first two volumes of the trilogy Alexis explored these ideological themes In this last volume he expands on some of those pernicious ideas emphasizing how Zionism for over sixty years has shaken the moral philosophical and intellectual foundation of much of Western culture The Iraq War alone will cost America at least six trillion dollars and as if to prove that America is still in bondage the oppressors continue to use sophisticated means to seduce Americans so that perpetual wars will never cease to exist in the Middle East and in much of the world This book will seek to address these and related issues and in the process tell us something about the fundamental nature of reality and how to approach this cosmic conflict which has dominated the West for over a thousand years
