The Heartbeat of God Katharine Jefferts Schori, 2010-10 Insights from a pioneering leader in world religion on the intersections of the sacred the secular As Christians indeed as people of faith of any tradition we are called to tend to the needs of the least among us Our response to them must be the response of faith God gives us a new heart to do this work and every time we gather to do it God offers a pacemaker jolt to tweak our heart s rhythm The challenge is this will our hearts respond with a strengthened beat in tune with God s own heartbeat sending more life out into the world from the Introduction Explore our connections as human beings with each other as one nation with all other nations as the human species with the whole of our environment through the lens of faith Katharine Jefferts Schori presiding bishop of The Episcopal Church examines these connections as she looks at the intersections of faith with the major issues of our day How does faith speak to poverty climate change the economy health care and what is the faith response How can believers from many faith traditions find common ground while honoring the Divine serving one another and creating deeper community How do we best use the resources of faith to connect us to the hearts of our neighbors and to the heart of God *How Did I Get to be 70 when I'm 35 Inside?* Linda Douty, 2011 Have the courage and curiosity to face the inner changes of aging and learn how they can help you find meaning in your later years I used to think that age sixty five was the start of a slippery downward slope to the cemetery But inside I felt a surge of enormous energy with the potential to approach aging as an uncharted adventure instead of a prison sentence from the Introduction Unlike other authors spiritual director Linda Douty discusses the challenges and surprises of aging by talking about how you actually feel not what you re supposed to feel In a warm down to earth voice she offers a spiritually grounded method to adjust to the unexpected as you grow older There is no one size fits all here but a variety of responses to the inner and outer transformations of aging and new ways of looking at them She looks at surprises welcome and unwelcome concerning Self image The physical body Relationships Spiritual life Questions for reflecting on who you are in this period of your life or who you would like to be will help you live each day more purposefully and joyfully
