Hajime Kimura- scrap book Hajime Kimura,2015-06-01 Path in Between Hajime Kimura,2020-07-31 The book is the visual record of the author's process of recovering memories with clues found on paths his father used to take and places his family used to visit When he attempted to trace memories of his late father Hajime Kimura realized that most of them were missing Because of this his photos were shot with a half framed camera Each image consists of two shots divided by a thick black border The continuous sequence of the images seems to repeatedly suggest the photographer's impossible attempt at recovering a lost past One can come close to faded memories but cannot reconstruct them perfectly Materials Transactions, JIM. ,2000-07 **Kabuki's Nineteenth Century** Jonathan Zwicker,2023 Kabuki's Nineteenth Century reconsiders the nature of nineteenth century Japanese theater by exploring the enormous body of printed material related to kabuki playbills actor critiques theater guides maps actor prints calendars and broadsheets featuring sixty illustrations from the late eighteenth through the early twentieth century Non-Western Colonization, Orientalism, and the Comfort Women Ako Inuzuka,2021-06-01 Non Western Colonization Orientalism and the Comfort Women The Collective Memory of Sexual Slavery under the Japanese Imperial Military examines the collective memory of sexual slavery under the Japanese Imperial Military in Japan over the past seventy five years Euphemistically known as the comfort women tens of thousands of young females were forced into sexual servitude for Japanese soldiers during the Asia Pacific War The majority of these women are believed to have been deceitfully or forcibly taken from Korea a former Japanese colony The ways in which sexual slavery has been remembered in Japan lies at the root of a long standing diplomatic conflict between Japan and South Korea and has fueled a memory war among Japanese scholars and activists The author argues that Korean comfort women have been exoticized in the collective memory similarly to Oriental women's presentations by Western Orientalists This book is a comprehensive analysis of the memory of sexual slavery in Japan examining various artifacts produced since the end of the Asia Pacific War including nonfiction books novels newspaper articles popular and documentary films and a commemorative museum It provides novel insights into a decade old international and domestic controversy Catalogues of the Harvard-Yenching Library Harvard-Yenching Library,1985 **Official Gazette of the United States Patent and Trademark Office** ,2002 Official Gazette of the United States Patent Office United States.
