*The Teaching of Instrumental Music* Richard J. Colwell, Michael P. Hewitt, 2024-11-14 This book introduces music education majors to basic instrumental pedagogy for the instruments and ensembles commonly found in the elementary and secondary curricula. It focuses on the core competencies required for teacher certification in instrumental music with the pervasive philosophy to assist teachers as they develop an instrumental music program based on understanding and respecting all types of music. Parts I and II focus on essential issues for a successful instrumental program, presenting first the history and foundations followed by effective strategies in administrative tasks and classroom teaching. Parts III, IV, and V are devoted to the skills and techniques of woodwind, brass, and percussion and string instruments. In all, *The Teaching of Instrumental Music* is the complete reference for the beginning instrumental teacher commonly retained in a student's professional library for its unique and comprehensive coverage. This Sixth Edition includes streamlined language and improved layout throughout, making this edition more concise and accessible to students. Updated content throughout, including insights from current research for curriculum development, coverage of current law and policy changes that impact the classroom, contemporary motivational strategies, and more information on the history of African American and all female music ensembles. Updated references, photos, lists of artists, and online resources. Rubank Advanced Method William Gower, 1940

**Guide To Teaching Brass** Dan Bachelder, Norman J. Hunt, 2002 With the most extensive collection of examples and solutions for teaching and playing brass and a formidable bibliography of literature and listening lists, *The Guide to Teaching Brass* is the perfect resource for teachers of brass method. The Guide is divided into two parts: the first dealing with basic pedagogical information pertaining to brass instruments generally, and the second addressing the history, methodology, and repertoire of each instrument individually. As a whole, the text provides a comprehensive resource that brass teachers and performers will refer to throughout their careers. In sum, *The Guide* is a brass methods text that will serve teachers and performers throughout their careers.

**The Teaching of Instrumental Music** Richard Colwell, Michael Hewitt, 2015-08-20 This book introduces music education majors to basic instrumental pedagogy for the instruments and ensembles most commonly found in the elementary and secondary curricula. This text focuses on the core competencies required for teacher certification in instrumental music. The first section of the book focuses on essential issues for a successful instrumental program: objectives, assessment, and evaluation; motivation; administrative tasks and recruiting and scheduling, including block scheduling. The second section devotes a chapter to each wind instrument plus percussion and strings and includes troubleshooting checklists for each instrument. The third section focuses on rehearsal techniques from the first day through high school.
