[Installment Immortality](#) Seanan McGuire, 2025-03-11 Seanan McGuire's New York Times bestselling and Hugo Award nominated InCryptid series continues with a whirlwind adventure. After four generations of caring for the Price family Mary Dunlavy has more than earned a break from the ongoing war with the Covenant of St. George. Instead what she's getting is a new employer in the form of the anima mundi Earth's living soul made manifest and a new assignment to hunt down the Covenant agents on the East Coast and make them stop imprisoning America's ghosts. All in a day's work for a phantom nanny even one who'd really rather be teaching her youngest charges how to read. One ghost can't take on the entire Covenant without backup which is how she winds up on a road trip with the still mourning Elsie and the slowly collapsing Arthur both of whom are reeling in their own way from the loss of their mother. New allies and new enemies await in Worcester Massachusetts where the path of the haunting leads. With the anima mundi demanding results and Mary's newfound freedom at stake it's down to Mary to make sure that everyone gets out of this adventure alive. It's been a long afterlife but Mary Dunlavy's not ready to be exorcised quite yet. At the Publisher's request this title is being sold without Digital Rights Management Software (DRM) applied.

Magic For Nothing Seanan McGuire, 2017-03-07 As the youngest of the three Price children Antimony is used to people not expecting much from her. Annie's expectations keep getting shattered. She didn't expect Verity to declare war on the Covenant of St. George on live television. She didn't expect the Covenant to take her sister's threat seriously. And she definitely didn't expect to be packed off to London to infiltrate the Covenant from the inside. Publisher's description.
