August 2558. Rion Forge was once defined by her relentless quest for hope amidst the refuse and wreckage of a post-Covenant War galaxy. Years spent searching for family as much as fortune. But that was before Rion and the crew of her salvager ship *Ace of Spades* encountered a powerful yet tragic being who forever altered their lives. This remnant from eons past, when the Forerunners once thrived, brought with it a revelation of ancient machinations and a shocking brutal history. Unfortunately, the *Ace* crew also made dire enemies of the Office of Naval Intelligence in the process, with the constant threat of capture and incarceration a very real possibility. Now, with tensions mounting and ONI forces closing in, Rion and her companions commit to this being's very personal mission: unlocking untold secrets and even deadlier threats that have been hidden away for centuries from an unsuspecting universe. ***Halo: Renegades*** Kelly Gay, 2019-02-19. An original full-length novel set in the Halo universe and based on the New York Times bestselling video game series.

Find Claim Profit. In a post-Covenant War galaxy littered with scrap, it's the salvager's motto, and Rion Forge certainly made her mark on the trade. All she wanted was to grow her business and continue the search for her long-lost father, but her recent discovery of a Forerunner debris field at the edge of human-occupied space has now put her squarely in the crosshairs of the Office of Naval Intelligence and the violent remains of the Covenant. Each faction has a desire to lay claim to the spoils of ancient technology, whatever the cost, sending Rion and the crew of the *Ace of Spades* on a perilous venture, one that unexpectedly leads them straight into danger far greater than anything they've ever encountered. ***Halo: Silent Storm*** Troy Denning, 2018-09-04. A Master Chief story and original full-length novel set in the Halo universe based on the New York Times bestselling video game series.

2526. It has been a year since humanity engaged in its destructive first contact with a theocratic military alliance of alien races known as the Covenant. Now the hostilities have led to open war, and the United Nations Space Command understands virtually nothing about its new enemy. There are only two certainties: the Covenant is determined to eradicate humanity, and they have the superior technology to do just that. The UNSC's only hope lies with the Spartans: enhanced supersoldiers raised and trained from childhood via a clandestine black ops project to be living weapons. Their designated commander, Petty Officer John-117, has been assigned to lead the Spartans on a desperate counterattack designed to rock the Covenant back on its heels and to buy humanity the time it needs to gather intelligence and prepare its defenses. But not everyone wants the Spartans to succeed. A coalition of human insurrectionist leaders believes an alliance with the Covenant to be its best hope of finally winning independence from the Unified Earth Government. To further their

plans the insurrectionists have dispatched a sleeper agent to sabotage the UNSC counterattack and ensure that John 117 and the Spartans never return from battle *Halo: Ghosts of Onyx* Eric Nylund,2007-04-01 The Spartan II program has gone public Tales of super soldiers fending off thousands of Covenant attacks have become the stuff of legend But just how many Spartans are left While the Master Chief defends a besieged Earth and the myriad factions of the Covenant continue their crusade to eliminate humanity an ultrasecret cell of the Office of Naval Intelligence known as Section Three devises a plan to buy the UNSC vital time They re going to need hundreds of willing soldiers though and one more Spartan to get the job done The planet Onyx is virtually abandoned and the perfect place to set this new plan in motion But when the Master Chief destroys Halo something is triggered deep within Onyx Ancient Forerunner technology stirs and fleets of UNSC and Covenant race to claim it to change the course of the Human Covenant War But this reawakened and ancient force may have plans of its own At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
