

The background of the slide is a photograph of a desk. In the foreground, there is a stack of papers or a book with a dark, textured cover. To the left, a wooden folder or book is partially visible. In the background, a dark, cylindrical object, possibly a container or a lamp base, is out of focus. The overall lighting is soft and warm, creating a scholarly or historical atmosphere.

Hamlet The First Quarto Sos Shakespearean Originals First Editions:

Hamlet - The First Quarto (Sos) William Shakespeare, Graham Holderness, Bryan Loughrey, 2014-09-25 The first in a series on Shakespeare's original texts including facsimile pages this version of Hamlet is claimed to be in some ways the most authentic version of the play that we have Included are an introduction notes and a theoretical historical and contextual critique This text has been rejected by scholars as a bad Quarto corrupt and pirated text printed without the permission of the playwright or his company Nonetheless it was the first version of the play to be published and it has been produced in the modern theatre with success This new edition of that Quarto seeks to acknowledge the play's distinctive poetic and dramatic qualities instead of comparing them unfavourably to one of the other versions

Henry V - The Quarto(Sos) William Shakespeare, 2014-09-25 One of a series on Shakespeare's original texts including facsimile pages this version of Henry V is claimed to be in some ways the most authentic version of the play that we have Included are an introduction notes and a theoretical historical and contextual critique The original text or First Quarto of Henry V published in 1600 is missing the Chorus a dramatic device which recent criticism has used to suggest a strikingly modern view of history and politics These and other significant changes mean that critics can no longer assume that the play presents a distanced ironic perspective on its own political and military action If Elizabethan audiences saw in performance something closer to the First Folio than the 1623 Folio text then their dramatic engagement with history was of a kind very different from that of the play's 20th century interpreters This new edition makes available the original text of Henry V in all its theatrical simplicity and historical difference
