Hand Dark Arthur J Rees:

The Hand in the Dark Arthur J. Rees, 2015-10-01 Australian mystery writer Arthur J Rees hits a home run with the ingenious whodunit *The Hand in the Dark* The Heredith family plans a housewarming party to celebrate their move to a stately manor house in the English countryside but when a member of the family winds up dead the affair takes a decidedly somber turn

The Hand in the Dark Arthur J. Rees, 2009-02 For the twentieth time Miss Meredith asked herself why her nephew had fallen in love with this unknown girl Violet from London who loathed the country From Miss Heredith's point of view a girl who smoked and talked slang lacked any sense of the dignity of the high position to which she had been called She was in every way unfitted to become mother of the next male Heredith if indeed she consented to bear an heir at all It was Miss Heredith's constant regret that Phil had not married some nice girl of the county in his own station of life instead of a London girl And now she was unwilling to wear the ancestral pearls and was leaving them in her jewel box there in her room Such thoughts were immediately dashed from her mind however and she nearly tumbled descending the staircase in her hurry Vincent at the table with the other guests had risen at the sound of her hurrying feet Oh Vincent I was just coming for you something terrible must have happened Miss Meredith began in a broken sobbing voice I was going upstairs to my room when I heard the scream and then the shot They must have come from Violet's room

The Hand in the Dark Arthur John Rees, 2016-08-04 Seen in the sad glamour of an English twilight the old moat house emerging from the thin mists which veiled the green flats in which it stood conveyed the impression of a habitation falling into senility tired with centuries of existence Houses grow old like the race of men the process is not less inevitable though slower in both decay is hastened by events as well as by the passage of Time The moat house was not so old as English country houses go but it had aged quickly because of its past There was a weird and bloody history attached to the place an historical record of murders and stabbings and quarrels dating back to Saxon days when a castle had stood on the spot and every inch of the flat land had been drenched in the blood of serfs fighting under a Saxon tyrant against a Norman tyrant for the sacred catchword of Liberty
