Cultural Migrations and Gendered Subjects Silvia Castro-Borrego, Maria Isabel Romero Ruiz, 2011-01-18 The present volume explores through cultural and literary representations the contributions of women to the construction of knowledge in an ever changing global world as migrant subjects The essays contained in this book also focus on the female body as a site of physical violence and abuse fighting prevalent stereotypes about women s representations and identities This collection intends to enter a forum of discussion in which the colonial past serves as a point of reference for the analysis of contemporary issues Women s strategies for building possible identities are seen to be based on their own experiences seeking the ways in which the public marking and marketing of the female body within the western male imaginary contributes to the making of women s social and personal identities The different articles contained in this volume examine issues of gender and boundaries the realities of women as colonial and postcolonial subjects and darker realities such as alienation and discrimination as a result of migration racism and colonization analysed through a variety of critical perspectives The gendered raced classed dimensions and mixed heritages not only of white women but also of women of the African Diaspora these are important issues for the construction of knowledge and identity in our present multicultural societies and can potentially change the ways we conceptualize situate and engage the humanities in our scholarly work and in our social and cultural policies These women their presumed sexuality and their capacity to produce hybrid subjects as well as their supposed irrationality make them a singularly disruptive figure in our contemporary world this interpretation

has its roots in the treatment of women in colonial times especially when they were out of the margins of respectable society The volume is addressed to a wide readership both scholarly and those interested in investigating the dynamics of the social and cultural conceptualizations of our multicultural and multiethnic contemporary societies marked by the intercultural exchanges of migratory subjects from a gender perspective

Away Down South James Charles Cobb, 2005 In this unique synthesis of political cultural and intellectual history James C Cobb spans more than two centuries in tracing the origins and development of the South as not just an exception to the national rule but as an internal other against which American nationhood was defined

The New Southern Girl Caren J. Town, 2015-01-24 Much has been written about America's troubled teens particularly endangered teenage girls Works like Mary Pipher's *Reviving Ophelia* and many others have contributed to the general perception that contemporary young women are in a state of crisis Parents educators social scientists and other concerned individuals worry that our nation's girls are losing their ambition moral direction and self esteem as they enter adolescence which can then lead them to promiscuous sex anorexia drug abuse and at the very least declining math scores In spite of evidence to the contrary in life and literature this bleak picture is seldom challenged but a good place to begin may be with recent literary representations of young women fictional and

autobiographical which show proud young women who are highly focused and use their brains and good humor to work toward satisfying adult lives This book addresses the ways in which 12 women writers use their heroines stories to challenge commonly held and frequently damaging notions of adolescence femininity and regional identity The book begins with a chapter on sociological and literary theories of adolescent female development This chapter also includes theoretically informed discussions of young adult fiction and Southern literature Chapters that follow focus on adolescent heroines in the novels and autobiographies of the contemporary Southern women writers Anne Tyler Bobbie Ann Mason Josephine Humphreys Dorothy Allison Kaye Gibbons Tina Ansa Janisse Ray and Jill McCorkle and young adult writers Katherine Paterson Mildred Taylor and Cynthia Voigt Instructors considering this book for use in a course may request an examination copy here

Taylor, 2009-04-30 The *Cambridge Companion to African American Women's Literature* covers a period dating back to the eighteenth century These specially commissioned essays highlight the artistry complexity and diversity of a literary tradition that ranges from Lucy Terry to Toni Morrison A wide range of topics are addressed from the Harlem Renaissance to the Black Arts Movement and from the performing arts to popular fiction Together the essays provide an invaluable guide to a rich complex tradition of women writers in conversation with each other as they critique American society and influence American letters Accessible and vibrant with the needs of undergraduate students in mind this *Companion* will be of great interest to anybody who wishes to gain a deeper understanding of this important and vital area of American literature

The Cambridge History of African American Literature Maryemma Graham, Jerry W. Ward, Jr, 2011-02-03 The first major twenty first century history of four hundred years of black writing The *Cambridge History of*

African American Literature presents a comprehensive overview of the literary traditions oral and print of African descended peoples in the United States Expert contributors drawn from the United States and beyond emphasise the dual nature of each text discussed as a work of art created by an individual and as a response to unfolding events in American cultural political and social history Unprecedented in scope sophistication and accessibility the volume draws together current scholarship in the field It also looks ahead to suggest new approaches new areas of study and as yet undervalued writers and works The Cambridge History of African American Literature is a major achievement both as a work of reference and as a compelling narrative and will remain essential reading for scholars and students in years to come

After O'Connor Hugh Ruppersburg, 2003 Georgia has produced some of the major figures of modern literature including Carson McCullers Erskine Caldwell and most notably Flannery O'Connor While such writers are firmly established in American literary history all too few readers are aware of how the state's tradition of literary excellence persists in the present day The thirty stories in After O'Connor were written during the past fifteen years by authors who were born in Georgia or spent a significant part of their lives and careers in this state Embracing the social cultural and ethnic variety in today's Georgia After O'Connor both advances and helps redefine the great southern storytelling tradition

A History of the African American Novel Valerie Babb, 2017-07-31 This History is intended for a broad audience seeking knowledge of how novels interact with and influence their cultural landscape Its interdisciplinary approach will appeal to those interested in novels and film graphic novels novels and popular culture transatlantic blackness and the interfacing of race class gender and aesthetics

Loving the Body D. Hopkins, 2004-12-09 In this book contributors argue that the Black Church must begin to address the significance of sexuality if it is to actually present liberation as a mode of existence that fully appreciates the body The contributors argue that we not only have to look at the Black Church in this discussion but also explore black Christianity in general

Race, Gender, and Identity Georgia A. Persons, 2017-07-05 This volume examines race gender and identity in African American culture As with previous volumes in the series these collected essays provide a social science and interdisciplinary framework for the exploration of Africana cultural and social phenomena The contributors have adopted mixed methods and meta theory tools of analysis to describe and evaluate these issues from an African centered perspective Kameelah Martin examines the role of women in the films of Julie Dash and Kasi Lemmons Toya Roberts offers an experimental study of African American males at predominantly white institutions of higher education Rochelle Brocks digs into the transition transformation and transcendence of civil rights to the Black Arts Black Power movements for social change Portia K Maultsby provides an ethnographic study inspecting the genre of funk music in the United States James L Conyers Jr analyzes the doctoral dissertation of W E B Du Bois which cataloged the impact of colonialism on Africana culture Kesha Morant Williams and Ronald L Jackson II examine the impact of lupus on the identity of African American women Ronald Turner's essay examines black workers challenging racist practices by their union representatives Lisbeth Gant Britton renders a conceptual history

of the hip hop community with emphasis on international issues This volume is an invaluable sourcebook for those studying African American affairs history and cultural studies **The Grasp That Reaches beyond the Grave** Venetria K.

Patton,2013-06-20 The Grasp That Reaches beyond the Grave investigates the treatment of the ancestor figure in Toni Cade Bambara s *The Salt Eaters* Paule Marshall s *Praisesong for the Widow* Phyllis Alesia Perry s *Stigmata* and *A Sunday in June* Toni Morrison s *Beloved* Tananarive Due s *The Between* and Julie Dash s film *Daughters of the Dust* in order to understand how they draw on African cosmology and the interrelationship of ancestors elders and children to promote healing within the African American community Venetria K Patton suggests that the experience of slavery with its concomitant view of black women as natally dead has impacted African American women writers emphasis on elders and ancestors as they seek means to counteract notions of black women as somehow disconnected from the progeny of their wombs This misperception is in part addressed via a rich kinship system which includes the living and the dead Patton notes an uncanny connection between depictions of elder ancestor and child figures in these texts and Kongo cosmology These references suggest that these works are examples of Africanisms or African retentions which continue to impact African American culture
