¹² To address the issue, we estimated the model for each country separately. The results are available from the author upon request.

As noted earlier, the 1990s witnessed a dramatic rise in the number of U.S. firms operating in foreign markets. This rise was driven by a number of factors, including the globalization of markets, the need for firms to diversify their product lines, and the desire for firms to expand their customer base. The rise in international trade and investment was also driven by the need for firms to access new sources of capital and technology. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
