Expanding Tertiary Education for Well-Paid Jobs Andreas Blom,Reehana Raza,Crispus Kiamba,Himdat Bayusuf,Mariam Adil,2016-06-02 Expanding Tertiary education with quality relevance and equity is one of the most decisive challenges for Kenya s future including the achievement of the ideals of the 2010 Constitution and especially its 2030 vision which aims at transforming Kenya into a newly industrializing middle income globally competitive and prosperous country That is because tertiary education can contribute in a critical manner to successfully overcome several of the country s challenges This book provide analysis and policy recommendations to Government of Kenya tertiary education leaders and the many stakeholders on managing the massive tertiary education expansion facing the country This book first discusses the motivation for the analysis and its choice of three critical topics quality and relevance governance and student financing Secondly it reviews findings on each area and third it ends with a set of policy recommendations *Issues of Governance, Security, and Development in Contemporary Africa* Mohamed Saliou Camara,Alem Hailu,Sabella O. Abidde,2023-12-15 Governance security and development are three critical components of a dialectical nexus that is both dominant and determinant for any objective and fruitful quest for the understanding of the trajectory of a country a region or in the case of Africa a continent from a colonial past to a neocolonial and meta colonial present and toward a future of strategic optimal independence and self reliance That colonial past and the ensuing neocolonial and meta colonial present have made these critical components and the dialectical nexus that they form particularly challenging for the African continent For this reason *Issues of Governance Security and Development in Contemporary Africa* offers an in depth interdisciplinary analysis of the challenges that contemporary Africa faces within these critical areas as well as the resources and prospects that the continent possesses and can leverage to overcome the said challenges Using case studies involving a range of countries across the continent Mohamed Saliou Camara Alem Hailu and Sabella O Abidde argue that Africa needs to decolonize the terms of reference that guide its nation building statecraft and national development agenda in ways that will facilitate the establishment of viable systems of governance and security and the promotion of genuine development *Higher Education Leadership and Governance in the Development of the Creative and Cultural Industries in Kenya* Emily Akuno,Otoyo Ondieki,2017-05-05 The role of higher education in establishing structures and procedures in society and industry is clearly articulated in scholarly discussions The narrative has recently taken a new momentum in Kenya with acknowledgement of the creative industry involves many youth as an area that impacts on the economy In unravelling the link between higher education and industry the authors focus on leadership and governance in higher education and its expected and perceived contribution to the shaping of the creative industry Through analysis of cases the authors interrogate the processes and structures that govern the teaching and practice of the creative subjects noting how these affect the creative industry in Kenya This document approaches the creative disciplines from the perspectives of the students lecturers and university

administrators The three voices provide a balanced view of what higher creative arts education in Kenya is The multiple authorship of the book further provides a balanced account of the development of these disciplines in higher education and their growth in industry The key concepts here are the development of the creative industry and how higher education should contribute to the same
