can be harder to feel God's love and presence during times of suffering. In this devotional we will explore what God's Word has to say about doubt, depression, anxiety, assurance, disease, and suffering in general. We will be reminded of God's character: His compassion, His grace, and His faithfulness. We will explore some of the reasons for our suffering. And we will be reminded that God is good. We can trust God no matter how bad our circumstances may seem. God is with us in our suffering. He never leaves our side, and He promises that all things work together for good to them that love God. Romans 8:28 KJV

The Exceptional Seven Percent Gregory K. Popcak, 2014-02-11. WHAT DO EXCEPTIONAL COUPLES KNOW THAT OTHERS DON'T? If roughly fifty percent of marriages fail, what about the other fifty percent, the ones that succeed? Are those couples who stay together necessarily happy? No, not necessarily. In fact, many marriages that remain intact are far less than ideal. A mere seven percent are really good, in fact, exceptional. These couples have much greater than average passion, happiness, longevity, and fulfillment. And the good news is, luck has nothing to do with it. But if less than exceptional marriages are made up of men who are supposedly from Mars and women who are supposedly from Venus, what planet do exceptional husbands and wives come from? What are the secrets of exceptional couples, and what can they teach us? Marriage therapist Gregory K. Popcak believes that ways of relating employed by exceptional couples can benefit all marriages. In *The Exceptional Seven Percent*, he looks at the most successful couples and exposes their secrets. Each chapter examines in detail the basic characteristics of exceptional couples, including: Developing a marital imperative, the key to unlocking all the other Exceptional Couple qualities; Setting and achieving emotional goals; Cultivating exceptional levels of fidelity, loving service, rapport, negotiation, gratitude, joy, and sexuality. Through anecdotes, analyses, exercises, quizzes, and guidance that is consistently supported by marriage research, you'll learn what your weaknesses are and how you can begin to make positive changes. You have the power to turn your marriage into the most precious thing in your life. Why settle for anything less?
