From Intention to Impact

Malia C. Lazu, 2024-02-06 How business leaders can move their DEI efforts from intention to impact through strategy and culture change In the aftermath of George Floyd's murder corporate America has doubled down on its public intentions to be more inclusive and equitable Yet beyond the pledges it is difficult to see which system changes make a real difference In *From Intention to Impact* Malia Lazu draws on her background as a community organizer her corporate career as a bank president and now her experience as a leading DEI consultant to explain what has been holding organizations back and what they need to do better First and foremost she recognizes that truly moving from intention to impact means targeting and changing the traditions and culture that normalize whiteness *From Intention to Impact* shows what organizations leaders and people at all levels must do to create more inclusive environments that honor and value diversity Lazu shares a seven stage

guide through this process as well as a 3L model of listening learning and loving that readers can use from the initial excitement of doing something to the frustration when the inevitable pushback comes and finally to the determination to do the hard work despite the challenges on corporate and political fronts Most compelling From Intention to Impact shows that while commitment from the top is paramount for DEI to be most effective it needs to be decentralized among managers within teams and across the organization A crucial read for anyone looking to future proof their company From Intention to Impact goes beyond the feel good PR centric actions to showcase the real DEI work that must be done to create true and lasting systemic change *Areté* Brian Johnson,2023-11-14 Recommended reading for elite CEOs and top performers *Areté* delivers fast actionable wisdom in quick accessible micro chapters designed for busy professionals athletes and anyone seeking measurable personal growth Join thousands of high achievers transforming their lives with *Areté* by Brian Johnson a daily roadmap to living at your best With 451 bite sized insights inspired by ancient Stoic philosophers and backed by modern science this book provides practical tools you can implement on the go Track your progress with the free Heroic app watch your transformation unfold What Is *Areté* Rooted in ancient wisdom *Areté* often translated as virtue or excellence is about living at your highest potential moment by moment This isn't abstract theory it's a guide to real world habits that lead to lasting success and fulfillment What You'll Learn Wisdom Practical insights to thrive personally and professionally Discipline Mental toughness to overcome procrastination and self doubt Courage Tools to make bold decisions and embrace challenges Gratitude A simple yet powerful way to boost happiness and perspective Hope Strategies for setting meaningful goals and sustaining motivation Curiosity A growth mindset to explore new opportunities and ideas Zest Energy building habits that fuel a purposeful vibrant life Why It Works Brian Johnson founder and CEO of Heroic has trained over ten thousand coaches in over one hundred countries Drawing on decades of research he distills complex ideas into actionable steps anyone can apply Dr Phil Stutz author of *The Tools* and featured in Netflix's *Stutz* says Commit to this training you will gain the ability to transform your biggest challenges into unstoppable courage endless enthusiasm an unshakable faith in the future This book will change your life Ready to make meaningful changes *Areté* offers the tools to get there Order your copy today download the Heroic app and start making progress in moments not months **Managing Change, Creativity and Innovation** Patrick Dawson,Constantine Andriopoulos,2021-04-28 This bestselling text brings a fresh and unique approach to managing organizational change taking the view that change creativity and innovation are interconnected It offers a strong theoretical understanding of change creativity and innovation along with practical guidance and ideas for organizational change and development The fourth edition comes with lots of brand new case studies and examples from around the world extra content on innovation and technology extended discussion and an additional chapter on the people aspects of change that includes culture sensemaking and temporality Written in an engaging and accessible style this book is essential for those studying organizational change management or creativity and innovation **The Playful Classroom**
