Love Beyond Reason Bethany Claire, 2013-11-20 **Love Beyond Boundaries** Bethany Claire, 2019-05-28 Sometimes the love we need the most is that which we give to ourselves. With a thriving physical therapy practice it's easy for Allanah to lose herself in her work. But when the sudden death of her best friend sends her reeling, she is forced to rethink her priorities. Guilted into a blind date by her best friend's widower, she never suspects for a moment how much one meal will change her life. Quickly romanced by the handsome Scot Allanah easily lets him into her life. But as her feelings grow, so does her fear. For her new love holds a secret. One she knows she must learn before she can ever really know him. Plagued by his past, Ross knows that he will never love another again. But when a date he never wanted takes him by surprise, his plans for his life take a turn. It doesn't take long for the lass to soften his scarred heart, but as new love blossoms, so do the memories of his past. Desperate to hold on to her, Ross vows to keep his secret from her, unaware of how much she already sees. Will Allanah's love be enough to make Ross trust her? Will Ross' past remain in the past, or will history repeat itself, causing them both to lose yet another person they love? Scroll up and grab your copy today. Chelsey of Pure Textuality **Love Beyond Time** Bethany Claire, 2013-11-16 Love Beyond Magic Bethany Claire, 2022-04-19 Is love enough to heal the pain of the past? Olivia Bailey and her sister know one thing for certain: they are in dire need of some time away from their normal work-driven lives. While their bakery business has served them well, neither realized just how strenuous running their own business would be. Eager for a change, the girls set off for a trip around Scotland. But things quickly go awry when an unlikely incident sends Olivia tumbling off the side of the Quiraing on the Isle of Skye. Rather than meeting her near-certain death, she opens her eyes to find herself transported through time and hidden away in a castle with two of the most damaged but handsome men she's ever laid eyes on. She knows she needs to find a way back home to her sister, but as time passes, Olivia realizes that the only way for her to find peace might just be to accept where fate has placed her. With friends among the castle's staff and their intriguing laird to keep her occupied, the heartache of being ripped away from the life she knew before begins to heal. However, despite Olivia's efforts to move forward, her troubles are far from over, and she may be in more danger than she ever could have imagined. Paton Buchanan thought

his sacrifice would mean something when he willingly stepped into the land of the fae to save his friend. Instead, the years spent in their prison cost him and everyone he loved everything. Once released, Paton has nowhere to go but the home of his youth. But overseeing his late father's land comes with its challenges, and finding any semblance of happiness for himself seems unlikely until a strange lass from the future arrives and reminds him of the people he'd once loved so much. Her perpetual optimism and kindness make it easy for him to fall in love with her. Slowly, the hurt inside him begins to fade. But her life belongs in the future, and he knows he cannot ask her to sacrifice that for him. Will his love for her be enough to convince her to stay, or will he be forced to lose yet another person he loves? And if she does stay, do they have what it takes to keep one another safe from the outside threat that looms over them both?

All she needs is someone to prove her wrong. Laurel's life bears no resemblance to the love stories she writes. While handsome heroes are easy to imagine, they're much more difficult to find. Years of bad dates with creepy men have left her feeling cynical toward all things related to love. When she and her best friend find themselves caught up in Morna's meddling magic and are transported to seventeenth-century Scotland, Laurel meets a man who threatens to change her attitude toward matters of the heart. After two years away, Raudrich returns to his home on The Isle of Eight Lairds to resume the duty he's pledged his life to. When he arrives, he finds an out-of-time lassie asleep in his bed. The woman intrigues him, and it doesn't take long before she captures his heart. But something inside causes her to resist her feelings. If only he could help her love herself, perhaps she would have room in her heart to love him in return. As their feelings grow, so does the strength of an evil held captive beneath the castle, an evil that will do anything to escape. Will Laurel open herself up to the possibility of love? If she does, can she find the power within herself to outwit the evil she's destined to face?

With a youth spent traveling the world and sleeping beneath the stars in the company of loose women nothing weighs on Adwen's heart like knowing the life he loves is about to come to an end. On his last night of freedom Adwen stops at the inn near McMillan Castle and meets the only lass to ever deny his advances bewitching him in an instant. Suddenly he finds himself believing that responsibility might not mean a life spent in chains if he has a fiery lass like Jane by his side.
