Love Empowerment Rebekah Harkness:

Love and Empowerment Rebekah Harkness, 2015-12-01 Love and Empowerment is the perfect addition to your coffee table or decorative bookshelf. It has an elegant finish and contains a compilation of wisdom for your heart and soul. Rebekah Harkness, a successful self-help contributor and author, shares some insightful thoughts that will bring more love and empowerment into the reader's life. She has also added some playful illustrations that metaphorically represent the spiritual growth that can be obtained by paying attention to the messages in this book. *Georgia Harkness* Rebekah

Miles, 2010-01-01 Georgia Harkness 1891-1974 was a Methodist theologian and the first American woman to teach theology at the seminary level. A leader in the ecumenical movement, Harkness strove to make theology accessible to the laity. This book is a compilation of writing from early in her career that appeared in publications such as *The Christian Century*, *Religion in Life*, and *Christendom*. Although her theology shifted somewhat during these years, Harkness held fast to her belief that liberal theology would remain the basic American theology, a prediction that was out of step in the 1930s but is growing more credible today. The Library of Theological Ethics series focuses on what it means to think theologically and ethically. It presents a selection of important and otherwise unavailable texts in easily accessible form. Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field. **Book Review Digest**, 1988

Taylor Swift: The Stories Behind the Songs Annie Zaleski, 2024-09-24 From her humble beginnings as a teenage country singer to her record-breaking Eras Tour, Taylor Swift's career is incomparable both in her mastery over multiple genres and the pure scale of her fan base and success. By weaving effortlessly through country, rock, pop, indie, and folk music, Swift has created a style of her own. This book provides a comprehensive review of her entire songbook to date, covering all eleven studio albums and more than 200 songs that tell a dramatic story of life, love, and triumph. **Sacred Pregnancy** Anni

Daulter, 2012-05-01 In today's western cultures, the typical pregnancy focuses on the baby to the exclusion of the woman herself, so that the entire experience has become more about preparing for the baby's arrival than looking closely at oneself to prepare emotionally for all of the changes that creating a new life brings. *Sacred Pregnancy* was written to help the pregnant woman journey within herself to prepare for the birth of her baby. *Sacred Pregnancy* is a gorgeous four-color book especially created for mothers-to-be to reflect on the many personal milestones of the full gestation period of a pregnancy. With beautiful professional photos that correspond to each topic, *Sacred Pregnancy* also features a journal space for the pregnant woman to record her thoughts and feelings. Each week, the mother-to-be is given information on her baby, her body, and her spirit, and is asked to reflect on these via the topic of the week, which touches on a variety of issues such as sexuality, fears about labor, becoming a mother, courage, rite of passage, adornment, body image, meditation, and sisterhood, to name a few. Mothers-to-be are invited to look deeply at the issues unique to their journey and find a centered, peaceful place to live their pregnancy fully. Lastly, *Sacred Pregnancy* includes place for the new mother to record her birth story and a large
