*Black Recording Artists, 1877-1926*, 2013-01-03. The book has cross-referenced bibliographical information on recording sessions including audio sources for extant material and appendices on field recordings, Caribbean, Mexican, and South American recordings, piano rolls performed by black artists, and a filmography detailing the visual record of black performing artists from the period. Indexes contain all featured artists, titles recorded, and labels.

*BRIDE FOR HIRE*, Jessica Hart, 2011-07-15. For better and for worse, Seth Carrington needed a girlfriend and Daisy needed a ticket to the Caribbean; it seemed like a fair exchange. But having survived Seth's extremely thorough interviewing technique, which included kissing, Daisy began to have her doubts. Seth was high-handed and completely ruthless, except when he smiled; then he was devastatingly attractive. Smile or no, Daisy had to face facts: her job was strictly temporary; she was being paid to act as a decoy for Seth's secret affair with a glamorous woman. The terms of the agreement were crystal clear, but there was no clause about love. Jessica Hart has a wonderful talent for building a stunning love story you won't want to see end.
