Love Hate Two Love:

The Dark Side of Love Jane Goldberg, 2017-07-12 Many mothers have disturbing fantasies of killing their children Husbands imagine with guilt cheating on their wives Parents stand on the brink of hitting their teenage children or may actually do so while the teens fabricate elaborate strategies of revenge Hurt pain uncontrollable rage and other forms of abuse also make up the dark side of love This landmark book has a bold thesis The denied dark side of love that can show us love's true nature By acknowledging our negative feelings we can come into the full spectrum of emotion and hear the message of our darker feelings without acting them out Through this we can increase our capacity for love To explain her perspective Jane Goldberg traces the development of love and hate from infancy She debunks simplistic myths about mother love and portrays the mother child bond in all its facets She explores the hidden recesses of family love and romantic love and shows how the acceptance of constructive expressions of anger jealousy and competition can enhance intimacy Drawing on case histories from her psychoanalytic practice as well as mythic stories Goldberg offers insights into the troubling but universal nature of the dark side of love In a highly accessible style she explores how to develop a psychological immune system to protect against the potentially destructive elements in relationships and allow for a constructive expression of love's dark side Her debate provoking book should be read by psychoanalysts and psychotherapists individuals who have suffered from the pains and hurts of love and indeed by those who are interested in human motivation and behavior Complex Networks & Their Applications X Rosa Maria Benito, Chantal Cherifi, Hocine Cherifi, Esteban Moro, Luis M. Rocha, Marta Sales-Pardo, 2022-01-01 This book highlights cutting edge research in the field of network science offering scientists researchers students and practitioners a unique update on the latest advances in theory and a multitude of applications It presents the peer reviewed proceedings of the X International Conference on Complex Networks and their Applications COMPLEX NETWORKS 2021 The carefully selected papers cover a wide range of theoretical topics such as network models and measures community structure network dynamics diffusion epidemics and spreading processes resilience and control as well as all the main network applications including social and political networks networks in finance and economics biological and neuroscience networks and technological networks Two Faces, Fire and Love Antonio Restituyo, 2022-05-02 This book is the real life of many Christians around the world This book talks about the two faces of love and fire that today are in many Christian people and they cause the many people who see them to not want to go to church or be near Christian people Many times the fault of having these two faces in the churches comes from the same church from its priests pastors and leaders oftentimes because of the bad image of Christianity created by the Christians themselves An incorrect image an image different from the one that Christ wants He wants an image of love that begins with you and flows toward others not from others toward you It is only this love your neighbor as yourself An image with only one face based on what Christ wants is what you will read in this book Him sacrificing Himself and the value of His blood shed for our salvation is what I look

forward to you seeing in this book *Letting Go of Anger* Ronald Potter-Efron, Patricia Potter-Efron, 2006-08-03 A revised and updated edition from best selling anger management author Ronald Potter Efron this book identifies the eleven most common anger patterns and offers step by step help for overcoming them **The Hierarchy of Intelligences** Valentin Matcas, 2015-09-03 You are a conscious intelligent living being yet you are more than an individual being since you are an entire living compound made of distinct living beings all forming you all contributing to your unique life and existence Because you are your trillions of living cells composing your body one after another And with each cell you are a zillion subcellular components forming you one molecule at a time and one cell near another designing or creating your life one fulfillment at a time and one moment of existence after another animating you from within in this manner from the smallest subcellular level Since this is who you are only at the physical objective level while all living beings generate sustain and coordinate continuously a multitude of intelligent modulations throughout the physical brain and entire body forming your entire cognition living intelligent impulses associated to your mind consciousness awareness and intelligence From the physical perspective of your body these are simple encoded impulses within your neurons and therefore within your entire mind and everybody has them capable to sustain entire inner cognitive instances forming together your cognitive system your entire mind in all its thoughts awareness feelings and reactions But then from an inner cognitive perspective all these physical impulses become alive making everything possible throughout your mind organism life and entire world in a living intelligent manner since these are your intelligences All your intelligences are aware conscious and certainly intelligent and through their own consciousness and intelligence they give you your entire mind in all its cognitive abilities becoming everything that you truly are More precisely your intelligences form your mind altogether since the human mind is their living world while your intelligences perform the entire cognitive activity within just for you and for the entire organism And now their continuous existence is your life while their purpose becomes your meaning achievement learning and subsistence Since among all your intelligences you are the conscious intelligence yourself specialized in the coordination of the entire organism in the outside world while fulfilling its needs or while fulfilling your needs since it is the same Because your intelligences have their own specialized tasks and needs together forming not only your mind but your entire life in its entire existence Yet these are only your own intelligences the human intelligences while throughout this book we focus on all intelligences of the wider world including these This book studies all intelligences from living cognitive interconnective and existential perspectives throughout a comprehensive classification of everything alive and intelligent helping you understand yourself life intelligence consciousness the world and your conscious place meaning and fulfillment in life and in the world

Community, Seriality, and the State of the Nation: British and Irish Television Series in the 21st Century

Caroline Lusin,Ralf Haekel,2019-02-18 Since the turn of the 21st century the television series has rivalled cinema as the paradigmatic filmic medium Like few other genres it lends itself to exploring society in its different layers In the case of Great Britain and Ireland it functions as a key medium in depicting the state of the nation Focussing on questions of genre narrative form and serialisation this volume examines the variety of ways in which popular recent British and Irish television series negotiate the concept of community as a key component of the state of the nation **The Apprentice of Peace**

Ronnie 'Qi' Harvey,2014-08-29 The Apprentice of Peace An Uncommon Dialogue is a unique platform from which we can all learn and grow and find the peace missing in our life We find this peace by addressing the issues of our self growth to realize our potential committing ourselves to the realization of what that potential looks like and accepting the circumstances we have created for ourselves whether good or bad What we see in the world is a reflection of what is going on inside of people Their inner turmoil translates into a world of chaos frustration anger hostility and ultimately death mentally as well as physically The Apprentice of Peace is the example that will encourage a change in the mind state and attitudes of the people and how we treat each other This uncommon dialogue challenge s you to be the highest example of yourself that you can be We are to take our roles in the world as it s peacekeepers and peacemakers and be the shining beacons of social responsibility and common sense through heart centered conduct and righteous action **The Shakespeare Phrase Book**
