The Whole Counsel of God Tim Patrick, Andrew Reid, 2020-02-27 Expository preaching has been on the rise over the last five decades with more and more pastors preaching through entire books of the Bible systematically. But few, if any, preachers have a long-term plan to teach through every book of the Bible over a lifetime of ministry. Since the whole Bible is God's Word to his people, all of Scripture is important in order to grow as Christians. Written to make a case for the necessity of a long-term plan for preaching through the entire Bible instead of just through individual books, this is not just a book on how to preach but also how to plan and prepare long-range preaching programs through the whole counsel of God.
