and the early twenty first century in the context of liminality It argues that in the course of the epistolary renaissance the letter which has often been deemed to be obsolete in literature has not only enjoyed an upsurge in novels but also migrated to the short story thus constituting the genre of the epistolary short story *My Dearest Dietrich* Amanda Barratt,2019-06-09 A staggering love illuminating the dark corners of a Nazi prison Renowned German pastor and theologian Dietrich Bonhoeffer is famous for his resistance to the Nazi regime and for his allegiance to God over government But what few realize is that the last years of his life also held a love story that rivals any romance novel Maria von Wedemeyer knows the realities of war Her beloved father and brother have both been killed on the battlefield The last thing this spirited young woman needs is to fall for a man under constant surveillance by the Gestapo How can she give another piece of her heart to a man so likely to share the same final fate Yet when Dietrich Bonhoeffer an old family friend comes to comfort the von Wedemeyers after their losses she discovers that love isn't always logical Dietrich himself has determined to keep his distance from romantic attachments There is too much work to be done for God and his involvement in the conspiracy is far too important But when he encounters a woman whose intelligence and conviction match his own he's unprepared for how easy it is to give away his heart With their deep love comes risk and neither Dietrich nor Maria is prepared for just how great that risk soon becomes Based on detailed historical research this true love story is at once beautiful and heartrending *My Dearest Dietrich* sheds new light on a world famous theologian and the woman who changed his life **Love Letters to a Dead Woman** Henry Devenish Harben,1924 Love and Russian Literature Ira Nadel,2023-11-30 Russia haunted the British cultural imagination throughout the 20th century whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism In this new book Ira Nadel charts the story of that influence through the work of some of the key figures in British literature across the century including Joseph Conrad Somerset Maugham Jane Harrison Virginia Woolf and H G Wells Framed by the story of two romantic encounters between Walter Benjamin and the actress Asja Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945 *Love and Russian Literature* casts a vivid new light on the ways in which responses to Russia shaped the history of British modernism **Prolific Ground** Nicolle Jordan,2024-11-15 Land ownership and engagement with land more generally constituted a crucial dimension of female independence in eighteenth century Britain Because political citizenship was restricted to male property owners women could not wield political power in the way propertied men did Given its foundational sociopolitical function land necessarily generated copious writing that vested it with considerable aesthetic and economic value This book then situates these issues in relation to the historical transformation of landscape under emergent capitalism The women writers featured herein including Jane Barker Anne Finch Sarah Scott and Elizabeth Montagu participated in this transformation by celebrating female estate stewardship and evaluating the estate stewardship of men By asserting their authority in such matters these writers acquired a degree of independence and self determination that otherwise proved elusive For Love and Honor
